

## CSUDH USLOAC Checklist for Evaluating Assessment Reports

Name \_\_\_\_\_

Program Evaluated \_\_\_\_\_

Criteria	Yes	No	Comment
PLO is appropriate and measurable			
PLO linked with institutional learning outcome(s)			
Methods include indirect and direct evidence			
Evidence relates to all parts of the program-level learning outcomes			
Rubrics for assessment are used to assess student work based on specific PLO (not grading rubrics)			
Assessment is conducted by at least two faculty			
Evidence of student work used for assessment is clearly described and related to the PLO			
Curricular, pedagogical or other changes needed to better achieve PLOs are identified			
There is a plan to implement and assess recommended changes			
Students are made aware of PLOs (e.g., they are on-line, in syllabi, etc.)			
Assessment plan/curriculum map is attached			
Previous action items were addressed (from previous reports)
