**Financial Aid**

# Financial Aid

The Financial Aid Office administers all financial aid programs available at CSU Dominguez Hills. Funds are provided to the University by the federal and state governments and by private parties. Financial aid comes in three forms: gift aid (scholarships and grants), loans, and work programs.

To apply for financial aid, all students are required to complete, sign, and mail the 2002-2003 Free Application for Federal Student Aid (FAFSA) or the Renewal Application to the federal processor by the priority filing deadline of March 2, 2002. If you miss the priority deadline, you may still submit your form to the federal processor, but, you will only be considered for any available funds. Applications may also be filed via the Internet by visiting <http://www.fafsa.ed.gov/>.

## Eligibility

To be eligible for financial aid, a student must be formally admitted to the University for the purpose of obtaining a degree, certificate or educational credential. Students who are admitted as Unclassified-Post-Baccalaureate, seeking a second master's degree or enrolled through Open University are **not** eligible for financial aid. Students interested in borrowing a student loan must be enrolled at least half-time (6 units undergraduate/credential or 4 units graduate level).

A student must be a U.S. citizen or be in the United States for other than a temporary purpose (e.g. permanent resident or permanent immigrant). Students possessing an "F" or "J" visa or I-688A, I-688B or I-797 visa are **not** eligible for federal aid. A student's eligibility may also be affected by additional factors. For specific information, call the Financial Aid Office.

## Selective Service Requirements

The federal Military Selective Service Act (the "Act") requires most males residing in the United States to present themselves for registration with the Selective Service System within thirty days of their eighteenth birthday. Most males between the ages of 18 and 25 must be registered. Males born after December 31, 1959 may be required to submit a statement of compliance with the act and regulations in order to receive any grant, loan, or work assistance under specified provisions of existing federal law. In California, students subject to the Act who fail to register are also ineligible to receive any need-based student grants funded by the state or a public postsecondary institution.

Selective Service registration forms are available at any U.S. Post Office, and many high schools have a staff member or teacher appointed as a Selective Service Registrar. Applicants for financial aid can also request that information provided on the Free Application for Federal Student Aid (FAFSA) be used to register them with the Selective Service. Information on the Selective Service System is available and the registration process may be initiated on-line at <http://www.sss.gov/>.
