Undergraduate Declaration of Major/Minor
(supersedes AAAP015.002)

To help insure timely completion of graduation requirements, students who have a total of 30 units in progress or completed or who have been enrolled for three semesters (whichever occurs first) must have declared a major before they may register for the next term. Transfer students are required to declare their intended major on their application for admission.

Students who are in a major that requires a minor must choose a minor before completion of 76 units.
