PRESIDENT'S WELCOME

Dear Graduates,

Commencement is a special moment for our entire university community. Today, we acknowledge and pay tribute to each of you and your academic accomplishments. I encourage you to celebrate and take pride in your unique journey and academic achievement, and recognize and appreciate those who made this special moment possible.

The first CSU Dominguez Hills commencement ceremony in 1967 honored four graduates. This year, more than 4,000 graduates from six different colleges join almost 95,000 alumni who are transforming the economic, educational, cultural, and political aspects of our region and beyond. I am confident each of you will make your own mark, forging new and exciting paths filled with the promises and possibilities a CSU Dominguez Hills education and degree provides.

In whatever path you take, whether advancing career aspirations or pursuing new academic goals, I wish each of you continued happiness and success and hope you reflect warmly on your time at CSU Dominguez Hills. I also encourage you to maintain an active connection with your alma mater and reap the benefits of continued engagement with the university while serving as mentors and advocates for new students.

Finally, know that wherever life takes you, you will never be without CSU Dominguez Hills. You forever have our support, you forever have our respect, and you forever are a Toro.

Make us proud.

Dr. Willie J. Hagan, *President*
California State University, Dominguez Hills

CHANCELLOR'S MESSAGE

Dear Class of 2016,

Congratulations on your incredible achievement.

During your time at the California State University, you and your colleagues faced challenges that tested your character, knowledge, beliefs and skills. Your faculty pushed you to examine your understanding of the world and to ponder humanity's most fundamental questions. Your counselors, advisors, librarians, tutors, coaches and support staff built the environment for you to answer these questions and to be deliberate and consequential in your words and actions. Your family, friends and colleagues reinforced your drive for success, helping you along your academic path, and provided the support required for your accomplishments today.

These people—your champions—deserve our utmost admiration and appreciation, and I know that they join me in celebrating your achievements.

Your hard work and sacrifices will continue to pay dividends far beyond today's celebration. Your lifetime of successes will lift up you and your family, as well as your community and nation.

Today, you will join a diverse family of CSU alumni that are finding new ways to solve our greatest challenges, educating the next generation of students, fighting for equality and social justice, and creating sustainable opportunities for economic prosperity. And, as a fellow alumnus, I am honored to welcome you to the CSU alumni family which is more than three million strong.

Thank you for all that you have done—and will do—for this university, California and the world.

California State University, Dominguez Hills is located on a site rich in California history: the 346-acre campus sits on a portion of California's first Spanish land grant—Rancho San Pedro. Granted to Juan José Dominguez for grazing cattle in 1784, the rancho at one point spanned 75,000 acres, from current-day San Pedro to Compton, Manhattan Beach to Long Beach and Paramount.

The need for a campus in the South Bay region of Los Angeles County became apparent in the late 1950s, fueled by the growth of the aerospace industry and the post-World War II baby boom. In response, the California State Legislature authorized the establishment of South Bay State College, and Governor Edmund G. (Pat) Brown signed it into law on April 29, 1960.

Planning for the college began in 1961 with the selection of Leo F. Cain as the first president. The following year, prominent L.A. architect A. Quincy Jones was chosen to design the campus. With Palos Verdes as their preferred location, trustees of the California State College system renamed the college California State College at Palos Verdes in 1963, and President Cain and a planning committee began developing a dual-major “small college” interdisciplinary curriculum, drafting a master plan, and hiring an administration, staff and faculty.

Despite a decision on a permanent home—sites in Torrance, Fox Hills in Culver City, and former Rancho San Pedro land known as Dominguez Hills were under consideration—CSC Palos Verdes opened its first fall quarter in a California Federal Savings Bank in Rolling Hills Estates in fall 1965. The schedule of classes consisted of one page offering about 10 classes. Between 40 and 50 students were taught by 11 faculty members.

The fledgling college began during a turbulent time for Los Angeles. For six days that August, the Watts Rebellion devastated a community, bringing longstanding grievances and inequities to light. During a tour of Watts, Gov. Brown asked to see the Dominguez Hills site just over five miles to the south. He is quoted as saying the location would provide greater access to higher education for the region's minority population. Soon after, the trustees approved purchase of the land and renamed the college yet again.

From its beginnings to today, California State University, Dominguez Hills has prided itself on being a diverse community of learners and educators committed to changing lives and communities for the better. The university provides a wide range of outstanding academic programs and opportunities to approximately 15,000 students annually.

Today, nearly 50 years since its first commencement with four graduates, the university confers more than 4,000 degrees annually and counts more than 95,000 individuals as alumni. Our graduates leave with the skills that enable them to become leaders and productive citizens of a diverse and global society.

KEYNOTE SPEAKER

GARY D. RADINE

PRESIDENT AND CEO (RETIRED),
DELTA DENTAL OF CALIFORNIA AND AFFILIATED COMPANIES

CLASS OF '77, M.A., APPLIED BEHAVIORAL SCIENCE

Gary D. Radine is the just-retired president and CEO of Delta Dental of California, of Pennsylvania, of New York, and a related holding company (Dentegra Group), which consists of their affiliates in a total of 15 states plus the District of Columbia and Puerto Rico.

Mr. Radine's career with Delta Dental includes 37 years at the CEO level. As head of Delta Dental of Pennsylvania and Delta Dental of New York, he brought total revenues for the two companies from \$4 million in 1978 to \$500 million by the year 2000. In 2001, he became president and CEO of the new holding company formed by Delta Dental of California and the Delta companies in Pennsylvania and New York, and Delta Dental Insurance Company, the latter primarily in the southern U.S. Under his leadership, total revenue for the holding company and its member companies has grown from \$3 billion to \$8 billion, and enrollment has increased by 19 million people, with total enrollment now at 35 million.

During the last decade, Mr. Radine has spearheaded a multi-year technology overhaul to provide a cutting-edge computer platform throughout the enterprise; centralized advertising and marketing initiatives to increase brand recognition; and consolidated claims processing and call center operations in three major processing centers throughout the country, and opened a subsidiary in Mexico now covering over a million people.

Mr. Radine earned his bachelor's degree in public relations from San Jose State University and a master's degree in applied behavioral science from California State University, Dominguez Hills. He has also completed postgraduate work at the University of Georgia and Stanford University. For eight years in the 1970s, prior to his joining the Delta Dental system, Mr. Radine served as dental care director for the California Dental Association.

KEYNOTE SPEAKER

ARTURO DELGADO, ED.D.

SUPERINTENDENT OF SCHOOLS, LOS ANGELES COUNTY OFFICE OF EDUCATION

Arturo Delgado, Ed.D., was appointed Los Angeles County Superintendent of Schools by the Board of Supervisors in 2011, designating him as the top education leader of the nation's most populous and diverse county. As county superintendent, he is responsible for ensuring the financial and academic stability of 80 K-12 school districts, which serve more than 2 million preschool and school-age children.

Previously superintendent of the San Bernardino City Unified School District for 12 years, Delgado now serves as chief executive officer for the Los Angeles County Office of Education (LACOE), and as secretary to the County Board of Education. Among his top priorities is to improve educational programs and opportunities provided by LACOE to youth detained in the county's juvenile detention facilities.

Born and raised in Los Angeles, Delgado began his education career more than 33 years ago as a bilingual teacher in the Baldwin Park and Rowland Unified School Districts. He has received numerous awards for institutional and community leadership, including Educator of the Year by Hispanic Heritage Magazine.

Delgado earned his Doctor of Education in educational administration from the University of La Verne, and Master of Arts in educational administration and Bachelor of Arts in liberal studies from California State University, Los Angeles.

ACADEMIC REGALIA

The tradition of wearing academic gowns, mortarboard caps, tassels and hoods and the carrying of the University Mace originated in Europe during the middle ages and has been an integral feature of American academic tradition since the end of the nineteenth century. The gown is held to be an adaptation of the robe of the friar or priest; the hood, the monk's cowl; and the mortarboard cap recalls the skull cap.

For each of the degree levels, bachelor's, master's and doctoral, the gown sleeves indicate the degree held by the wearer. The bachelor's gown is a yoked, closed-front garment with long, pointed sleeves. The master's can be worn open or closed and has long sleeves, usually closed but slit above the elbow. The doctoral gown has full, bell-shaped sleeves and is trimmed with velvet panels down the front and has velvet bars on each sleeve. The color of the panels and bars is often varied to indicate the academic discipline in which the doctoral degree was earned. The length and shape of the hood also indicate the highest degree earned by the wearer. The color of the velvet border on any hood indicates the wearer's field of study.

Color is an important element of all academic ceremonies. In academics, the colors used to symbolize degrees earned and areas of study are referred to as "faculty colors." They are displayed on doctor's gowns, edgings of hoods, and tassels on caps. The official faculty colors are:

Agriculture – Maize	Music – Pink
Arts and Letters – White	Nursing – Apricot
Business, Accountancy, Commerce – Drab	Oratory (Speech) – Silver Gray
Dentistry – Lilac	Pharmacy – Olive Green
Economics – Copper	Philosophy – Dark Blue
Education – Light Blue	Physical Education – Sage Green
Engineering – Orange	Public Administration – Peacock Blue
Fine Arts – Brown	Public Health – Salmon Pink
Forestry – Russet	Science – Golden Yellow
Journalism – Crimson	Social Work – Citron
Law – Purple	Theology – Scarlet
Library Science – Lemon Yellow	Veterinary Science – Gray
Medicine – Green	

SYMBOLS OF OFFICE

THE MACE

The University Mace is a symbol of the legal and chartered authority of the president of the university. When the mace is present, the authority of the university is present. Carrying the University Mace is an immense honor reserved for a highly distinguished faculty member.

THE PRESIDENTIAL CHAIN

The University Seal forms the centerpiece of the ceremonial chain worn by the president of the university. Nine gold medallions, each inscribed with the name and years of tenure, represent a prior president of the university and form a chain symbolizing the continuity of university traditions. A crest inscribed with the name of the current president of the university sits at the base of the chain, linking the chain of medallions to the University Seal. The Presidential Chain was first presented to CSU Dominguez Hills President Herbert L. Carter at the 1999 Commencement.

ALMA MATER

CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS

*O give us wings to fly, to spurn our night;
Where, Earthbound, we aspired to don the wings of joyous flight
Let friendships soar in human harmony!*

Chorus:

*With lifted voice, uplifted voice, we dedicate to thee,
Dominguez Hills, Dominguez Hills,
Our love and loyalty.*

*Inspire the hearts of all who value truth,
