I am aware of the fact that...	Initial
I must receive a "C" or better in all coursework required by the major.	
If my GPA falls below a 2.0 at any time I will be placed on academic probation and be required to meet with an advisor to sign a probationary contract outlining specific steps I will agree to follow in order to continue as a student in the major.	
Any deviation from the required coursework must have departmental approval and/or be verified with course substitution forms.	

I understand and agree to the requirements of the major listed above:
