General Education Committee Year Report 2020-2021

The GEC meets, as needed, from 10am to 12 pm on the second and fourth Mondays of the month to consider course GE program proposals and/or for discussion of or to provide expertise on GE related topics or issues. The GEC is assisted in its responsibilities by two staff persons from the Provost's Office, Tracey Haney and Lilliana Sanchez. The committee thanks both Tracey and Lilli for their valuable assistance.

After the last meeting of GEC during the 2019-2020 school year, there was no elected chair. The senate chair appointed Dr. Angela Macias. The GEC also welcomed several new members to the committee this year.

The GEC has continued to refine the use of the matrix adopted last year to help faculty propose new courses with a streamlined process. Throughout the school year, the GE committee approved X new courses, which are listed below.

- HEA 466 (Area B4)
- MAT 134 (Area B4)
- WMS 200 (Area D1)
- WMS 390 (Area D3)
- MAT 155 (Area B4)
- ITC 300 (Area D3)

GEC collaborated with EPC and solicited input from the Senate Executive Committee, GEAWG, UCC and other faculty, staff, and administration on campus to draft EPC21-01. This resolution allowed the reorganization of areas A-F to align with AB 1460 and EO 1100. Additionally, the GEC drafted a GE comparison chart that listed the past GE areas, CSU adopted areas, and new CSUDH A-F areas to help faculty in future course proposals and program changes. The GE Chair drafted updated descriptions for GE to the new CSUDH catalog. The GEC will elect next year's chair at our last meeting 5/10/2021.

Respectfully Submitted,
Angela Macias Ed.D., Chair
