 - Blue By Explorance
- The Committee recommendation: Class Climate by Scantron
- What's Next?
 - **Summer 2019: Pilot Class Climate – Free Pilot & no Commitment**
 - **Fall 2019: Review feedback and data from the pilot participants**

Academic Technology Update

○ **MATLAB SOFTWARE**

- Campus-Wide License
- Available to all faculty & students
 - Analyze data
 - Research and develop programming skills
 - Creating Models, Applications and Graphics

Academic Technology Update

○ **Blackboard Ally**

- A new accessibility tool in Blackboard
- Ally will automatically run your course materials through an accessibility checker eliminating the need to use multiple checkers and tools.
- Ally will generate accessible alternatives to your original document including audio, electronic braille, tagged PDF, and HTML for viewing on mobile devices.
