

Attention CHEMISTRY and BIOCHEMISTRY Majors!

The CSUDH Department of Chemistry and Biochemistry encourages all qualified majors to apply for the **Chemistry Angel Scholarship** (\$2000). Applications are accessible online at myCSUDH and the link to apply for scholarships is on the left-hand side under the button labeled "Scholarships". All applications must be submitted by **June 1, 2020**.

The scholarship offers benefits to students in addition to financial assistance. Awardees of one of the scholarships can list their achievement on their resume or curriculum vitae, which is helpful in applying for jobs and/or graduate programs.

Underrepresented and undocumented students are encouraged to apply.

Chemistry Angel Scholarship

The students who are awarded the Chemistry Angel Scholarship will be awarded a total of \$2000 per academic year, renewable for up to 3 years. **Two students will be awarded this scholarship this year.** To be eligible for this scholarship, the student must:

1. Be an undergraduate chemistry or biochemistry major (any option).
2. Qualify to enroll in CHE 110 (have passed CHE 108 or the placement exam) or a higher level Chemistry course.
3. Have at least an overall 2.5 GPA (renewal requires 3.0 GPA).
