

CSUDH VAN PROGRAM

Reservations Now Being Accepted*

The Division of Administration and Finance is pleased to announce the availability of a 10 passenger van for authorized use of CSUDH faculty, staff and students going on campus approved local trips. The vehicle is a 2010 Ford E-350 passenger van. It is currently parked in the rear parking lot of the Physical Plant building.

Drivers must be employees of the University and must meet program guidelines to be eligible to drive the Van Program vehicle.

The Van Program will be administered by the Department of Risk Management / Environmental Health and Occupational Safety and can be reached for program details and scheduling information at 310-243-2895.

** Scheduling is done on a first-come-first-served basis so please plan ahead.*
