

Master of Science in Counseling

School Counseling option · College Counseling option

Pupil Personnel Services Credential, School Counseling · Child Welfare & Attendance Authorization

The Master of Science in Counseling and the Pupil Personnel Services (PPS) School Counseling Credential program prepares students for careers in a variety of educational counseling settings and with training in specific counseling skills applicable to a diversity of populations and needs. Students choose to specialize in School or College specializations and are able to concurrently pursue the PPS credential, which is required to work as a School Counselor in the public schools. Candidates are trained to promote the academic, personal-social, and career development of multi-cultural and linguistically diverse students in public elementary, middle, and high schools, as well as two and four year colleges. Our program is accredited by the California Commission on Teacher Credentialing to offer both the PPS credential and the Child Welfare and Attendance (CWA) authorization. We stress the importance of self-awareness, reflective examination, and intrapersonal and professional growth to provide a comprehensive preparation in educational counseling.

M.S. in Counseling, School Counseling option (48-51 units):

CWA Authorization: Completion of the PPS credential and CWA coursework (9 units): PPS 557, PPS 558, & PPS 555

Admissions Procedures for the M.S. in Counseling and PPS School Counseling Credential Program

There are two parts to the application: a University application and a Counseling Program application. Both applications must be submitted in full by the deadline in order to be reviewed. Please see application opening dates and deadlines below.

I. **Application to the University:** Apply to the University through Cal State Apply: <http://www.calstate.edu/apply>

- The University application should be completed two weeks *prior* to the Program app., to receive a student ID #.
- When setting-up your Student Profile, select “Graduate, including Credential and Certificate Programs” for the level of degree you are seeking; select “Master’s degree or higher” for the type of degree; and select “No” on the question “Have you previously attended a CSU campus and returning to complete that earlier program?”
- When asked for a Statement of Purpose, state: “sent directly to program”. You will include your complete statement of purpose within the Program application instead.
- When asked for Supporting Documents, please click on "I Am Not Adding Any Documents". All supporting documents must be submitted with the Program application instead.
- When asked for Letters of Recommendation, only include the names of your referrers and follow the Program application’s requirements listed below for letters of recommendation.
- Submit one official sealed set of transcripts for all undergraduate and any post-graduate work to the CSUDH Admissions Office

II. Application to the Counseling Program

Apply to the Counseling Program through the College of Education’s website: <http://www.csudh.edu/coe/apply>

Please note that you cannot start or submit a program application until the system “opens” for the upcoming term.

Opening application dates and the corresponding deadlines are as follows:

	Program App. Opening Date	Application Deadline
Fall admissions	December 1	February 1
Spring admissions	August 1	October 1

Program Application Requirements:

- a. Online Program application with \$50 fee payable to CSUDH.
- b. Electronically upload official transcripts showing Bachelor’s degree (from a regionally accredited university) and any graduate work (these transcripts are in addition to those required by the Admissions Office). Exception: CSUDH students and alumni do not need to order CSUDH transcripts, but would still need to do so from other institutions.
- c. A minimum grade point average of 3.0 or better in all coursework (or a minimum combined score of 300 on the Graduate Record Examination (GRE) (Revised) Verbal and Quantitative Tests).
- d. Three (3) letters of recommendation. List three professionals who can evaluate your potential for graduate study as a school or college counselor, such as employers, supervisors, and professors (not from personal sources such as family, friends, or clergy). Your referrers will then be contacted directly by the program to request that letters of recommendation be submitted on your behalf. Letters must be written specifically for the Counseling program within one year prior to application date.
- e. Statement of Purpose (3-5 page *min.* double spaced): Your statement should include: a comprehensive profile of yourself as a prospective counselor; a description of relevant educational, occupational, and personal experiences that have contributed to your personal development and your decision to become a counselor; both personal strengths and areas you have identified for growth; your perception of the role of a school or college counselor; and why you believe you would be successful in this position based on your interpersonal qualities and interests.
- f. ALL applicants must possess *either* a valid Certificate of Clearance or a CA teaching or substitute credential. For information on how to obtain a Certificate of Clearance go to: <https://www.ctc.ca.gov/credentials/submit-online>
- g. Personal interview: All applications will first be reviewed by the admissions committee to select a final round of applicants for small group interviews. Applicants who are selected for interviews will be contacted within a month following the application deadline for an interview. Invited applicants are expected to attend the interview as it is a required component of the application.
- h. If you are applying to the PPS credential, you must enclose proof of meeting the CA basic skills requirement (e.g., CBEST). If you are only applying to the M.S. degree, the CBEST is not required.
- i. The CWA Authorization and College Counseling Certificate are only open to *current students and program alumni*.
