Quote of the Month:

Aim for success, not perfection. Never give up your right to be wrong, because then you will lose the ability to learn new things and move forward with your life. Remember that fear always lurks behind perfectionism. -David M. Burns

We hope everyone is doing well. Can you believe we are half way into the semester? We made it onto the seventh week!! Hopefully you have had the opportunity to join clubs on campus and meet new friends! We have many events happening around campus during this month! Do not forget to take a break from your studies once in a while and attend a campus event hosted by Associated Student, INC. (ASI) and Loker Student Union (LSU). Hello fellow #DHTLC Toros!

My Name is Eduardo Saldivar, I am a senior here and one of your Transfer Peer Coaches! I transferred from San Diego City College to Dominguez Hills in fall of 2015 to pursue my Bachelor's Degree in Psychology. I am grateful that my transferring process led me to DH. The smaller class sizes, the dedication of the professors, the diverse population and the activities held throughout the semester make this campus an excellent environment that cultivates meaningful learning. I have grown so much as a person thanks to the opportunities that DH offers and I'm sure you will experience a similar feeling as you continue your education. As your TPC I am here to: introduce you to the different resources, answer your questions, and share my experiences with you in hopes they will be useful. I am looking forward to meeting all of you in person. GO TOROS!!

Breast Cancer Awareness Month

October 1, 2016 – October 31, 2016

October is Breast Cancer Awareness Month! This is an annual campaign to increase breast cancer awareness. While most people are well aware of breast cancer, many forget to take steps to detect it in its early stages along with encouraging others to do the same.

Men are subject to breast cancer too, so it is always good to be aware.
