Graduation Writing Assessment Requirement (GWAR) Policy
(Supersedes PM 01-02)

Overview
A. (The Graduation Writing Assessment Requirement (GWAR) was implemented by the CSU in 1977 and has undergone several CSU revisions, the most recent of which is Executive Order 665 implemented in the fall of 1998 and in italics in the sections below.)

B. The Graduation Writing Assessment Requirement (GWAR) obliges all CSU campuses to certify the writing proficiency of all undergraduate and graduate students before their degrees are granted.

C. The Graduation Writing Assessment Requirement (GWAR) Coordinator and the Writing Competency Committee (WCC) shall be responsible for seeing that the Graduation Writing Assessment Requirement (GWAR) is implemented and administered at California State University, Dominguez Hills (CSUDH). Procedures for implementing and administering the GWAR may be amended or altered without necessitating a new Presidential Memorandum.

D. The Graduation Writing Assessment Requirement (GWAR) program reports to the Dean of Undergraduate Studies in the Office of Academic Programs.

CSU Policy and CSUDH Implementation: GWAR at the Baccalaureate Level
A. Competence in Writing Skills at the Upper Division Level
(Executive Order 665: “All students subject to the degree requirements of the 1977-78 or subsequent general catalogs must demonstrate competence in writing skills at the upper division level as a requirement for the baccalaureate degree and, if not previously met in the CSU, for a second bachelor’s degree.”)

Undergraduate CSUDH students may meet the Graduation Writing Assessment Requirement (GWAR) in any of the following ways:

- by passing the Graduation Writing Examination (GWE) with a score of 8 or better effective Fall 2007;
- by completion of one of the approved writing certifying courses with a grade of C or better;
- by satisfying a Graduation Writing Assessment Requirement (GWAR) examination or course before matriculating to CSUDH.

Approved: Allen A. Mori

Date: 2-26-07
B. Campus Matriculation
(Executive Order 665: “Students shall be matriculated at the CSU campus where they satisfy the GWAR.”)

CSUDH shall allow students in distance learning programs to meet the requirement at other CSU campuses or at CSUDH through the use of a proctor-administered GWE.

C. Time Frame for Completing Writing Skills Proficiency Requirement
(Executive Order 665: “As soon as possible after students are admitted, campuses shall inform them of writing skills proficiency requirements for graduation, as distinct from lower division curricula and tests. Certification of writing competence shall be made available to students as they enter the junior year. Students should complete the requirement before the senior year.”)

The writing skills proficiency requirements for graduation shall be highlighted in each course schedule booklet. In addition, CSUDH students at or near the 72-unit level, shall receive a letter from the University Advisement Center (UAC) informing them of this requirement and notifying them they have a GW hold one their records and must see an advisor at the UAC to sign a contract agreeing to take the GWE at the next sitting or enroll in ENG 350.

D. Certification by Examination
(Executive Order 665: “Certification of graduation writing proficiency is an all-campus responsibility. Certification may rely on evidence of writing ability as demonstrated in written coursework, essay examinations, or other measures of student writing competence. Measures may be developed which best fit individual campus needs. However, certification by examination shall include a common essay written and evaluated under controlled conditions and scored by at least two faculty members.”)

CSUDH shall use the one-hour Graduate Writing Examination (GWE) as its common essay, holistically scored. Students for whom English is not the preferred language shall be given an additional hour to complete the Graduate Writing Examination (GWE).

E. Certification Transferability
(Executive Order 665: “Certification of graduation writing competence shall be transferable from one CSU campus to another.”)

F. Implementation Changes and Periodic Review
(Executive Order 665: “Campuses shall submit annually to the Chancellor’s Office as requested a description of any changes in campus provisions for implementation of the GWAR. Campus GWAR programs shall be subject to periodic review and evaluation at least every five years under the supervision of the Advisory Committee on Student Writing Skills.”)

CSUDH shall respond to the Chancellor’s Office as requested. In addition, the GWAR program shall be part of the Program Effectiveness Council (PEC) processes and the outcome of that evaluation shall be reported annually to the Academic Senate.
CSU Policy: GWAR at the Graduate Level

A. Writing Proficiency as a Condition for Graduate Program Admission
(Executive Order 665: “Campuses may require demonstration of writing proficiency as a condition for admission to a graduate program.”)

CSUDH shall accept this option with the understanding that the graduate program shall require GWAR certification of all its applicants, including those who graduated from campuses outside the CSU.

B. Writing Proficiency prior to the Award of a Graduate Degree
(Executive Order 665: “Campuses shall require demonstration of writing proficiency prior to the award of a graduate degree. The level of proficiency shall be no less that the level required for GWAR certification at the baccalaureate level.”)

At CSUDH, each graduate student should complete this requirement prior to the completion of 9 units; if a student has not met the requirement by the completion of 9 units, the student shall receive a GW hold on registration and must meet with an advisor in the University Advising Center (UAC) before the hold will be lifted.

C. Additional Demonstration of Writing Proficiency
(Executive Order 665: “Campuses may require additional demonstration of advanced-level writing proficiency as a condition for admission to a graduate program and/or award of the graduate degree.”)

CSUDH shall grant graduate programs greater flexibility in satisfying the Graduation Writing Assessment Requirement (GWAR). Programs may develop their own advanced-level examinations, holistically scored, or use national tests that include a holistically scored writing competency component. The Writing Competency Committee (WCC) shall review and approve or disapprove all such variations.

Responsibilities of Various Campus Entities Pertaining to GWAR
The Academic Senate shall review and recommend approval for changes in policy and implementation of the Graduation Writing Assessment Requirement (GWAR).

The Writing Competency Committee (WCC) and the Graduation Writing Assessment Requirement (GWAR) Coordinator are responsible for administering all the elements of the Graduation Writing Assessment Requirement and assessing their effectiveness.

The Office of Academic Programs has administrative authority over the Graduation Writing Assessment Requirement program.

Implementation of the Graduation Writing Assessment Requirement (GWAR) Policy

A. Time Frame for completing Writing Skills Proficiency Requirement, Undergraduates
Any student who has not met the Graduation Writing Assessment Requirement by 72 units shall receive a GW hold on the registration and must meet with a University Advising Center (UAC) advisor to map out a strategy, including a signed contract, to meet the requirement before the hold will be lifted. Any student who has reached 90 units without satisfying GW AR must enroll in a certifying course.

B. Certification by Examination, Undergraduates
Students who seek to meet the Graduation Writing Assessment Requirement through examination must receive a score of 8 or better beginning Fall 2007.

C. Certification by Course, Undergraduates
All certifying courses must emphasize writing, either generic or disciplinary, with ample writing activity and instructor feedback and must be reviewed by the Writing Competency Committee (WCC) for approval. They must also participate in the Composition Cooperative (CC). The composition Cooperative shall consist of a common examination in all sections of certifying courses and a holistic reading resulting in a letter grade that must count for at least 25% of the student’s grade in the course.

D. Writing Proficiency Prior to the Award of a Graduate Degree
Graduate students who have not met the GWAR requirement by the completion of 9 units shall receive an ASAP hold on registration and must meet with an ASAP advisor in the University Advising Center (UAC) to map out a strategy, including a signed contract, to meet the requirement before the hold will be lifted.
