California State University, Dominguez Hills will implement additional health and safety measures based upon the April 10, 2020 order issued by the Los Angeles County Health Department. Effective Thursday, April 16, all essential employees who are in contact with other employees or members of the public during the course of employment will be required to wear a material that covers the nose and mouth (i.e., cloth face coverings) to help slow the spread of COVID-19.

In compliance with this order, the university will provide a face covering to each essential employee who needs to be on campus for work-related duties.

The map below will indicate where you can locate our information booth and obtain a mask should you need one.

1. Enter campus off of Tamcliff Ave. and Victoria St.
2. Upon entering make a quick left onto Perimeter Rd.
3. At the second Stop sign you will see an information booth on your left hand side.
4. The attendant will verify your name is on the list of essential personnel and will issue a mask. Please have campus ID ready for verification purposes.
