

**Sponsored Research and Programs (SRP) Update
Academic Senate Meeting
March 20, 2019**

1. The Role of Sponsored Research and Programs

- a. Provides faculty with expert guidance on both University and external sponsor policies
 - i. Pre Award Staff are Certified Research Administrators
- b. Keep up with frequently changing Federal regulations, individual sponsor policies, Program Guidelines, and CSU Chancellor’s Office policies
- c. Thoroughly review proposal guidelines and proposals to ensure compliance
 - i. Non-compliant proposals may be returned without review (examples: missing required elements, formatting issues, violates University or Sponsor policy)
- d. Ensure budgets are accurate & costs are allowable
 - i. Protects the University, College & Principal Investigator from disallowances/shortfalls
- e. Review and negotiate award documents on behalf of the University
- f. Assist with financial management & required reporting (including cost share)
- g. Work in collaboration with CSUDH Foundation
