

March Race to Reduce

Join us in the national "Race to Zero Waste" competition and help us cut back on waste, emissions, and energy consumption by participating in our various workshops, activities and competitions throughout the month. Sustainability prizes, swag and giveaways will be available!

Also, keep an eye out for Terry the Trashbin, our zero-waste mascot!

Every Tuesday (9am-3pm): Visit the Sustainability booth at the weekly Farmer's Market for fun march to reduce-themed activities and giveaways on the South Walkway.

Week

1

Carbon Cube Launch March 4th - 9am-2pm @ Garden between NSM and Central Plant

Come and chat about carbon emissions over cookies and coffee.
Click here to learn more.
<https://torolink.csudh.edu/event/9955744>
