Library End-of-Year Update

Of Note…. 2016-2017

The University Library fosters student success, scholarly research, and academic excellence through the provision of information resources; user-centered services and learning experiences; and welcoming, technology-enhanced environments that facilitate lifelong learning, collaboration, innovation, and the acquisition of information literacy skills.

Materials Relocation Project Update

- Initial relocation of materials completed mid-January, 2017
- Approximately 60% of collection in Open Stacks, 3rd & 4th Floors

**Spring Storage Stacks Statistics**
- Number of Items Requested – 57 (Jan: 4; Feb: 10; Mar: 24; Apr: 14; May: 5)
- Number of Items Retrieved – 10
- Number of Non-Circ. Periodicals used in-house: 15
- Average Retrieval Time – 9.7 minutes
- 34% of Circulating Collection checked out from Jan-May 2017; 2.5% were storage materials

**Ongoing**
- Shifting of Open Stacks materials to Storage
- Shifting of Storage materials to Open Stacks
- Ensuring materials are shelved in the correct order
- Ensuring representative coverage of all call number areas in Open Stacks

- Storage Items with 3+ circulations will move to Open Stacks
Library Spaces – “Co-Lab” (formerly Internet Café)

- **ALC Hardware & software Equipment**
- **Outlets to Plug in Personal Devices**
- **Students:** Group Study, Presentation Practice
- **Faculty:** Opportunities to practice with Active Learning Classroom Hardware & Software
OneSearch – New System-wide Discovery System

• **Who:** Council of Library Deans (COLD)

• **What:** New integrated discovery system that integrates and provides access to holdings of all 23 campuses

• **When:** June 13, 2017

• **Why:** Dramatically improve access and discoverability; Enrich Research Experience; Streamline Resource-Sharing/Interlibrary Loans

• **New Features/Enhancements**
  - **OneSearch** - An intuitive, mobile-friendly interface that makes it easier to find, cite, save, and share books, ebooks, ejournals, articles, streaming videos, and more from the CSU Libraries
  - **CSU+** - A new book-sharing system within the CSU. Students and Faculty have access to over 29 million books. Request at any CSU campus; delivered to home campus within 2-3 days
  - **Standardized Loan Periods for Books** - Faculty: 1 year; Students: 1 semester

Workshops, tutorials, Quick Guides Available Fall, 2017
Supporting Faculty and Students with Critical Information Resources

New Online Resources
- PolicyMap
- BioOne Complete
- SAGE Research Methods
- Drama Online Playtexts

33,000+ new ebooks across the curriculum

New Faculty - $1000 for discipline purchases

Building Core Print Collections
970 new titles on current topics and the latest research

Information Literacy
- 145 class sessions this AY reaching 3,233 students across the colleges (30% increase in sessions & 25% more students)
- An ongoing partnership with WAC including an FDC workshop on designing effective research assignments and assignment consultation services
- Interactive online tutorials on plagiarism and developing keywords with over 2,000 views
- LibGuides – Research subject and topical guides available 24/7

Whole Course Support Example: Dr. Murillo’s History 300 “Theory & Practice” course
Library Support Enhancements

- New Mission, Vision, Core Values (http://www4.csudh.edu/library/about/mission/indexNew)

- Strategic Goals (http://www4.csudh.edu/library/about/goals/index)

- Library Programs and Faculty Hires
  - Campus Institutional Repository → Digital Initiatives Librarian (Dana Ospina)
  - Student Success Activities (HIPS) → Student Success Librarian (Fobazi Ettarh)

- Updated Library Policies – (http://www4.csudh.edu/library/about/policies/index)
On the Horizon . . .

• Affordable Learning Solutions Funding for Course Reserves Textbooks
  • Establish Criteria for Course Selection (E.G. High DFW rates, High Enrollment)
  • Rent textbooks from University Bookstore

• Abolish/Reduce Student Fines for Circulating Collection
  • Remove potential barriers to students graduating
  • Re-purpose Library Staff time for core services
  • For Further Discussion: Reducing fines for Course Reserves Materials

• Lengthen Circulating time for High-Use Course Reserves Materials
  • 60% of Library’s Circulation is of Course Reserves materials
  • Lessen barriers for students who need core materials for a longer time-period

• User-Services Assessments (e.g. Surveys, Micro-Assessments, etc)

• Library Visioning Steering Committee Recommendations
  • Steering Committee met during 2016-17
  • Recommendations for Space for the “Library of the Future”
