INTERNATIONAL EDUCATION

# Summer Sessions 2021

## Benefits of Summer Sessions

- Sample a field before formal application to a degree program
- Take professional development courses without enrollment in a degree program
- Pursue personal interests in the arts, humanities, literature, philosophy and many other fields
- Take a few courses or units to complete a university degree, meet continuing education requirements or qualify for a pay increase
- Improve your grade point average if you have been turned down for admission by the university, or if your first attempt at college courses was less than successful. If you have been academically disqualified from the university or denied admission because of a grade point deficiency, you can enroll in Summer Session and get a second chance to show your true potential.
- Complete prerequisites for majors or advanced degrees or complete requirements for a degree begun at another university. Credits earned through Open University can be applied toward your future degree.
- Get an early start on an academic program
- Take classes if you have missed the deadline for admission to CSUDH

# What is SUMMER SESSIONS and How Can It Benefit You?

Through CSUDH College of Extended & International Education, adults capable of college-level work may enroll in regular CSUDH courses each semester on a space-available basis. There is no formal admission to the University and registration is made easy—you can usually confirm your space in class at the first meeting. Each department may regulate admission to specific classes, but many choices are available.

## Open University gives you the freedom to

- **Sample a particular field** before enrolling in a degree program
- Take courses for **professional or personal development**
- **Improve your grade point average** if you have been turned down for admission by the university or have been academically disqualified.
- **Get a start on your degree** if you missed the application deadline  
Through the Open University program, you can receive credit for your completed course work in any of the lower division, upper division, or graduate courses available to you. The credit you earn can be applied towards a degree within the limits described in the Academic Eligibility and Credit Information section (page 72).

## Refunds

### Summer Session 1 and Regular Summer Session:

If a student drops a class on or before May 31, 100% of the fees will be refunded (less \$10 processing fee). From June 1-7, 75% of the fees will be refunded. From June 8 to June 14, 50% of the fees will be refunded. After June 14, no refund will be made.

## Refunds Summer Session 2

If a student drops a class on or before July 10, 100% of the fees will be refunded (less \$10 processing fee). After July 10, until July 16, 75% of the fees will be refunded. From July 17 to July 23, 50% of the fees will be refunded. Beginning July 24, no refund will be made.

Refunds are not automatic. You must file appropriate forms in the College of Extended and International Education office in order to receive a refund. Refunds take a minimum of six to eight weeks for processing.

Do not put a stop-payment on a check to withdraw from a course. This results in a financial obligation to the University for the course fee, plus an additional \$25 charge, plus a \$25 late fee. If the University cancels a class, the student will receive a full refund of applicable fees or will be allowed to register in another class without payment of a late fee.

## Dishonored Check Policy

Once a check has been dishonored, no personal checks will be accepted from that person for a period of at least two academic terms. This rule applies to any check returned from any financial institution for any reason. The person will be required to pay all university-related debts with a certified check, money order or traveler's check(s) including the \$25.00 returned check fee. Discrepancies not resolved before final exams may result in loss of credit for the class.

## Verification of Enrollment

To verify that you have been officially enrolled in your classes, check the instructor's printed class roster which is published the fourth week of the term. Summer Sessions students will appear on the same roster as students enrolled in degree programs. If your name is not on the roster, call the College of Extended & International Education Office immediately. It is the student's responsibility to initiate inquiries regarding his/her registration in a course.

Discrepancies not resolved before final exams may result in loss of credit for the class.

## Academic Eligibility and Credit Information

on college level mathematics courses. California State University, Dominguez Hills graduates can have their records verified by the Office of Admissions and Records.

**Official verification must be received by the Extended Education Registration office before the student can enroll in mathematics classes. Verification may be obtained at the University Advisement Center (located in Welch Hall), or the Math Department (Natural Sciences & Mathematics Building), room A-132.**

### College of Business Administration and Public Policy

All Summer Sessions students who wish to register for 300-or 400-level business courses or Accounting 231 are required to obtain approval from the Business Advisement Center located in the Social and Behavioral Sciences Building (SBS), room E-306. The phone number is **(310) 243-3561**. For information concerning approval of graduate business courses, call **(310) 243-3465**. Students must bring a copy of their transcripts, grade reports, and/or college records, including all lower division business courses to the Center when seeking advisement. Contact the Business Advisement Center for hours of operation.

### Transcripts

Transcripts may be ordered online or by phone. Details are available at <http://www.csudh.edu/records-registration/records/request-transcript>. The fee for transcripts is \$4. CSUDH Records & Registration keeps track of your degree applicable credits and records them in your student file.

### Grade Reports

Official transcripts with current grades will be available approximately five weeks after the end of the course. To learn your grade for any graded class, including Extension, Special Sessions, Summer Sessions and Winter Session, please access MyCSUDH: [http:// my.csudh.edu](http://my.csudh.edu).

Information regarding special facilities and services available to students with a disability may be obtained from the Director of Disabled Student Services Office, located in Welch Hall, Room B-250, (310) 243-3660 (voice) or 243-2028 (TDD).

### Office Hours for College of Extended & International Education

The College of Extended & International Education Registration Office is located in the Extended Education Complex, EE 1100, on the west side of the campus just south of Victoria Street. The College of Extended Education is open from 8am-8pm, Monday through Thursday; 8am-5pm on Friday and from 8am-1:30pm on Saturday. The telephone number is (310) 243-3741.

### Library Services

Student identifications cards—available at the Extended Education Office—will entitle you to full use of the Cain Education Resources Center.

### Section 504 of the Rehabilitation Act of 1973

California State University, Dominguez Hills is an equal opportunity/affirmative action institution. As a unit of the university, the College of Extended Education does not discriminate on the basis of race, color, religion, national origin, gender, sexual preference, age, disability or veteran status. This policy is applicable to employment and student admission, and to all educational programs and activities.

### Privacy Information

The University complies with Federal and State laws concerning privacy

rights of students. These rights are summarized in the University Catalog. Questions about privacy rights may be directed to the Dean of Extended Education at **(310) 243-3737** or the Vice President for Student Affairs at **(310) 243-3784**.

### **Use of Social Security Number**

CSUDH provides all students with generic 9 digit student ID numbers. These ID numbers are used to identify student records, registration, and to conduct all University business. However, students are still required to provide the University with their correct social security numbers (individual taxpayer identification numbers) pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student and, if needed, to collect debts owed the University. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. Students who do not have a social security number at the time of enrollment will be required to obtain a social security number and submit it to the University within sixty days. Failure to furnish a correct social security number may result in the imposition of a penalty by the Internal Revenue Service.

### **Immigration Requirements for Licensure**

On August 27, 1996, Governor Pete Wilson issued Executive Order W-135-96 which requested that the CSU and other state agencies implement "as expeditiously as reasonably practicable" the provision of The Personal Responsibility and Work Opportunity Reconciliation Act (PRAWORA) of 1996 Reconciliation Act (PRAWORA) of 1996 (P.L.104-193). The Act, also known as the Welfare Reform Act, included provisions to eliminate eligibility for federal and state public

benefits for certain categories of lawful immigrants as well as benefits for all illegal immigrants.

Students who will require a professional or commercial license provided by a local, state, or federal government agency in order to engage in an occupation for which the CSU may be training them must meet the immigration requirements of the new Personal Responsibility and Work Opportunity Reconciliation Act to achieve licensure. Information concerning the regulation is available from the Vice President of Student Affairs, **(310) 243-3784**.

### **Important Tax Credit Information**

If you are enrolled in an eligible degree or certificate program or are taking courses to acquire or improve job skills, you may qualify for a Hope Scholarship or Lifetime Learning Tax Credit.
