

CDV 496 – Directed Field Experience Checklist

It is the student’s responsibility to assure that all documents are current and included with the application packet. Missing or expired documents will postpone the submission date of our application. Please submit all documents clipped together to the Child Development Department Office in WH A320.

The following items must be submitted with your application:	Student Initials
Capstone Enrollment Form	
Field Experience Enrollment Form	
Advisory Instructions	
Current Tuberculosis Clearance: Reading date should be within one year from the end of your fieldwork.	
Certificate of Clearance from California Commission on Teacher Credentialing or Child Development Permit: Issue date should be within five years from the end of your fieldwork.	
Current Resume	
CDV 496 Checklist	
I am prepared to show evidence of immunization against influenza, pertussis, or measles if the field placement agency requires this documentation.	
I have kept a copy of my TB Clearance, Certificate of Clearance or CDV Permit, and Current Resume to show the field placement agency if needed.	
I verify that I submitted the following items with my application:	
Student Signature:	Date:
