

FAQ Employer Engagement Services

In a proactive approach with the spread of COVID-19, the campus has transitioned all in-person services to virtual accommodations for the remainder of the spring semester (end of May 2020). CSUDH Career Center is still here to support your recruitment needs with the exception of virtual career expos. All virtual recruitment services will be waived until the end of the semester.

Post a Job/Internship

Do you have a full-time, part-time or/and internship opportunity and would like to hire immediately? You may post your positions on our career management portal called Handshake. To post a job, please click on the <https://csudh.joinhandshake.com/login> link.

Virtual Information Session

Want to increase your branding with our students and share the benefits of working at your organization? The Career Center can support virtual sessions by providing a meeting link via the Zoom Webinar platform where students can sign on and watch your presentation. Students will be able to ask questions during or after with the chat box feature.

Student Newsletter Ads

Do you have positions you would like the Career Center to support with marketing to students? We can promote a maximum amount of 2 ads for this semester.

Social Media Posts/Takeover

The Career Center can post your organization, events and openings via Instagram and Facebook. Another option is to take over our social media platforms for a day to highlight your company, events and upcoming opportunities.

Career & Professional Development Workshops

Would you like to present on a topic, such as resume and cover letters, networking, interview strategies, or skill based workshops within your organization with our students or/and alumni? We can create a virtual workshop utilizing the Zoom Webinar platform. Connect with Toro Talent while helping them develop professionally.

Other Virtual Sessions

Does your organization offer other virtual opportunities to engage with students? Contact us and share how your organization innovatively connects with students.
