The Student Health Center is staffed by a group of health care professionals who are dedicated to your wellness. Physicians, nurse practitioners, registered nurses and clinical assistants provide basic outpatient services for the diagnosis and treatment of acute and subacute illnesses and injuries. For medical and surgical problems which are beyond the scope of the Student Health Services, students are provided with referrals to local community health facilities.

General Information

- Your SHS medical record is confidential.
- Students with acute minor illnesses or injuries, which require urgent medical attention, may be seen at the Health Center without an appointment.
- We offer "routine" physical exams, immunizations, medical consultations and a variety of screening tests to identify preventable diseases and conditions.
- CSUDH requires certain immunizations to attend the university.
- Men's Health Care is established to care for male-related problems.
- We provide a broad range of women's health services. They include: annual gynecological exams, Pap smears, birth control, pregnancy testing, screening and treatment of sexually transmitted diseases, and other gynecological problems. "Annual" exams are available by appointment.
- The Health Center has a Specialty Care Clinic available for Orthopedics
- Our pharmacy is licensed by the State Board of Pharmacy. Prescriptions written by both SHS and outside physicians can be filled, often at a much lower price than that charged by outside pharmacies. Over-the-counter medications are also available at reduced prices.
- Our nationally accredited laboratory is equipped to perform basic laboratory work (i.e. blood count, urinalysis, etc.). Complex laboratory services are sent out to a reference lab for a nominal fee.
- A radiological technologist provides basic diagnostic x-rays at no cost when requested by a medical provider.
- Health insurance is recommended for all students but is not required to use the Student Health Services. A supplemental plan written specifically for CSUDH students is available through Associated Students, Inc (ASI). Student Health Insurance Plan (800) 853-5899
