

WHAT IS SMART PLANNER?

<https://www.youtube.com/watch?v=DWQ9idL9-CM>

Smart Planner is an interactive online system that helps students be more proactive with their course planning. The result is a more efficient and engaging experience that gives students a visual presentation of their current academic status and their future path. The intent is to aid students in completing their degree quicker and more effectively.

The screenshot shows the Smart Planner web application interface. At the top, there is a navigation bar with links for "smart planner", "shopping cart", "My Academics", and "course history". Below this, the "Smart Planner" section is visible, including a "Print" button and a "Help Feedback" link. A "Preferences" section is expanded, showing a table of academic preferences for the years 2016 through 2019, with columns for "Term" and "Units". A text box explains that the system needs to know which terms and units are planned to attend to make suggestions. An "EDIT PREFERENCES" button is located below the table. Below the preferences section, there are several tabs: "ARRANGE MY PLAN", "SMART PLANNER REPORT", "WHAT-IF REPORT", "OVERVIEW", "REFRESH SUGGESTIONS", and "CLEAR LOCKS". A note states: "Below you will find course work based on the remaining requirements for your major(s) and minor(s). Please note that not all plans may be available at this time." A table for "Spring 2016" is displayed, showing requirements, notes, critical status, units, course information, and actions like "Select", "Lock", "Advisor Message", and "Remove". The table has columns: Requirement, Notes, Critical, Units, Course, Info, Select Course, Lock, Advisor Message, and Remove. The rows include: MAT 03 Beginning Algebra (3 units, MAT 3 course), GE Area C or D (3 units, Not Selected), ANT 100 or ANT 102 (3 units, Not Selected), GE Area C or D (3 units, Not Selected), and GE Area C or D (3 units, Not Selected). At the bottom, there is an "Add Course" link and a JavaScript snippet: `javascript:submitAction_win0(document.win0,'UA_DT_SS_PLN_DO_UA_DT_PREFS_PB');` with "Units: 15.00" and "Target Units: 16.00".

• HOW TO ACCESS YOUR SMART PLANNER

Log into your myCSUDH portal.

The screenshot shows the myCSUDH portal interface. On the left, there is a 'Signon' section with a 'Username' field containing 'cprado' and a 'Password' field with masked characters. Below these fields is a 'Sign In' button and links for 'Forgot Password' and 'Forgot Username'. Underneath is a 'HELPFUL GUEST LINKS' section with a list of links: 'Newly Admitted Students', 'Activate Account / New User', 'Financial Aid Website', 'About CSUDH', 'Academics Website', 'Admissions Office', 'CSUDH Home Page', 'Future Students', and 'Student Financial Services'. On the right, there is a large red banner for a 'COVID-19 UPDATE' with the text: 'To minimize the campus community's COVID-19, summer and fall courses at conducted virtually and staff will work'. Below the banner is a 'CAMPUS ANNOUNCEMENTS' section with a heading 'Disabled Accounts for Non-Continuing Students' and a paragraph of text: 'The University began to de-commission CSUDH Student network a students who have not been enrolled in the campus or graduated f have no active application with the University, and is not a member Association. These accounts will be disabled as part of our Identity Continuing students, applicants with active applications after students attending classes with the College of Extended and I not be affected. Additional information about continuing student status, registration, be found in the links below.'

Click on "Student Center".

The screenshot shows a 'LAUNCHPAD' menu with a grid of icons. The 'Student Center' icon, which is a yellow square with a white pencil, is circled in red. Other icons include Blackboard (Bb), toroMail (envelope), PTE Survey (document with pencil), Toro Pay (credit card), Title IX Training (ToroMail logo with 'ANY MORE!'), Parking Permits (P and car), ToroLink (OH logo), LinkedIn Learning (in), Toro Success Collaborative (star and person), and YOU CSUDH (triangle logo).

Smart Planner is a planning tool to help you arrange courses to attain your degree goals in a timely manner.

To make the best possible suggestions, Smart Planner needs to know which terms you plan to attend and how many units you plan to take each term. The system initially chooses terms and units based on your progress so far. Please edit your Preferences if they are not correct. You may update Preferences at any time. Additional terms and units are added as a default and may be removed in Edit Preferences.

Please note that the order of courses presented does not guarantee a degree will be awarded by the timeline presented. Be sure to refer to your Academic Requirement Report and meet with your advisor to ensure degree completion.

You have the flexibility to arrange your planned courses based on the load you plan to take each semester by dragging the courses. Keep in mind that it will not allow you to get out of sequence or put courses in semester where a course is not offered.

You may use your major curriculum to help in organizing your courses in the proper sequence.

Note: Smart Planner will initially put the courses in the order suggested based on the curriculum sequence.
