

**Natural Science Breakout Session**

**11:00-12:15**

1. Go over WI requirements (again)—Cathy 5 min.
2. Group Discussion I (Concerns) 15-30 min.  
How you might implement WI in your courses?  
What are your courses?  
How might you revise your syllabus to make it WI?
3. Examples  
Biology Lab Course—Cathy 10 min.  
(+Biology Lecture assignments)  
  
Earth Science/Geography examples—John 10 min.  
  
Speech therapy case studies—Dee 10 min.
4. Follow-up Group Discussion II—All 10 min.  
Do you have any ideas/questions you'd like to share?  
Do you have anything you already do in your classes that might be compatible?  
Senior seminar courses in your departments? Assessment + WI
