

CITY OF LA MIRADA SPLASH! GRAND OPENING

September 17, 2007

Grand Opening celebrations for the La Mirada Regional Aquatics Center and the La Mirada Community Sheriff's Station expansion will be held on Nov. 10 from 10 a.m. to 12:30 p.m.

This special event will feature a ribbon cutting, tours of the facilities, musical entertainment, a Public Safety Fair, free food, and open swimming from 1 to 5 p.m.

An array of City services including a fun-filled Public Safety exhibit will also be featured. Demonstrations by the Los Angeles County Fire Department, Sheriff's Department and California Highway Patrol will be on hand.

For more information, contact the Community Services Department at (562) 943-7277.

A new generation of aquatic parks will be unveiled when Splash! La Mirada Regional Aquatics Center is dedicated on November 10. This state-of-the-art aquatic facility, located in the La Mirada Civic Center adjacent to Regional Park, is the only aquatic facility of its kind in Southern California.

"Splash! is expected to quickly emerge as a leader in recreational and competitive swimming, diving, water polo and synchronized swimming," says Public Information Manager Anne Haraksin.

The design of Splash! combines top quality competitive and instructional pools with an extensive family-oriented water park. "Splash!" covers 18 acres and has two major components to it. The competitive and instructional side of the facility includes a 50-meter competition pool with a moveable bulkhead, a 25-yard recreation/teaching pool, two 1-meter competition springboards and two 3-meter springboards on a concrete platforms, a therapy spa, and two LED scoreboards. The facility has also been equipped with space and

plumbing for a second 50-meter pool, and plumbing for a 600-square-foot therapy pool.

“With the addition of Splash!, La Mirada continues to set itself apart by providing residents with many avenues to bring families together and encourage healthy lifestyles,” says Haraksin.

The family-fun oriented “Buccaneer Bay”, combines the excitement of a water park with the type of decorative pirate features found in a theme park. Buccaneer Bay features a flowing river channel, three water slides, a children’s interactive play structure, zero-depth beach entry and two spray pad areas. Pirate themed elements include: a marooned ship, a dramatic skull rock, shade canopies that resemble sails, cannon walls, wharf plank benches, and crow’s nests.

September 17, 2007

“The thematic design of Buccaneer Bay blends elements from La

Mirada’s rich Spanish heritage with a seafaring theme compatible with the new name selected by the local swim club, the La Mirada Armada,” says Community Services Director Thomas E. Robinson.

The Splash! facility includes a main lobby, offices, a community room, two sets of men’s and women’s locker rooms, a swim shop, a food service area, and two picnic/ event areas.

The building design was developed by the architectural firm of Westberg-White, which also designed the nearby Activity Center and Resource Center buildings. Plans for the Aquatic Center’s pools, waterpark and spa area were developed by the aquatic design firm of Counsilman-Hunsaker. California Commercial Pools constructed the various pools at the facility. The project management was provided by C.W. Driver.

September 10, 2007

CITY OF GARDEN GROVE TRUE NEIGHBORHOOD TEEN'S MURAL DEDICATION

If you were given \$15,000 to create your legacy, what would you do?

This is exactly the question that the City of Garden Grove's True Neighborhood Teens (TNT) had to answer when they successfully applied for a "Create Your Legacy" grant from Ameriquest Mortgage earlier this year. TNT is a teen leadership and service program based out of the Buena Clinton Youth and Family Center for youth between the ages of 13 and 18. The program uses a unique "business" model to guide youth to become leaders and help contribute to making their neighborhood a better place to live.

Back in January 2007, staff became aware of the Ameriquest grant, and thought it would be a great learning opportunity for TNT. A brainstorming session was conducted with the youth to come up with ideas on how this money could be used to improve their neighborhood. The Buena Clinton

neighborhood is a densely populated, low-income area with a history of high crime, open drug markets and poor living conditions. Although the City, some property owners and various community-based organizations have recently made great strides to help lower crime and improving living conditions, graffiti and gang activity continue to prevail.

In the end, TNT decided that in order to prevent graffiti and beautify the neighborhood they would propose to design and create a mural on a 100' wall at the only park in the community. Because this was a wall that was often "tagged" with gang graffiti, TNT saw a mural as their opportunity to address a neighborhood issue in a lasting and meaningful way. The youth also proposed to purchase some much needed equipment and supplies for the Center's after-school program.

Once their ideas were finalized, TNT also assisted with the grant proposal. They collaborated with the City of Garden Grove's cable television production crew to create a very compelling video detailing their proposal. For the next couple of months, TNT eagerly waited to find out if they received the grant – some members asking staff about it every day. Finally, in April 2007, staff received word that the proposal had been accepted, and TNT would be able to do their mural.

With a portion of the money for the mural, the City contracted with Omar Ramirez, a professional muralist who had a proven track record of working with teen groups to create meaningful murals. First Mr. Ramirez led TNT through the design process, impressing on them the need to focus on the positives of their neighborhood. Once the design was finalized, he then worked with the youth to actually paint the mural. Many of the TNT members were given specific portions of the wall to call their own. The end result is a very colorful 1,000 square foot mural depicting a day in the life of the Buena Clinton neighborhood.

On September 25, 2007, the City dedicated this mural and honored the hard-working TNT members who made it happen. Mayor Bill Dalton, members of the City Council, Orange County Supervisor Janet Nguyen, a representative from Ameriquest and City staff were all in attendance to mark the occasion. In addition, many

residents from the neighborhood also came out to see what was happening. TNT received a plaque for their efforts, and each individual member was also recognized with a certificate. While they were surprised at the attention given to their project, their sense of accomplishment and pride was clear from the looks on their faces as the reality sunk in that TNT has truly created a legacy in the Buena Clinton neighborhood.

The Professional Mentoring Program Needs YOU!

"We make a living by what we get, we make a life by what we give." Winston Churchill

The Professional Mentoring Program (jointly sponsored by CPRS District X and Women in Leisure Services - Gamma Chapter) is designed to advance the profession by offering students and part-time recreation & leisure studies staff the opportunity to be mentored by a professional in their field of interest. We create community through people parks and programs and the sharing of character, knowledge and recreation.

The program is open to all students and Recreation Leaders within the Gamma Chapter and District X service areas. Colleges of focus are CSULB and CSUDH.

Benefits

Students/Part-Time Staff (Mentees)

- Gain valuable knowledge including human and physical resources
- Build professional relationships with upper level professionals in the field
- Receive job coaching and career guidance
- Promote (market) yourself

Professionals (Mentors)

- Provide an avenue for succession training and a link to the next generation of professionals by sharing beliefs and history
- Recognize new ideas and perspectives (can lead to revived inspiration)
- Improve delivery skills (clarify your beliefs)
- Enrich their professional development

A "Get-Acquainted Breakfast" is scheduled for Tuesday, October 30 from 8:30-10 am at the Lakewood Senior Center. Students and Professionals will be grouped according to area of professional interest. Pairings will be completed by the participants. Although not required, this event is a great way to meet others within the profession and select a partner with whom you connect.

The program flyer and application are posted on the District X and WILS-Gamma websites. The first 20 mentees that turn in their completed application will receive 250 professionally designed personal business cards. All mentees who consistently participate in the program will receive a gift in the Spring. For more information about the program, contact Janet Pelayo at 714 741-5200, janetp@ci.garden-grove.ca.us or Nancy Matthews at 626 305-9215, nancymatthews@altrionet.com.

PROFESSIONAL DEVELOPMENT GRANTS AWARDED

The District X Board of Directors was pleased to award two grants in the amount of \$250 each to **FELIPE ZAMBRANO**, a Coordinator with Placentia Community Services and to **CRYSTAL BRACY**, who is a Recreation Therapist at Long Beach Memorial Medical Center.

Both recipients chose to have their grant applied to the registration fee for the 2008 CPRS and Pacific Southwest Conference, scheduled for the end of February.

Felipe stated, "I feel that this opportunity will give me additional tools to do my job in providing excellent services, equipment, programs and customer service to the residents of my city." And Crystal, who has served on the District X Board of Directors in the

past few years as both the Therapeutic Recreation Section Representative and as a student representative from Cal State Long Beach, had this to say: "Attending conferences and workshops are an important opportunity to network with other professionals in our field and create community bridges between the clinical and municipal recreation sections. Given the opportunity of this grant, I will represent District X with pride and professionalism at the Conference."

The District X Board of Directors commends Felipe and Crystal on their dedication to their chosen profession, and are happy to help them further their careers by providing these grants. We look forward to seeing them both in Long Beach at the Conference!

DISTRICT X WEBSITE

The District X Board of Directors is pleased to announce that the District X Website is current and up to date. The website address is <http://districtx.cprs.org>.

The board is encouraging all members to visit the website as it contains valuable information for the district membership. You can become familiar with the Board of Directors, view the Calendar of Events and obtain registration information for upcoming events, review legislative information and much more. The board is committed to continue to add relevant information to keep our district informed and up to date.

TEN TYPE NEWSLETTER

The Ten Type is the quarterly District X Newsletter designed to keep the membership connected to the Board of Directors, other agencies and members. You can help by providing information about the great things happening within your agency and community. The next deadline for the Ten Type is December 1, 2007. The information will be included in the Winter Ten Type which will be distributed the first week of January.

If you have questions regarding the website or Ten Type or wish to submit information for future Ten Type issues, please contact the Vice President of Communications, Sonya Meacham at smeacham@downeyca.org or (562) 904-8145.

CALLING ALL DISTRICT X MEMBERS!

District X Needs YOU!

Have you ever wanted to know how District X functions?

The status of the District's financial health?

Who comes up with all those ideas for trainings?

*Consider joining the District X Board of Directors,
and all this information will be YOURS!*

The Nominations & Elections Committee is starting to work on the Slate of Candidates for the 2008-2009 Board of Directors. Won't you consider joining this dynamic team of dedicated professionals? Positions available include President Elect (3-year commitment through the Presidential series), Vice President of Finance, VP of Correspondence, VP of Programs, VP of Communications, and VP of Fundraising (all are 1-year terms); Section Representatives for Park Operations, Recreation Supervisors, Therapeutic Recreation, and Aquatics (these are 2-year terms).

The Nominations Committee will begin their work at their first meeting on Monday, October 22nd. If you are interested in running for one of these offices, please contact Janet Cates, Past President, at 714/690-3359 or via email at janetc@cityoflapalma.org before that date.

CPRS LEGISLATIVE COMMITTEE

CPRS seeks public policy conditions that are favorable for your professional success and for the advancement of parks and recreation services to all Californians.

Through the CPRS Legislative Committee, we constantly work towards these goals:

- Member concerns are heard by legislators in the creation of relevant public policies that affect parks and recreation
- Members are informed of proposed public policies of substantial importance to the profession

The 2007 Legislative Committee Chair is Terry Jewell, District Administrator, Sunrise Recreation & Park District, 7801 Auburn Blvd., Citrus Heights, CA 95610, 916/725-1585. Terry can be reached at tjewell@sunriserecreationpark.org.

The Legislative Committee is responsible for establishing annual legislative priorities, taking position(s) on proposed legislation, testifying at legislative hearings, communicating to members about CPRS legislative activities, and tracking bills based upon our legislative priorities. In addition to acting as a "committee of the whole," the Legislative Committee is further divided into two task teams whose responsibilities include:

1. **Increasing Legislator Awareness** about the mission of parks and recreation by communicating CPRS' position on bills deemed important by the committee and developing opportunities for members to interact with legislators (either at the home district or while in Sacramento).
2. **Increasing Member Knowledge** of the political process and the most effective methods to communicate with legislators.

Members are encouraged to join the Legislative Committee at any time. If you are interested in joining, contact either Terry Jewell, Legislative Committee Chair at tjewell@sunriserecreationpark.org or Jane H. Adams, CPRS Executive Director, jane@cprs.org or 916/665-2777.

Members of the CPRS Legislative Committee are available to meet with you, your district or section, to explain the status of current legislation as well as review all the resources currently available to you.

LEGISLATIVE WATCH LIST

October 4, 2007

For easy access to these bills, visit www.cprs.org, click on Legislation, then Legislative Action Center. Scroll down to Check the bills CPRS is tracking. You can then click on each bill and you will be directed to the bill document.

BILL	DESCRIPTION	CATEGORY	CPRS POSITION & CURRENT LOCATION

District X Administrators Section Rep.

Aquatic Section Report

The California Aquatic Management School will be held October 9 –12 in Monterey. Congratulations to Christine Stempleski, with the City of Newport Beach for receiving one of the aquatic section scholarships to the California Aquatic Management School.

Providing training and education opportunities is one of the key goals of the aquatic section, in addition to offering scholarships the aquatic section wants to provide information on scholarship opportunities for those involved in aquatics.

Total Aquatic Management is offering a graduate school scholarship for anyone that is working in the field of aquatics or supervising aquatics as a major portion of their job. Anyone that is attending graduate school to obtain a masters degree in either public administration of recreation/leisure administration is eligible to apply through the California Foundation for Parks and Recreation. The application may be downloaded at:
www.cprs.org/about-student.htm

The Southern California Public Pool Operators (SCPPOA) held their 15th annual Lifeguard competition on Sunday, July 29 at the Van Nuys Sherman Oaks Pool. The City of Santa Clarita placed first in the large agency division and The City of Santa Monica placed first in the small agency division. The first SCPPOA meeting of the year will be

held on Friday, October 5 for the location and more information visit www.scppoa.org

Senate Bill 793, which deals with updating the law that deals with lifeguard certification passed unanimously in the senate, and now goes back to the Senate to concur on the amendments the Assembly incorporated into the bill.

The Aquatic Section will be hosting an intensive at the upcoming CPRS conference in Long Beach. The intensive will be a tour of local aquatic centers and will include information about aquatic center operations.

The Recreation Leader Training Consortium

The CPRS District X Recreation Leader Consortium had its fall training on Saturday September 22nd at the Neighborhood Community Center in Costa Mesa. Over 250 recreation leaders from all over the Los Angeles and Orange County area attended the training. Appropriately called "Beyond...homework time and free play", the training was designed to provide resources to the fall after school programs and park drop in programs.

The very talented and exuberant Gale Gorke started the morning with an interactive rise and shine. Leaders scrambled to get into teams, and then as a team worked together to find items that Gale would call out for to receive a prize. Needless to say, all the leaders were fired up to get the morning started.

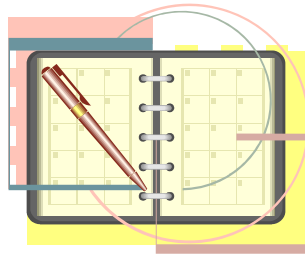

Presenting sessions were the City of Downey's ASPIRE team, Gale Gorke and Nicole Rios of La Mirada. For the first time, fall training

sessions where split into two categories. Front line staff attended sessions regarding educational games and creating Halloween crafts. Site coordinators or Senior leaders attended sessions including building relationships with

school district official and how to prepare for special events.

Despite it being a rainy Saturday morning, staff left the training with an upbeat attitude and heads full of new ideas.

CALIFORNIA STATE UNIVERSITY DOMINGUEZ HILLS

Fall classes have begun and the students are already rallying around the professionally-related activities such as the Recreation Club. The DH Recreation Club is a very active organization that meets each Thursday at 1 pm and plans activities and projects to accomplish for the club, professional organizations, the university, and the community. New officers were elected (seated below) and Club members enjoy the collegiality and of course. On of the annual projects for the Club is to support the Student Development Grad Fair as volunteers. This activity is helpful to the campus population, but also to the REC students who are looking into furthering their education in Graduate School.

A typical Recreation Club meeting includes discussion, friendship, and a festive atmosphere.

Semester Plans include:

- Participating in the CPRS/WLS Professional Mentoring Program
- Attending the SCMAF Institute
- Supporting the athletic teams games on campus
- Midnight Madness
- Holiday Social

Welcome Week is always a popular campus activity that introduces students to the clubs and organizations, and the Recreation Club recruits new members. This

year the weather was perfect, the air was festive, and students enjoyed sitting at REC Club table and encouraging others to join the club.

Another one of the goals of the club is to support the athletic teams and bring school spirit to the games, so the first major social activity was to attend the women's volleyball game on September 21. The team rallied in the fifth set to win the game, and all the supporters appreciated the REC

Club's visibility and enthusiasm. Plans are in the works for the Midnight Madness pep rally in October.

DH Rec-Sports is flourishing in its second full year of operation. Many standard and unusual sports are organized for the students and are played at all hours of the day. Our department continues to support this program.

CALIFORNIA STATE UNIVERSITY LONG BEACH

The Recreation Society will be holding a Fundraiser at California Pizza Kitchen in the Long Beach Market Place on Tuesday, October 16, 2007. Help support the CSULB Recreation Society and enjoy a great lunch or dinner. Go to the District X website at <http://districtx.cprs.org> or email Brandy Bandaruk at bbandar@csulb.edu to receive a flier with all the details.

CPRS Mixer - A social with Recreation professionals and students from CSULB and CSUDH

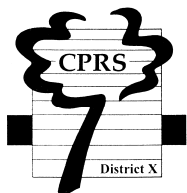

Thursday, November 8, 2007
6pm to 8pm
Gaslamp Restaurant
6251 E. Pacific Coast Highway
Long Beach, CA 90803

If you have any questions, please contact Brandy Bandaruk at bbandar@csulb.edu or visit www.thegaslamrestaurant.com

Mark your calendars now for Friday February 29, 2008 as we leap into the CSULB annual reunion held during the CPRS conference. This year the conference and reunion will be held in Downtown Long Beach at the convention center and local hotels. We are planning a very special event for current students, alumni and other friends of the Department.

The National Council on Therapeutic Recreation Certification will hold its National Board meeting in Long Beach at CSULB on Thursday November 1, 2007. Therapeutic recreation professionals in district X are invited to join the Council and faculty/students for an evening reception on Friday November 2, 2007 at 6:00pm in Long Beach. For more information contact Maridith Janssen at 562-985-4079.

On Saturday November 3, 2007 the therapeutic recreation students at CSULB will be sponsoring an all day workshop at El Dorado Park Senior Center for therapeutic recreation professionals as a continuing education workshop. Call Maridith Janssen 562-833-3310 for more information.
