CSUDH
Professional Development
at the Intersection of Equity & Evidence

Webinar Topics

- Becoming Student Ready
- Measuring Impact
- Student Journey/Navigating Transitions
- Overcoming Barriers
- Post Graduation Success

Dates
1/29, 2/12, 2/26, 3/12, 3/26, 4/9, 4/16, 4/30

Expectations

- Meet for 2 hours (webinar + discussion)
- Explore data
- Create a Data Action Project
- Break down silos and build community
What questions have been explored?

- Do GPAs change after course redesign?
- How has major migration impacted scheduling?
- What factors most significantly impact retention (GPA, unit load, DFW)?
- Where do we see intersectionality of student characteristics influencing retention?
- Why is first generation status our largest equity gap?
- Which student groups are excelling and thriving?

In which courses do we see reverse equity gaps?
Where the dashboards provide valuable insights – how can we increase use?
What questions have been explored - Beyond Dashboards?

- What course **sequencing** is most effective?
- Where are our **bottlenecks**?
- Compared to other schools, how do **DH compare** on the metrics used by the CSU?
- Which student groups are most impacted by **probation**? What happens next?
- How does Supplemental Instruction and other **resource use** help students?
- Which programs, **in what combination**, make the biggest difference, for whom?
- What can advising data add to what we know about why **students leave**?

*Data revolve around student performance, persistence, and characteristics/demographics*
