11	IV	Petition for Exception Fee - \$10 fee to be eliminated. Fee proposal is denied - revenues from this fee are used towards state operations.	Eliminating the \$10 fee is being proposed to enhance the student experience and support students so they have the ability to get their cases reviewed without a charge.	\$ 10.00	\$ 10.00	Request denied - revenues used towards state operations	Request denied - revenues used towards state operations	N/A
12	V	Reinstate Summer Weekly Parking Pass with annual increases tied to the % increase for student permit fees.	In FY 2018-2019 we no longer offered a weekly parking rate during the summer. Getting rid of this fee created an unnecessary expense to our students who were faced with purchasing daily permits at a much higher rate of \$9 per day than a weekly rate which is much more affordable for our students.	\$ 11.00	\$ -	\$ 12.75	\$ 14.00	\$ 3.00
