

## Graduation Innovation Team (GIT) Meeting

“The barriers to higher achievement are systematic, and no institution can overcome them on its own. Leaders at all levels will need to work together...to establish higher operative standards across the board for college readiness and college achievement.” - The LEAP Vision for Learning | AAC&U

### GIT Committee Charge:

To work collaboratively as a unified and coordinated cross-divisional team of faculty, staff, students, and administrators to increase our 6-year freshmen graduation rate to 60% by 2020, and eliminate the achievement gap while sustaining a high quality degree. (Strategic Plan 2014-2020, Goal 2, Objective A)

## CSU CO Graduation Initiative 2025 Key Objectives

As of September 20, 2016, Graduation Initiative 2025 established a series of ambitious objectives, including:

# Fall 2018 Charge on to Graduation

## Charge on to Graduation - Fall 2018

### What is Charge on to Graduation?

In an effort to support Goal 2 of the CSUDH strategic plan and CSU Graduation Initiative 2025, the University Advisement Center (UAC) developed and implemented the "Charge On To Graduation" junior intervention program. Designed for students in junior standing, who have earned 74-89 units, Charge On To Graduation (COTG) is an interactive advising program intended to support students in identifying their degree requirements, creating their educational plans, and preparing for graduation. Facilitated through college-specific group workshops, Charge On To Graduation connects students with their college-specific General Education advisors, or College Specialists, and seeks to familiarize students with the Junior year "Student Advising Learning Outcomes," or SALO's.

### Learning Objectives

- ✓ Understand the difference between Commencement and Graduation
- ✓ Identify the steps to apply for graduation
- ✓ Identify the 6 graduation requirements
- ✓ Understand how to utilize the Academic Requirements Report to track progress towards completion of all graduation requirements
