

CSUDH USLOAC Checklist for Evaluating Assessment RUBRICS

Name _____

Program Evaluated _____

Criteria	Yes	No	Comment
PLOs are appropriate and measurable; one can see how students can demonstrate their learning for each PLO			
PLO can be linked with institutional learning outcome(s)			
Rubrics for assessment are used to assess student work based on specific PLOs (not grading rubrics)			
There are assessment rubrics and other measures specific to each PLO (not just the same measure for each PLO)			
Assessment Rubrics contain detailed descriptions of the different levels of learning			
Assessment Rubrics contain different levels of standards for learning (at least 3 such as Introductory, Developed, Proficient)			
Assessment Rubrics contain relevant characteristics of the PLO
