Open University

Did you miss the application deadline for admission to a Cal State University?

Do you want to take University Classes ***NOW?***

Open University is an easy way for anyone to participate in regular university classes at CSUDH.

Registration is easy – formal admission to CSUDH is not required.

Each class you take through Open University at CSUDH may apply toward your future degree while you enhance your professional skills and explore your personal interests.

Now you have access to hundreds of CSUDH courses each fall, spring and summer.

High school students who will have completed their junior year by June may register with the written support of their principal or counselor accompanying their registration form and fees.

Earning Credit Toward a Degree Through Open University

Open University courses are recorded as resident credit on CSUDH transcripts and can count toward undergraduate and graduate degrees at CSUDH.

CSUDH will accept for credit up to 24 semester units of Open University courses toward a baccalaureate degree and up to 9 semester units toward a masters degree, subject to departmental approval.

For further information
call 310-243-3741 or email
eeinfo@csudh.edu, or go to:
www.csudh.edu/open.

- o Take CSUDH credit courses without being admitted to the university. No transcripts, applications, or other documentation are required. Apply credits you earn to a degree later, if you wish.
- o Test a degree program to see if it suits your educational aspirations. You can find out if your passion for microbiology, archeology or gerontology is satisfied through academic study.
- o Improve your grade point average if your first attempt at college courses was less than successful. If you have been disqualified from the university or denied admission because of a grade point deficiency, you can enroll through Open University and get a second chance to show your true potential.
- o Start accumulating credits that can apply to your degree once you are admitted to the university. You can apply up to 24 undergraduate and up to 9 graduate units toward your degree.
- o Complete requirements for a degree begun at another university.

Co-requisite courses require enrollment in both the lecture section and associated activity, lab, production or supervision portion of the course or, in some cases, enrollment in another course. Co-reqs are listed below the course information in italics. If the co-requisite CRN is listed, you must register for that specific CRN. If only the department and course number is listed, you may register for any section of the co-requisite course for which you are eligible. Refer to the course description in the current University Catalog.

What is **OPEN UNIVERSITY** and How It Can Benefit You

Through CSUDH College of Extended & International Education, adults capable of college-level work may enroll in regular CSUDH courses each semester on a space-available basis. There is no formal admission to the University and registration is made easy—you can usually confirm your space in class at the first meeting. Each department may regulate admission to specific classes, but many choices are available.

Open University gives you the freedom to

- Sample a particular field before enrolling in a degree program
- Take courses for professional or personal development
- Improve your grade point average if you have been turned down for admission by the university or have been academically disqualified.
- Get a start on your degree if you missed the application deadline

Through the Open University program, you can receive credit for your completed course work in any of the lower division, upper division, or graduate courses available to you. The credit you earn can be applied towards a degree within the limits described in the Academic Eligibility and Credit Information section (page 55).

How to Register for

OPEN UNIVERSITY

1. Fill out the Open University Registration form on the back inside cover of this bulletin. Use the registration form or pick up additional forms at the University Information Center (Welch Hall A-245) or at the College of Extended & International Education Registration Office, EE 1100.
2. **Complete the student information on the registration form, including the schedule**

number, the department, course and section numbers of the classes you wish to take. See eligibility statement on page 57.

3. **Take the Open University form to the first session of each class.** Ask the instructor to sign the form permitting you to enroll

- If there is space available in the class AND
- If you have satisfied the course prerequisites listed in the class schedule or University Catalog

Mathematics courses require satisfaction of the University's entry level mathematics requirements. (See page 57 for details).

Registration for Business, Public Administration and Criminal Justice classes require special approval. Contact the College of Business Administration and Public Policy for more information.

4. **Bring the signed and completed registration form to EE 1100 and pay the required fees.**

5. **Deadline dates for completing adds, drops, and/or withdrawals are firm.**

Please refer to the calendar on page 4 for deadline dates.

Fees

Open University fees are \$233 per unit (\$699 for a 3-unit class). **To receive credit for Open University classes, course fees must be paid in full before the end of the third week of classes.**

(See calendar on page 4).

Carson, CA 90747**

The College of Extended & International Education office is open from 8am-8pm, Monday through Thursday, 8am-5pm on Friday; and from 8am-1:30pm on Saturdays.

Registration is not considered complete until we receive bank clearance for your check, or until we receive authorization for your credit card.

You will receive confirmation of enrollment via e-mail, provided we have a valid e-mail address for you on record. Additionally, you should receive a confirmation letter within two weeks after we receive your registration and fees.

When you register in person, you will receive an Extension student ID card which entitles you to library privileges. If you choose to mail in your registration forms and fees, your confirmation of enrollment and ID card will be mailed to you.

Courses you enroll in become part of your permanent academic record at CSUDH. Open University students are subject to the same withdrawal, grading and academic policies as degree students.

If a student drops a class on or before Sept. 17, 65% of the fees will be refunded. After Sept. 17, no refund will be made. Refunds are not automatic. You must file appropriate forms in the College of Extended and International Education office in order to receive a refund. Refunds take a minimum of six to eight weeks for processing. **Positively NO REFUNDS** will be given after Sept. 17. Do not put a stop-payment on a check to withdraw from a course.

This results in a financial obligation to the University for the course fee, plus an additional \$25 charge, plus a \$25 late fee.

If the University cancels a class, the student will receive a full refund of applicable fees or will be allowed to register in another class without payment of a late fee.

Dishonored Check Policy

Once a check has been dishonored, no personal checks will be accepted from that person for a period of at least two academic terms.

This rule applies to any check returned from any financial institution for any reason.

The person will be required to pay all university-related debts with a certified check, money order or traveler's check(s) including the \$25.00 returned check fee.

Discrepancies not resolved before final exams may result in loss of credit for the class.

Verification of Enrollment

To verify that you have been officially enrolled in your classes, check the instructor's printed class roster which is published the fourth week of the term. Open University students will appear on the same roster as students enrolled in degree programs. If your name is not on the roster, call the College of Extended & International Education Office immediately. It is the student's responsibility to initiate inquiries regarding his/her registration in a course.

Discrepancies not resolved before final exams may result in loss of credit for the class.

Section 504 of the Rehabilitation Act of 1973

California State University, Dominguez Hills is an equal opportunity/affirmative action institution. As a unit of the university, the

College of Extended Education does not discriminate on the basis of race, color, religion, national origin, gender, sexual preference, age, disability or veteran status. This policy is applicable to employment and student admission, and to all educational programs and activities.

Privacy Information

The University complies with Federal and State laws concerning privacy rights of students. These rights are summarized in the University Catalog. Questions about privacy rights may be directed to the Dean of Extended Education at (310) 243-3737 or the Vice President for Student Affairs at (310) 243-3784.

Use of Social Security Number

CSUDH provides all students with generic 9 digit student ID numbers. These ID numbers are used to identify student records, registration, and to conduct all University business. However, students are still required to provide the University with their correct social security numbers (individual taxpayer identification numbers) pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student and, if needed, to collect debts owed the University. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. Students who do not have a social security number at the time of enrollment will be required to obtain a social security number and submit it to the University within sixty days. Failure to furnish a correct social security number may result in the imposition of a penalty by the Internal Revenue Service.

Immigration Requirements for Licensure

On August 27, 1996, Governor Pete Wilson issued Executive Order W-135-96 which

requested that the CSU and other state agencies implement “as expeditiously as reasonably practicable” the provision of The Personal Responsibility and Work Opportunity Reconciliation Act (PRAWORA) of 1996 Reconciliation Act (PRAWORA) of 1996 (P.L.104-193). The Act, also known as the Welfare Reform Act, included provisions to eliminate eligibility for federal and state public benefits for certain categories of lawful immigrants as well as benefits for all illegal immigrants.

Students who will require a professional or commercial license provided by a local, state, or federal government agency in order to engage in an occupation for which the CSU may be training them must meet the immigration requirements of the new Personal Responsibility and Work Opportunity Reconciliation Act to achieve licensure. Information concerning the regulation is available from the Vice President of Student Affairs, (310) 243-3784.

Important Tax Credit Information

The **Hope Scholarship Tax Credit** is available only to students in their first two years of postsecondary education who are enrolled at least half-time in an eligible program. Hope credits apply to fees paid after December 31, 1997.

The Lifetime Learning Tax Credit

The Lifetime Learning tax credit is available to students at all educational and enrollment levels who are enrolled at an eligible educational institution. As with the Hope Scholarship tax credit, this opportunity is based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer’s modified adjusted gross income. The Lifetime Learning credit applies to fees paid after June 30, 1998.
