On-campus Recruiting Events

Employers host on-campus interviews, information tables, and information sessions each semester regarding part-time and full-time jobs as well as internship opportunities with their organizations. Check the events section on Handshake to see when employers will be on campus and register for their events.

The National Association of Colleges and Employers (NACE) have defined career readiness as the attainment and demonstration of requisite competencies that broadly prepare college graduates for a successful transition into the workplace. All of the NACE Career Readiness Competencies are embedded into the workshops offered by the Career Center to help students with their professional development. Refer to the legend below to see which competencies are represented in each of our workshops.
