Instructions

1. Use this form to change your anticipated date of graduation if you do not qualify to graduate at the end of the semester for which you originally applied. Write legibly in blue or black ink. A \$10.00 fee is required for each Change of Graduation Date.
2. The deadline date for filing this form is the last day of the semester of intended graduation. Forms received after the deadline will be processed for the following graduation term.
3. Changes of Name, Diploma Mailing Address, Major and/or Minor listed on this card will override any information listed in the original Application For Award of Degree. Therefore it is important to fill out this form clearly and accurately.
4. This is a request to move your anticipated date of graduation to a future term. Requests to move the graduation date to a previous term will not be honored.
5. If a Degree Check was mailed to you previously, you will not be sent another one if continuous attendance is maintained. Continuous attendance is defined as enrollment in at least one fall or spring semester each year until the date of graduation.
6. If you are not in continuous attendance at CSUDH, you must request Advisors from each Major and Minor Department to submit new Advisement/Program of Study Forms to the Graduation Unit.
7. If you do not graduate at the end of the semester in which you applied to graduate, your graduation file will become inactive. Your file will not be re-activated until you change your date of graduation (even if you complete the requirements later).
8. If you find during your last term that all requirements will not be completed, you will need to change your graduation date to be eligible to register for the next term.
