California State University
Dominguez Hills ANNUAL SECURITY REPORT

MESSAGE FROM UNIVERSITY POLICE DEPARTMENT'S CHIEF OF POLICE

The California State University, Dominguez Hills Police Department (UPD) is committed to assisting all members of the California State University, Dominguez Hills (CSUDH) community in providing for their safety and security. As part of this responsibility, this document has been compiled in compliance with federal law (the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act); the 2008 Revision to the Higher Education Opportunity Act, and California Education Code section 67380, which informs members of the community of institutional policies concerning campus security (including University Police law enforcement authority, crime reporting policies, alcohol, and drug use, crime prevention, sexual assault and other matters of related importance); and the Violence Against Women Reauthorization Act of 2013 (VAWA), which amends the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act, commonly known as the Clery Act, under the Campus Sexual Violence Elimination Act provision (i.e., the Campus SaVE Act).

This report contains statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings, or in property owned or controlled by California State University, Dominguez Hills; and on public property within or immediately adjacent to and accessible from, the campus. This report is available to the CSUDH community both online at https://www.csudh.edu/dhpd/clery/security-report/ and in person at the University Police station.

PREPARING THE ASR

The Chief of Police and the Clery Coordinator prepare this report to comply with the Clery Act. The report is prepared in cooperation with University Housing, the Division of Student Affairs/Dean of Students, Human Resources, Faculty Affairs, Athletics, International Student Programming, Counseling Services, the Student Health Center, and the Title IX Office. These partners provide crime statistics and policy related information for Clery Act reportable crimes, hate crimes, and violations of state and local drug, liquor, and weapons laws occurring within Clery Geography where arrests or referrals for discipline were made.

HATE CRIMES

A hate crime is a criminal offense committed against a person or property, which is motivated in whole or in part by the offender’s bias. Hate crimes includes any offense in the following group: murder and non-negligent manslaughter, sexual assault including rape, fondling, incest and statutory rape, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property.

Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation, ethnicity, or national origin.

Hate crime reporting is considered for all Clery geography including on-campus, residential facilities, non-campus buildings or property, and public property.

[2017] – There were no reported hate crimes.
[2018] – There were no reported hate crimes.
[2019] – There were no reported hate crimes.

REPORTING CRIMINAL ACTIONS & EMERGENCIES

To report a crime or other emergencies:

Contact University Police at (310) 243-3333 or dial 9-1-1 in an emergency, or utilize one of the Blue Light emergency telephones located throughout campus, contact a police officer on patrol. All crimes or suspicious activity/persons should be reported to the University Police immediately.

A confidential "We Tip" line is also available at (310) 243-3980. Confidential digital reporting is also available through the University Police website. Crimes should be reported to the University Police for the purpose of making timely warning reports to the community and for disclosure in the annual crime statistics.

The Department will respond by taking the following action(s) as necessary:

- Dispatch a police officer(s) and/or the Los Angeles City Fire Department to the scene;
- Investigate the incident;
- Take appropriate action(s) to identify, apprehend, and prosecute the person(s) responsible;
- Notify or request the assistance of other law enforcement and/or other agencies and university resources when necessary; and/or,
- Make appropriate campus notifications.
TIMELY WARNINGS

The university will issue a timely warning as soon as pertinent information is available when a Clery reportable crime is reported to UPD or a designated campus security authority, occurred in a Clery defined geographical area, and a case by case analysis of pertinent facts known is completed and a determination is made an on-going or continuing threat to the community exists.

The Chief of Police is responsible for the decision to issue a timely warning (or a management designee in the absence of the Chief) and will confer with the Clery Director if one is designated by the campus and available, upon receiving a report of an incident reported to a Campus Security Authority (CSA) and/or UPD. The Chief of Police, with the Clery Director if one is appointed and is available, will complete a case by case analysis utilizing open communication and collaboration analyzing the reported crime, the known pertinent facts of a reported incident, and determine whether the incident meets all of the following factors: 1) is a Clery reportable crime; 2) occurred in Clery defined geography; and 3) poses a serious or ongoing threat to the community.

If it is determined that any of the three factors are not met, then no timely warning will be issued. If it is determined that all three factors are met, the Chief of Police (or management designee is the absence of the Chief) will determine the content of the timely warning bulletin, disseminate the timely warning expeditiously in a manner likely to reach the entire campus community utilizing one or more, and not limited to, the following methods to issue the timely warning bulletin:

- All employee and student e-mail distribution
- University website
- Public area video display monitors
- Hard copies posted on-campus building entrance doors

For clarity to the community, when a timely warning is issued, it will be titled “Timely Warning Crime Bulletin” and include the following:

- A statement that the Timely Warning Bulletin is being issued in compliance with the Jeanne Clery Act and the purpose is to provide preventative information to the campus community to aid members from becoming the victim of a similar crime.
- The Clery Act reportable crime that occurred
- The date, time, and location the crime occurred
- The date the Timely Warning Bulletin is issued
- A description of the suspect and name if known, when the suspect is at large and evading apprehension and/or law enforcement is seeking assistance from the public to locate
- Preventative information specifically related to the type of crime which occurred that could help others from becoming the victim of a similar crime

The Timely Warning Bulletins will not include, under any circumstances, the name of the victim or information so specific that would or likely could identify the victim of the crimes of sexual violence to include rape, dating violence, domestic violence, or stalking. Issuance of timely warnings will be delayed only if the issuance would compromise the apprehension of the suspect or compromise the ability of law enforcement to investigate the
crime. Note: all publicly available record keeping will be maintained without the inclusion of personally identifiable information about the victim.

VOLUNTARY CONFIDENTIAL REPORTING

Pursuant to California Education Code section 67380(a)(6)(A), CSAs who receive reports from employees or students of a Part I violent crime, sexual assault or hate crime that occurred in an on or non-campus location as defined by the Clery Act, may not disclose to UPD or local law enforcement agencies the names of the victims or the alleged assailant, unless the victim consents to disclosing their name after being informed of their right to have their personally identifying information withheld. The name of the alleged assailant may be disclosed, however, if all of the following conditions are met:

i. The alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution; and

ii. The immediate assistance of the local law enforcement agency is necessary to contact or detain the alleged assailant.

While all campuses encourage members of their community to promptly report all crimes to UPD, campuses do have policies requiring confidential, exempt sources defined in the Clery Act (Professional and Pastoral Counselors) to report information disclosed to them of a crime in a confidential session. All confidential exempt sources are encouraged to provide victims of all options and support resources for reporting crimes on campus for administrative or criminal investigation and action.

SECURITY OF AND ACCESS TO CAMPUS FACILITIES

The California State University, Dominguez Hills University Police Department provides 24-hour patrol of University property, including academic and administrative buildings, parking lots, and residence halls. Security and safety conditions on campus are continually evaluated by members of Environmental Health and Safety, Facilities Services, and University Police Department personnel.

Most campus buildings and facilities are accessible to members of the campus community, guests, and visitors, Monday through Saturday until 10 p.m., and as certain special events dictate. The University recognizes that there will be some need for after-hour and weekend access to buildings. Anyone working late or on weekends should notify the University Police Department. Some offices, labs, computer rooms, and other areas of campus have alarms. All staff and faculty are encouraged to secure offices and classrooms. Access to University housing apartments is limited to residents, guests, and University staff.

LAW ENFORCEMENT AUTHORITY

California State University, Dominguez Hills University Police Officers are vested with full law enforcement powers of arrest and meet or exceed training mandated by the California Commission on Peace Officers Standards and Training, as well as training designed to meet the needs of the university community. As state peace officers, they are graduates of a California Peace Officers Standards Training Academy. All sworn employees have been trained in first aid, CPR, and AED. University police officers are vested with full law enforcement powers and responsibilities, identical to the local police or sheriff departments in your home community, and are authorized to enforce all regulations on the university campus and an immediate one-mile
radius. California Penal Code 830.2 (c) states the following persons are peace officers whose authority extends to any place in the state: A member of the California State University Police Departments appointed pursuant to Section 89560 of the Education Code, provided that the primary duty of the peace officer shall be the enforcement of the law within the area specified in Section 89560 of the Education Code. University Police Department police officers enforce California State University policies, California state laws, as well as Federal laws.

It is the policy of the CSU Dominguez Hills University Police Department to comply with applicable federal, state and local laws. In keeping with this requirement, a memorandum of agreement (MOA) has been crafted with the Los Angeles County Sheriff’s Department. The Department prepares and submits a monthly Uniform Crime Report to the California Department of Justice and the Federal Bureau of Investigation. The Department also enters reported stolen vehicles and property with serial numbers into the National Crime Information Center computer, allowing for recovery throughout the United States.

As an active member of the criminal justice system, the University Police Department interacts and cooperates with other state and local law enforcement agencies. Cases are filed with the Los Angeles County District Attorney. Information may also be given to the Office of the Vice President for Student Affairs for internal judicial process involving students.

The University requests that all crimes or suspected crimes be reported accurately and promptly to the University Police Department and/or the appropriate law enforcement agency where the crime occurred, to include when the victim elects to or is unable to make a report.

Two police investigators are assigned full-time to follow up on crime and incident reports. They are responsible for follow-up investigations, apprehending suspects, recovering property, preparing cases for filing, and making crime prevention recommendations.

There are very limited circumstances in which investigators of the University Police Department may remove reports of crime that have been determined as “unfounded.” "Report Unfounded" shall only be indicated within the department’s records management system when:

- The crime or incident alleged in the original report did not occur, or did not occur in the Department's jurisdiction.

- The same crime or incident has been reported more than once. (The most accurate and thorough crime report shall be retained. Any additional report should be unfounded).

"Specific intent” is a necessary element of the original crime, and the district attorney, city attorney or Investigations Unit commander determines that investigative efforts have failed to prove that specific intent exists.

SECURITY PROCEDURES AND PRACTICES

Members of the CSUDH community must take responsibility for their own personal safety, the safety of others, and their property (when possible), as they do when away from the University. Members of the community are strongly encouraged and reminded by the University Police to:
· Promptly report all crimes and suspicious persons or activity to University Police.

· Always be aware of your personal safety and your surroundings.

· Never leave your property unattended lock windows to your car, office, and residence.

· Keep all valuables with you or leave them at home.

· Walk on well-traveled pathways and in well-lit and populated areas. Walk with friends or groups when possible.

· Call the University Police for a safety escort if you feel afraid or need to walk in isolated areas or at times when areas are unpopulated or closed.

· Engrave owner identification numbers onto electronics and items of value and keep a list of serial numbers and description of property and provide it to the Police in the event your property is stolen.

· Use the internet wisely and never send money or provide personal identifying information, credit card information, or bank information to someone you do not know or to a company or person you did not initiate contact with on your own (such as Airlines, Department Stores, Amazon, etc.).

NOTE: Even if the incident, absent the element of specific intent, is still a crime, the original report shall be reclassified to that crime. All reported Clery crimes determined as “unfounded” and subsequently withheld from the reported crime statistics are disclosed within the Crime Statistics section of this Annual Security Report.

CRIMINAL ACTIVITY AT NONCAMPUS LOCATIONS OF STUDENT ORGANIZATIONS

Crimes at other University-owned or operated locations, and classes held at non-campus locations are the responsibility of the law enforcement agency in those areas. Crime statistics for these locations are included in this report under "non-campus property." The University Police may also respond to crimes in progress at these locations, depending upon the nature of the crime and the proximity to the campus. Crime reports and statistics for these locations are maintained by the local law enforcement agency; however, they are requested and included in this report as required by law.

ALCOHOL AND DRUGS

University Police Officers enforce laws regulating the use of alcoholic beverages and underage drinking. CSUDH is committed to maintaining a safe and healthy environment for the campus community. Alcohol and other drugs should not interfere with the University’s educational mission. All CSUDH students, faculty members, staff members, and administrators are subject to local, state and federal laws regarding the unlawful possession, distribution, or use of alcohol or illegal drugs.

Presidential Memorandum PM99-04, Section 5 (https://www.csudh.edu/Assets/csudh-sites/pm/docs/1999-04.pdf) outlines campus policy on alcohol and drugs: The unlawful manufacture, distribution (by either sale or gift), dispensing, possession or use of alcohol or a controlled substance is prohibited anywhere on the campus of California State University, Dominguez Hills. Actions that will be taken against those who violate this prohibition are delineated elsewhere in this policy. For the purpose of this policy, the term “controlled substance” has the meaning given such term in Section 102 of the Controlled Substances Act (21 U.S.C. 802) and includes, but is not limited to, marijuana, cocaine, cocaine derivatives, heroin, “crack,” amphetamines, barbiturates, LSD, PCP, and substances typically known as “designer drugs” such as “ecstasy” or “eve.” Possession of paraphernalia associated with the illegal use, possession, or manufacture of a controlled substance is also prohibited. The illicit use of alcohol is also included in this policy.

Alcohol

The purpose of the policy is to regulate the possession and consumption of alcohol on campus by members of the University Community and by recognized University organizations and departments. The privilege of consuming beer or wine is extended with the expectation that these activities are to be held under conditions which complement the orderly operation of the University. Off campus groups and organizations contracting with the University for use of facilities are also subject to these regulations.

The possession, sale, and serving or use of distilled spirits on campus is prohibited at all times except within the privacy of individual living units in University Housing. The possession, sale, serving or use of beer or wine on campus is also prohibited at all times, except as allowed under the alcoholic beverage license managed by the CSUDH Foundation Campus Dining Services or within the privacy of individual living units in University Housing.

The use of alcoholic beverages must be in compliance with California state law and is strictly limited to persons 21 years of age or older. The possession, transportation, and/or consumption of alcohol by individuals under 21 years of age is strictly prohibited. Students who are 21 or older may consume alcohol within the privacy of their own room or apartment and without the presence of a minor. In such cases, the doors must be closed and all other policies governing noise and other common courtesies must be followed. No one, regardless of age, may have an open container of alcohol in a public area of the campus, including grounds and parking lots, at any time. No kegs or other communal sources of alcohol are permitted in or around University Housing. It is not appropriate within any Housing facility to plan, host, or attend any group event or activity, which includes alcohol use. University Housing residents are responsible for their own actions as well as the actions of their guest(s).
University Housing residents are given a University Housing Handbook and are responsible for the information contained within that handbook. This handbook is available at the "A" building in University Housing.

Drugs

The University Police strictly enforce Federal and State laws, as well as the University’s zero-tolerance policy, for the use and sale of illegal drugs. Violators are subject to University discipline, criminal prosecution and removal from University housing. Students found in violation of University alcohol, drug and weapons policies may be subject to academic probation, suspension or expulsion. Parents or guardians may be notified about any disciplinary violation involving alcohol or a controlled substance which has been committed by a student who is under the age of 18. Employees found in violation are subject to disciplinary sanctions, up to and including termination.

Federal law, state law, and University policy prohibit the solicitation, procurement, sale, or manufacture of narcotics or controlled substances except as expressly permitted by law. Any student known to be possessing, using, or distributing drugs is subject to serious University disciplinary action and arrest under federal and state laws. Students suspected of using drugs (because of odor, behavior or by information brought to the attention of staff) will be documented and subject to a disciplinary action.

Disciplinary Sanctions for Alcohol and Drugs

In addition to legal sanctions, students who violate University policies on alcohol and drugs are in violation of the Student Conduct Code and may be subject to discipline pursuant to Executive Order 1098, (https://calstate.policystat.com/policy/8453518/latest/)

While a minor first infraction may result in a warning, subsequent infractions will result in substantial sanctions up to and including expulsion.

While students possessing legally prescribed marijuana may be free from criminal prosecution under California law, they are, nonetheless, required to adhere to the Student Conduct Code. Students who are in possession of legally prescribed cannabis are not exempt from the University’s prohibition against the manufacture, possession, or use of marijuana on campus, or off campus while on university business or participating in University sponsored functions.

- Residents living on campus in residential facilities are subject to community standards of conduct. Repeated violation of alcohol and other drug policies in residential facilities constitute a breach of the housing lease, which could result in the imposition of various sanctions, up to and including the cancellation of the lease agreement.

- Student athletes are subject to strict prohibitions against the unauthorized use of alcohol and other drugs while on or off-campus and in any way that influences performance or preparations therefore. Violation of the policies and standards of student conduct as issued by the Department of Intercollegiate Athletics constitutes grounds for disciplinary action as determined by the Department, up to and including the termination of status as an athlete. For further information about the rules of student conduct, contact the Director of Intercollegiate Athletics.

Employees who violate University policies on alcohol and other drugs shall be subject to warning or discipline, up to and including termination, in accordance with the processes administered by the Office of Human Resource Services or the Office of Faculty Affairs.

Resources – Alcohol and Drugs

Campus Life Policies may be found on the Student Affairs website under the section on Rights and Responsibilities. These policies are also published in the "Students Rights and Responsibilities Handbook" by the Office of Student Development. The Campus Life Policies includes policies on possession and consumption of alcohol, amplified sound, anti-hazing, campus events, alcohol and substance abuse, campus smoking, casino night, dance policies and procedures, free drawing, free speech area, gambling, outdoor programming, posting policy, and unsupervised minors.
The University has established programs that serve to raise the level of safety awareness on the campus community. These programs include:

- New Student Orientation Program (Each Semester)
- Resident Advisors Training Program (Each Semester)
- Residence Hall Meetings
- Alcohol and drug abuse programs (Drug awareness and DUI prevention)
- On-Line Intervention Tools: Info available through Police and Residential Life
- Disciplinary Probation

Employee Assistance Program (EAP): Whether the source of the problem is psychological, chemical, marital, family or workplace related, this service puts an employee or their dependents in touch with a skilled counselor who has training and experience in helping people. Counseling may range from a no- cost support group to private counseling. When assistance is requested, no information is reported to supervisors, deans, chairs, or the Human Resources Department.

**SEXUAL HARASSMENT, SEXUAL ASSAULT, DATING/DOMESTIC VIOLENCE, AND STALKING**

The California State University does not discriminate on the basis of sex, gender, including gender identity or expression, or sexual orientation in its education programs or activities. Title IX of the Education Amendments of 1972, and certain other federal and state laws, prohibit discrimination on the basis of sex, gender, or sexual orientation in employment, as well as all education programs and activities operated by the University (both on and off campus), and protect all people regardless of their gender from Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Assault, Sexual Battery, Rape, Incest, Dating Violence, Domestic Violence, and Stalking.

The University seeks to provide an education environment in which students, faculty, and staff work together in an atmosphere free of Sexual Harassment. Every member of the University community shall be aware that Sexual Harassment, and/or acts of violence with a sexual nature directed toward another person will not be tolerated and are prohibited by federal and state law and University policy. As members of the University community, students shall comply with University policies and guidelines in addition to federal, state, and local laws whether on or off campus. The University will promptly respond to and investigate complaints of Sexual Harassment, Sexual Misconduct, Sexual Assault, Sexual Battery, Rape, Incest, Dating Violence, Domestic Violence, and Stalking. After an unbiased investigation, the University will enact discipline if a person is found responsible for Sexual Harassment, Sexual Assault, Dating Violence, Domestic Violence, or Stalking as described in University policies, Executive Order 1096 and 1097, including Addendums A and B.

The University is committed to responding to incidents by providing ample supportive services, and encouraging their choice of action, regardless of a student’s decision to seek an administrative investigation or criminal prosecution. University personnel will assist students in notifying the appropriate law enforcement authorities when requested.
In an ongoing effort to prevent Sexual Harassment, Assault, Dating Violence, Domestic Violence and Stalking, the University provides education and prevention programs, investigates complaints, dispenses corrective or disciplinary action where appropriate, provides referrals for medical care/counseling, modified classes, reduced course loads, campus housing changes, work assignment assistance, stay away orders, leaves of absence, and more. The University also provides information to victims on pursuing criminal action and obtaining protective orders if needed. University officials who are responsible for investigating and/or adjudicating cases of Sexual Misconduct, Dating Violence, Domestic Violence, and Stalking receive annual training for compliance with federal, state and CSU system regulations.

PREVENTION, EDUCATION, AND AWARENESS

CSU Dominguez Hills provides a variety of evidence-informed prevention education and awareness raising programs to students, staff, administrators, and faculty aiming to prevent sexual harassment, sexual assault, dating violence, domestic violence, and stalking. Through cross-campus collaboration, 31 CSUDH staff, faculty and administrators are certified Green Dot workshop trainers and provide in-person sexual assault prevention education workshops by request. More information about Green Dot can be found here: www.csudh.edu/CAPE

Every Fall semester, all students must participate in the online Not Anymore (from Vector Solutions), a sexual assault, dating/domestic violence, and stalking prevention education training. If they do not participate, a hold will be placed on their student account and they will not be able to register for Spring Semester. All staff, administrators, faculty, and student employees must participate in the CSU’s Sexual Misconduct Prevention Program (Title IX) online through CSULearn every year mandated by the CSU Chancellor’s Office or their division Vice Presidents are notified. More information about prevention education trainings can be found here: www.csudh.edu/gei/education-training/

This programming:

- Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;
- Defines what behavior constitutes domestic violence, dating violence, sexual assault, and stalking using definitions provided both by the Department of Education and state law;
- Defines what behavior and actions constitute consent to sexual activity in the State of California and/or using the definition of consent found in the Student Code of Conduct if state law does not define consent;
- Provides a description of safe and positive options for bystander intervention. Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene;
- Information on risk reduction. Risk reduction means options designed to decrease perpetration and bystander inaction and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.
- Provides an overview of information contained in the Annual Security Report in compliance with the Clery Act.
Additional ongoing prevention education programs include:

**DEFINITIONS**

Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Assault, Sexual Battery, Rape, Incest, Dating Violence, Domestic Violence, and Stalking are prohibited by the University. Policy definitions are contained in Executive Orders 1096 and 1097, including Addendums A and B. Policy definitions are derived from the local jurisdiction, and based on the California Penal Code, the California Family Code, and the California Evidence Code. In some instances, these definitions may differ slightly from the federal definitions set forth in the next section for mandatory crime statistic reporting. For reportable crime statistics, the Clery Act regulations mandate definitions from the Federal Bureau of Investigation's (FBI's) Uniform Crime Reporting (UCR) Handbook.
For updated Policy Definitions under Executive Order 1096 (employees and third parties), including Addendums A and B, please visit: https://calstate.policystat.com/policy/8453514/latest/
For updated Policy Definitions under Executive Order 1097 (students), including Addendums A and B, please visit: https://calstate.policystat.com/policy/8453516/latest/

PROCEDURES FOR REPORTING A CRIME OF SEXUAL VIOLENCE/SEXUAL MISCONDUCT

Call 9-1-1 in any kind of emergency, or when facing immediate harm or threat of harm.

Persons who have experienced Sexual Misconduct, including Rape, Dating Violence, Domestic Violence, or Stalking, are encouraged to seek immediate assistance from police and healthcare providers for their physical safety, emotional support and medical care. University or local police can escort victims to a safe place and transport them to a hospital for medical treatment, if needed. University police can also provide access to a Sexual Assault Victim Advocate. Victims who prefer not to notify the police, are strongly encouraged to seek assistance from the campus Title IX Coordinator and/or a Sexual Assault Victim Advocate or counselor who can provide information on options, rights and remedies.

The Title IX Coordinator annually provides the written explanation of Rights and Options for Victims of Sexual Misconduct, Dating or Domestic Violence, or Stalking (Attachment C in Executive Order 1095) to all members of the campus community including Sexual Misconduct, Dating or Domestic Violence, or Stalking victims. This includes information on preservation of evidence, how and to whom to report the alleged offense, the options available regarding and involving law enforcement and campus authorities (including notification of law enforcement authorities, being assisted by campus authorities in notifying law enforcement if the victim chooses, and declining to notify the authorities), and notification of the rights of victims to seek orders of protection and request “no-contact” orders, and restraining orders.

Victims have the right to decide who and when to tell about Sexual Misconduct, Dating and Domestic Violence, and Stalking. However, it is very important that they get medical attention after being assaulted. Following the incident, a victim may be physically injured, may have contracted a sexually transmitted disease, or may become pregnant.

The University’s primary concern is the safety and well-being of every member of the campus community. The use of alcohol or drugs never makes the victim at fault. If a campus community member has experienced Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking they should not be deterred from reporting the incident out of a concern that they might be disciplined for related violations of drug, alcohol, or other University policies. Except in extreme circumstances, University students or employees who are victims of Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking will not be subject to discipline.

The University encourages victims of Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking to talk to someone about what happened – so they can get the support they need, and so the University can respond appropriately. Whether – and the extent to which – a University employee may agree to maintain confidentiality (and not disclose information to the Title IX Coordinator) depends on the employee’s position and responsibilities at the University. The following information is intended to make everyone aware of the
various reporting and confidential disclosure options available to them – so they can make informed choices about where to turn for help. The University strongly encourages victims to talk to someone identified in one or more of these groups.

Certain University employees, listed below, are required by law to maintain near or complete confidentiality; talking to them is sometimes called a “privileged communication.” University law enforcement employees may maintain the victim’s identity as confidential, if requested by the victim, but will report the facts of the incident to the Title IX Coordinator, including the identity of the perpetrator. Most other University employees are required to report all details of an incident (including the identities of both the victim and alleged perpetrator) to the Title IX Coordinator so the University can take immediate action to protect the victim, and take steps to correct and eliminate the misconduct.

University Police, the Title IX Coordinator, University-employed physicians, professional counselors, licensed clinical social workers, sexual assault and domestic violence counselors and advocates, and certain other University employees are required to explain to victims their rights and options with respect to confidentiality.

PRIVILEGED AND CONFIDENTIAL REPORTS

Treating physicians, psychotherapists, professional counselors, and clergy who work or volunteer providing medical or mental health treatment or counseling (including those who act in that role under their supervision may not report any information about an incident of Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking to anyone else at the University, including the Title IX Coordinator, without the victim’s consent. A victim can seek assistance and support from physicians, psychotherapists, professional, licensed counselors, and clergy without triggering a University investigation that could reveal the victim’s identity or the fact of the victim’s disclosure. However, see limited exceptions below regarding when these professionals must report to local law enforcement agencies. These confidential professionals should explain these limited exceptions to victims, if applicable.

The University will be unable to conduct an investigation into a particular incident or pursue disciplinary action against a perpetrator if a victim chooses to (1) speak only to a treating physician, psychotherapist, professional counselor, or clergy member, and (2) maintain complete confidentiality. Even so, these individuals will assist victims in receiving other necessary protection and support, such as victim advocacy, disability, medical/health or mental health services, or legal services, and will advise victims regarding their right to file a Title IX complaint with the University and a separate complaint with local or University Police. If a victim insists on confidentiality, the University will likely not be able to fully assist the victim with: University academic support or accommodations; changes to University-based living or working schedules; or adjustments to course schedules.

A victim who at first requests confidentiality may later decide to file a complaint with the University or report the incident to the police, and thus have the incident fully investigated. Counselors and advocates can provide victims with that assistance if requested. Treating physicians, psychotherapists, professional counselors, and clergy will also explain that Title IX includes protections against retaliation, and that the University will not only take steps to prevent retaliation when it knows or reasonably should know of possible retaliation, but will also take strong responsive action if it occurs.
EXCEPTIONS TO CONFIDENTIALITY

Under California law, any health practitioner employed in a health facility, clinic, physician’s office, or local or state public health department or clinic is required to make a report to local law enforcement if they provide medical services for a physical condition to a patient/victim who they know or reasonably suspects is suffering from (1) a wound or physical injury inflicted by a firearm; or (2) any wound or other physical injury inflicted upon a victim where the injury is the result of assaultive or abusive conduct (including Sexual Misconduct, Domestic Violence, and Dating Violence).

This exception does not apply to sexual assault and domestic violence counselors and advocates. Health care practitioners should explain this limited exception to victims, if applicable.

Additionally, under California law, physicians, psychotherapists, professional counselors, licensed clinical social workers, clergy, and sexual assault and domestic violence counselors and advocates are mandatory child abuse and neglect reporters, and are required to report incidents involving victims under 18 years of age to local law enforcement. These professionals will explain this limited exception to victims, if applicable. Finally, some or all of these professionals may also have reporting obligations under California law to (1) local law enforcement in cases involving threats of immediate or imminent harm to self or others where disclosure of the information is necessary to prevent the threatened danger; (2) to the court if compelled by court order or subpoena in a criminal proceeding related to the sexual violence incident. If applicable, these professionals will explain this limited exception to victims.

REPORTING OPTIONS

Victims have several reporting options including those with confidentiality, and may pursue one or all of these options at any time. Victims have a right to have a friend, family member, sexual assault victim advocate, or other representative present while reporting the incident. They also have the right to have a sexual assault victim advocate and support person of their choice present with them during a rape examination. The campus Title IX Coordinator can assist in notifying the police. Victims may also take any of the actions below.

CRIMINAL

Reporting to University Police and/or local police is an option at any time. Victims who choose not to report to the police immediately following a Sexual Misconduct, Dating and Domestic Violence, or Stalking incident, can still make the report at a later time. However, with the passage of time, the ability to gather evidence to assist with criminal prosecution may be limited. Depending on the circumstances, the police may be able to obtain a criminal restraining order on the victim’s behalf.

REPORTING TO THE POLICE

As soon after the incident as possible, victims of Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking are strongly encouraged to report the incident to the police. Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking may be reported to the University Police Department by dialing 911. The University Police will support all victims of Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking regardless of their decision to seek criminal prosecution of the offender or not. Victims have the option to report anonymously to the police and the decision to seek criminal prosecution remains with the victim.
University Police will protect the confidentiality of the victim to the extent permitted by applicable California State law.

If a victim reports to a local police agency or the University Police about Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking, the police are required to notify victims that their names will become a matter of public record unless confidentiality is requested. If a victim requests that their identity be kept confidential, their name will not become a matter of public record and the police will not report the victim’s identity to anyone else at the University, including the Title IX Coordinator. University Police will, however, report the facts of the incident itself, including the identity of the perpetrator if known, to the Title IX Coordinator being sure not to reveal the victim names/identities or compromise their own criminal investigation. The University is required by the federal Clery Act to report certain types of crimes (including certain sex offenses) in statistical reports. However, while the University will report the type of incident in the annual crime statistics report known as the Annual Security Report, victim names/identities will not be revealed.

In cases of Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking, the preservation of physical evidence is important to facilitate the identity and successful prosecution of the offender. The victim should not change clothes, bathe, douche, or shower following the attack. Sexual Assault Response Team (S.A.R.T.) medical personnel are trained to collect, process, and preserve physical evidence of Sexual Misconduct, and are committed in their assistance to the victim. Victims may request a S.A.R.T. exam to preserve forensic evidence without completing a police report. This evidence may be used in the case a victim wishes to report the assault at a later date. Victims are not financially responsible for S.A.R.T. exams and the cost will be the responsibility of the local law enforcement jurisdiction.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection orders related to the incident more difficult. Victims who choose not to make a complaint regarding an incident, nevertheless should consider speaking with University Police or other law enforcement to preserve evidence in the event that they change their mind and wishes to report the assault at a later date.

A victim has the right to have a confidential advocate present when reporting to law enforcement and during examinations. With the victim’s consent, the confidential advocate will assess the victim’s immediate needs and provide support and referral as appropriate. This confidential assistance may include: counseling, information concerning rape trauma syndrome; information on the collection of medical evidence and available health services to test for injuries, sexually transmitted diseases, and/or pregnancy. Assistance is also available with access to other resources and services, including assistance in obtaining emergency protection orders and restraining orders.

REPORTING TO A CAMPUS SECURITY AUTHORITY
Any member of the University community may report incidents of Sexual Misconduct, Dating Violence, Domestic Violence or Stalking to any Campus Security Authority (CSA’s). These University personnel will assist the victim in notifying the appropriate law enforcement agency if the victim requests the assistance of law enforcement. In addition, most campus employees including CSA’s are required to report incidents of Sexual Misconduct, Dating Violence, Dating Violence and Stalking to the Title IX Coordinator. Title IX Coordinator reporting responsibilities are described in detail below.
NOTE: If the University determines that the perpetrator poses a serious and immediate threat to the campus community, under the Clery Act the campus may be required to issue a timely warning to the community. Any such warning will not include any information that identifies the victim.

ADMINISTRATIVE
Victims may report to the campus Title IX Coordinator, who will provide written and verbal information regarding applicable University complaint procedures for investigating and addressing the incident. The Title IX Coordinator will also provide information regarding resources available to victims, as well as information regarding their rights and options. Contact information for the Title IX Coordinator is listed above.

REPORTING TO A TITLE IX COORDINATOR OR RESPONSIBLE EMPLOYEE
Many resources and options are available on and off campus including confidential and privileged communication options. The University has designated a Title IX Coordinator as the primary point of contact to provide victims with assistance and support, and to monitor and oversee overall compliance with laws and policies related to Sexual Misconduct, Dating and Domestic Violence, and Stalking. The campus Title IX Coordinator is available to explain and discuss rights to file a criminal complaint and to assist in doing so; the University’s relevant complaint process, and rights to receive assistance with that process, including the investigation process; how confidentiality is handled; available resources, both on and off campus; and other related matters.

Most University employees have a duty to report Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking incidents when they are on notice of it. When a victim tells the Title IX Coordinator or another non-confidential University employee about a Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking incident, the victim has the right to expect the University to take immediate and appropriate steps to investigate what happened and to resolve the matter promptly and equitably. In all cases, the University strongly encourages victims to report Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking directly to the campus Title IX Coordinator.

As detailed above, most University employees except treating physicians, licensed counselors, and clergy must report to the Title IX Coordinator all relevant details about any Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking incidents of which they become aware. The University will need to determine what happened and will need to know the names of the victim(s) and the perpetrator(s), any witnesses, and any other relevant facts, including the date, time and specific location of the incident.

To the extent possible, information reported to the Title IX Coordinator or other University employees will be kept private and shared only with individuals responsible for handling the University’s response to the incident. The University will protect the privacy of individuals involved in a Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking incident except as otherwise required by law or University policy. A Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking report may result in the gathering of extremely sensitive information about individuals in the campus community. While such information is considered confidential, University policy regarding access to public records and disclosure of personal information may require disclosure of certain information concerning a report. In such cases, efforts will be made to redact the records, as appropriate, in order to protect the victim’s identity and privacy and the privacy of other involved individuals. Except as detailed in the section on Privileged and Confidential Communications above, no
University employee, including the Title IX Coordinator, should disclose the victim’s identity to the police without the victim’s consent or unless the victim has also reported the incident to the police.

If a victim requests of the Title IX Coordinator or another University employee that their identity remain completely confidential, the Title IX Coordinator will explain that the University cannot always honor that request and guarantee complete confidentiality. If a victim wishes to remain confidential or request that no investigation be conducted or disciplinary action taken, the University must weigh that request against the University’s obligation to provide a safe, non-discriminatory environment for all students, employees and third parties, including the victim. Under those circumstances, the Title IX Coordinator will determine whether the victim’s request for complete confidentiality and/or no investigation can be honored under the facts and circumstances of the particular case, including whether the University has a legal obligation to report the incident, conduct an investigation or take other appropriate steps. Without information about a victim’s identity, the University’s ability to meaningfully investigate the incident and pursue disciplinary action against the perpetrator may be severely limited.

The Title IX Coordinator will inform the victim of the initiation of an investigation prior to starting an investigation and will, to the extent possible, only share information with people responsible for handling the University’s response to the incident. The Title IX Coordinator will remain mindful of the victim’s well-being, and will take ongoing steps to protect the victim from retaliation or harm, and work with the victim to create a safety plan. Retaliation against the victim, whether by students, employees or third parties, will not be tolerated. The University and Title IX Coordinator will also:

- Provide interim remedies requested by the victim, if they are reasonably available, regardless of whether the victim chooses to report to campus or local police;
- Assist victims in accessing available victim advocacy, academic support, counseling, disability, medical/health or mental health services, and legal assistance both on and off campus;
- Provide security and support, which could include issuing a no-contact order, helping arrange a change of campus-based living or working arrangements or course schedules (including for the perpetrator pending the outcome of the investigation) or adjustments for assignments, tests, or work duties; and
- Inform victims of their right to report a crime to University or local police – and provide victims with assistance if desired.

The University will not require a victim to participate in any investigation or disciplinary proceeding if the victim does not wish to participate.

The University will not generally notify parents or legal guardians of a Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking report unless the victim is under 18 years old or the victim provides the University with written permission to do so.

Under California law, and pursuant to University policy, many University employees, including the Title IX Coordinator, are mandatory child abuse and neglect reporters and should explain to victims under 18 years of age that they are required to report the incident to the police. However, the identity of the person who reports and the report itself are confidential and disclosed only among appropriate agencies.
Because the University is under a continuing legal obligation to address the issue of Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking campus-wide, reports (including non-identifying reports) may also require the University to consider broader remedial action – such as increased monitoring, supervision or security at locations where the reported incident(s) occurred; increased education, training and prevention efforts, including to targeted population groups; climate assessments/victimization surveys; and/or revision of policies and practices.

NON-REPORTING

Victims are strongly encouraged to report any incident of Sexual Misconduct, Dating and Domestic Violence, or Stalking to the police and/or campus Title IX Coordinator so that steps may be taken to protect them and the rest of the campus community. However, non-reporting is also an option.

CIVIL LAWSUIT

Victims may choose to file a civil lawsuit against the perpetrator, whether or not criminal charges have been filed. A civil lawsuit provides the opportunity to recover actual damages, which may include compensation for medical expenses, lost wages, pain, suffering and emotional distress.

RESTRAINING ORDERS

Victims may also choose to obtain a protective or restraining order (such as a Domestic Violence restraining order or a civil harassment restraining order). Restraining orders must be obtained from a court in the jurisdiction where the incident occurred. Restraining orders can protect victims who have experienced or are reasonably in fear of physical violence, Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking. The campus Title IX Coordinator or Sexual Assault Victim’s Advocate can offer assistance with obtaining a protective or restraining order.

DISCIPLINARY PROCEDURES

The University has procedures that provide for an administrative investigation of Sexual Misconduct, Dating Violence, Domestic Violence or Stalking and written findings based on the preponderance of the evidence standard. In cases of Sexual Misconduct when: (1) the respondent is a student; (2) the credibility of a witness is an issue; and (3) there is the potential for the imposition of a severe sanction, the procedures provide for a hearing after an investigation. After the investigation (or hearing, if applicable), written findings based on the preponderance of the evidence standard will be provided to the complainant and respondent. Both the complainant and respondent may appeal written findings from the final investigation report or the hearing. All appeals are submitted to the CSU Chancellor’s Office. The procedure for complainants filed by and against CSU employees and third parties is separate from but similar to the procedure for CSU students.

When a student or employee reports to the University that the student or employee has been a victim of Sexual Misconduct, Dating Violence, Domestic Violence or Stalking, the University will provide the student or employee a written explanation of their rights and options.
The investigation and hearing process (when applicable) from initial complaint to final result shall be prompt, fair, and impartial. An investigator will meet separately with the complainant and the respondent and other potential witnesses to gather information.

Before reaching a final conclusion or issuing a final investigation report, the investigator shall have: a) advised the Parties, or have offered to do so, verbally or in writing, of any evidence upon which the findings will be based; and b) given the Parties an opportunity to respond to the evidence, including presenting further relevant evidence, information or arguments that could affect the outcome. The investigator will not reach a final conclusion or issue an investigation report until after careful consideration has been given to any such relevant evidence, information or arguments provided by the Parties. The investigator retains discretion and authority to determine relevance.

After review of evidence by the parties, the investigator will prepare a final investigation report. The report shall include a summary of the allegations, the investigation process, the preponderance of the evidence standard, a detailed description of the evidence considered and appropriate findings. Within 10 days of issuance of the final investigation report, the Title IX Coordinator shall notify the Complainant and the Respondent in writing of the outcome of the investigation.

After the investigation has been concluded, in Sexual Misconduct cases that require a hearing, the parties will receive an investigation report that will (a) describe the allegations; (b) identify the material facts – undisputed and disputed – with explanations as to why any material fact is disputed; and (c) describe the evidence presented and considered. At this stage in the process, the parties will be offered an opportunity to informally resolve the complaint.

If the parties are unable to informally resolve the matter, a hearing will be scheduled. The hearing will be conducted by an independent Hearing Officer who will listen to the witnesses and analyze the evidence presented. The Hearing Officer will ask questions of the parties as well as other witnesses with percipient knowledge of the facts in dispute, and will make findings of fact and a decision about whether CSU policy was violated by a preponderance of the evidence. Although the parties themselves will not ask questions, they may propose questions for the Hearing Officer to ask of the other party and witnesses.

At the conclusion of the University’s complaint and investigation procedure (including hearing), any employee or student found to have violated University policy against Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking will be subject to discipline. For employees, discipline would be administered consistent with applicable collective bargaining agreements, University policies and legal requirements. For students, discipline would be administered in accordance with CSU Executive Order 1098 (discussed below). Victims are not required to participate in any University disciplinary and may choose not to be a part of it. Disciplinary procedures will:

• Provide a prompt, fair, and impartial process and resolution;
• Be conducted by officials who receive annual training on Sexual Misconduct, Dating Violence, Domestic Violence, and Stalking and how to conduct a hearing process that protects the of victims and promotes accountability;
• Provide the complainant and respondent the same opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice;
• Simultaneously inform the complainant and respondent in writing of:
The outcome of the disciplinary proceeding;
- The University’s procedures to appeal the results of the disciplinary proceeding;
- Any change to the disciplinary results that occurs prior to the time such results become final; and
- When disciplinary results become final.

COMPLAINT PROCEDURES

The CSU has adopted and published complaint procedures that provide for prompt, impartial, and equitable resolution of complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Assault, Sexual Battery, Rape, Incest, Domestic Violence, Dating Violence, and Stalking.

Regardless of whether an employee, a student or a third party ultimately files a complaint under the applicable complaint procedure, if the University knows or has reason to know about possible Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Assault, Sexual Battery, Rape, Incest, Domestic Violence, Dating Violence, or Stalking, it must review the matter to determine if an investigation is warranted. When warranted, all such investigations must be prompt, thorough and impartial. The University must then take appropriate steps to eliminate the Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Assault, Sexual Battery, Race, Incest, Domestic Violence, Dating Violence, and/or Stalking, prevent its recurrence, and remedy its effects.

COMPLAINTS MADE BY STUDENTS

Executive Order 1097, entitled "Systemwide Policy Prohibiting Discrimination, Harassment, and Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking Against Students and Systemwide Procedure for Addressing Such Complaints by Students" is the appropriate systemwide procedure for all complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Assault, Sexual Battery, Rape, Incest, Domestic Violence, Dating Violence, or Stalking made by CSU students against the CSU, a CSU employee, another CSU student, or a third party. Executive Order 1097’s Addendums A and B include different procedures for specific allegations. Executive Order 1097, including Addendums A and B, can be viewed at https://calstate.policystat.com/policy/6742744/latest/

COMPLAINTS MADE BY EMPLOYEES, STUDENT EMPLOYEES, FORMER EMPLOYEES, THIRD PARTIES, AND APPLICANTS FOR EMPLOYMENT

Executive Order 1096, entitled “Systemwide Policy Prohibiting Discrimination, Harassment and Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking Against Employees and Third Parties and Systemwide Procedure for Addressing Such Complaints by Employees and Third Parties” is the appropriate systemwide procedure for all complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Domestic Violence, Dating Violence, and Stalking made by employees and former employees against the CSU, another CSU employee, a CSU student or a third party. Executive Order 1096’s Addendums A and B include different procedures for specific allegations.

Employees covered by a collective bargaining agreement that provides a grievance procedure for raising allegations of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Assault, Sexual Battery, Rape, Incest, Domestic Violence, Dating Violence, and Stalking shall use the grievance procedure specified in
EXECUTIVE ORDER 1096 AND 1097 INVESTIGATION PROCEDURES

[NOTE: THIS EXECUTIVE ORDER’S INVESTIGATION AND RESOLUTION PROCESS IS SUPERSEDED BY ADDENDUM B: FEDERAL MANDATED HEARING ADDENDUM FOR CASES THAT ARE DEFINED BY THE TITLE IX FEDERAL REGULATIONS AS SEXUAL HARASSMENT IN AN EDUCATION PROGRAM OR ACTIVITY AGAINST A PERSON (INCLUDING, BUT NOT LIMITED TO STUDENTS AND EMPLOYEES) IN THE UNITED STATES. THE TITLE IX COORDINATOR, WITH THE DHR ADMINISTRATOR, WILL ASSESS ALLEGATIONS OF OTHER NON-ADDENDUM B RELATED MISCONDUCT SET FORTH IN THE SAME COMPLAINT THAT ARISE OUT OF THE SAME FACTS AND/OR INCIDENTS THAT MAY ALSO BE INVESTIGATED AND RESOLVED (INCLUDING SANCTIONS AND DISCIPLINE) IN ACCORDANCE WITH THIS ADDENDUM OR OTHER CSU POLICIES. SEE ADDENDUM B: FEDERAL MANDATED HEARING ADDENDUM]

[NOTE: ARTICLE III.C.7-9 OF THIS EXECUTIVE ORDER DOES NOT APPLY IN CASES (I) ALLEGING SEXUAL MISCONDUCT OR DATING AND DOMESTIC VIOLENCE BY A STUDENT THAT, (II) IF SUBSTANTIATED, COULD RESULT IN A SEVERE SANCTION (SUSPENSION OR EXPULSION), AND (III) WHERE CREDIBILITY OF ANY PARTY OR WITNESS IS CENTRAL TO THE FINDING. SEE ADDENDUM A: STATE MANDATED HEARING ADDENDUM]

This procedure provides individuals a process to address alleged violations of this policy by the CSU, a CSU Employee, a Student, or a Third Party. Whenever a Campus determines that the allegation(s) are outside the scope of this policy, the Campus shall promptly notify the individual in writing. All Complaints and related investigations against Respondents who are sworn University public safety officers shall be governed by this policy, the applicable collective bargaining agreement, and by the Public Safety Officers Procedural Bill of Rights Act (POBR). The campus DHR Administrator or Title IX Coordinator shall work with the campus Chief of Police, or designee, to investigate Complaints against sworn public safety officers. Consultation with the Office of General Counsel is recommended.

A. Who May Use This Procedure: The individuals listed below may use the procedure in this Executive Order to address Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating or Domestic Violence, or Stalking.

1. Employees. Non-represented Employees and Employees in bargaining units whose collective bargaining agreements have incorporated this Executive Order may use the procedure described in this Executive Order to address Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating or Domestic Violence, or Stalking by the CSU, another Employee, a Student, or a Third Party.

2. Employees who are covered by a grievance procedure in a collective bargaining agreement. Employees who are covered by a collective bargaining agreement that provides a grievance procedure for raising allegations of Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating or Domestic Violence, or Stalking shall use the grievance procedure specified in their collective bargaining agreement.

3. Applicants for employment. Applicants for employment may use the procedure outlined in this Executive Order to address Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating or Domestic Violence, or Stalking that occurred during their application process.
4. **Student employees.** At times, a person may be employed by the CSU and also be a Student. If an allegation of Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating or Domestic Violence, or Stalking arose out of the person's status as a Student and not their status as an Employee, the allegations shall be handled under Executive Order 1097 (Systemwide Policy Prohibiting Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Students and Systemwide Procedure for Addressing Such Complaints by Students) or a superseding executive order. An allegation arising out of the person’s University work environment (while they are acting as an Employee) shall be handled under this Executive Order.

5. **Third Parties.** Allegations of Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating or Domestic Violence, or Stalking by Third Parties against the CSU, an Employee, or a Student shall be investigated and resolved in accordance with the procedure outlined in this Executive Order.

The University will respond to all Complaints and will take appropriate action to prevent, correct, and discipline conduct that violates this policy. To report alleged violations, an individual may submit a formal written Complaint to the DHR Administrator (Discrimination, Harassment, and Retaliation) or Title IX Coordinator (Sex Discrimination, Sexual Harassment, Sexual Misconduct, Dating and Domestic Violence, and Stalking). The date of receipt shall be deemed to be the Complaint filing date. The DHR Administrator/Title IX Coordinator shall offer reasonable accommodations to individuals who are unable to submit a Complaint because of a qualified Disability.

Complaints should be brought forward as soon as possible after the conduct occurs. While there is no stated timeframe for making a Complaint, prompt reporting will better enable the Campus to respond to the Complaint, determine the relevant issues, and provide an appropriate Remedy and/or action. All incidents should be reported even if a significant amount of time has passed. However, delaying a report or Complaint may impede the University’s ability to conduct an investigation or take appropriate remedial actions.

The Campus will respond to all reports of alleged violations of this policy, whether or not the report is submitted as a written Complaint. However, the response may be limited if information contained in the report is insufficient to verify violation(s) of this Executive Order.

B. **Campus Informal Resolution Process.** Complainants who believe they have experienced Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating or Domestic Violence, or Stalking under this policy may initiate the Informal Resolution process prior to, or instead of, filing a Complaint. The purpose of the Informal Resolution process is to explore whether the Complainant’s concern(s) can be resolved by the Campus without an investigation.

This Executive Order neither prevents nor requires the use of the Informal Resolution process. Under no circumstance shall a Complainant be required to use the Informal Resolution process to address prohibited behaviors. It is not appropriate for a Complainant to be required to "work out the problem" directly or mediate with the Respondent. Mediation cannot be used, even on a voluntary basis, to resolve
Sexual Misconduct, Dating or Domestic Violence, or Stalking Complaints. In other matters, where voluntary mediation is requested, no meeting between the Complainant and the Respondent should occur without involvement by appropriate Campus administrators, including the DHR Administrator or Title IX Coordinator.

Where the allegations involve Sexual Misconduct, Dating or Domestic Violence, or Stalking, the Complainant shall be advised to immediately file a Complaint under Article III, C.

1. **To initiate the Informal Resolution Process.** The Complainant should contact the Campus DHR Administrator (Discrimination, Harassment, or Retaliation) or Title IX Coordinator (Sex Discrimination, Sexual Harassment, Sexual Misconduct, Dating or Domestic Violence, or Stalking) who shall promptly meet with the Complainant to discuss his or her concern(s) and possible resolutions as appropriate.

   Complainants shall be informed about the range of possible outcomes, including Supportive Measures or disciplinary actions that might be taken against the Respondent, and information about the procedures leading to such outcomes.

2. **Participation in the Informal Resolution Process.** Participation is voluntary. It may include an inquiry into the facts, but does not include an investigation. Means for resolution shall be flexible. Resolution options include but are not limited to discussions with the Parties, a resolution facilitated by the DHR Administrator or Title IX Coordinator, separating the Parties, referring one or both of the Parties to counseling programs, an agreement between Campus and the Respondent regarding disciplinary action, conducting targeted preventive educational and training programs or providing Remedies to persons harmed by violations of this policy.

   The Campus shall attempt to resolve the Complainant’s concern(s) quickly and effectively. The DHR Administrator or Title IX Coordinator shall meet with the Complainant, the Respondent, and any other persons or witnesses they may determine to be necessary.

3. **Final Informal Resolution.** If resolution is reached, a written record of the resolution shall be documented and maintained in accordance with applicable Campus recordkeeping policies. The matter shall be considered closed.

   Where the Respondent is a Student, the DHR Administrator/Title IX Coordinator shall inform the Student Conduct Administrator of the outcome of the Informal Resolution process, including any Supportive Measures afforded to the Complainant. Where the Respondent is an Employee, Human Resources or Academic Affairs shall be informed as appropriate.

   If resolution is not reached, the Campus shall promptly notify the Complainant and, where applicable, the Respondent in writing that the Informal Resolution process is terminated, and the termination effective date. The DHR Administrator/Title IX Coordinator shall also determine whether the matter is appropriate for investigation, and so notify the parties in writing. The Complainant shall be provided written notification of the right to file a Complaint pursuant to Article III, C.

4. **Confidentiality.** Other than consulting with their respective Support Advisors, both the Complainant and the Respondent shall keep the details of the Informal Resolution process confidential until the
process is concluded. If the matter is not resolved and an investigation is conducted, the Complainant and the Respondent shall maintain confidentiality until the conclusion of the Campus investigation and CO Appeal Review process, if any.

5. **Termination of Informal Resolution Process.** The Complainant shall be notified that the Complainant or the Campus may at any time elect to terminate the Informal Resolution process. In that event, the DHR Administrator/Title IX Coordinator shall promptly notify the Complainant and the Respondent in writing that the Informal Resolution process has terminated, the effective date thereof, and inform the Complainant of the right to file a Complaint pursuant to Article III, C. The DHR Administrator/Title IX Coordinator shall also determine whether the matter is appropriate for investigation, and so notify the parties in writing.

C. **Campus Investigation Process.** Campuses will investigate Complaints of Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating or Domestic Violence, or Stalking unless an Informal Resolution is reached, whether or not a written Complaint is submitted. The DHR Administrator/Title IX Coordinator will determine whether to open an investigation after making a preliminary inquiry into the allegations. An investigation may not be warranted where the reported information is insufficient. These determinations will be documented in writing by the DHR Administrator/Title IX Coordinator, and maintained in accordance with systemwide records retention policies.

In cases where the Complainant does not want to pursue an investigation, the DHR Administrator/Title IX Coordinator should inform the Complainant that the ability to take corrective action may be limited. The Campus may determine that circumstances warrant initiating an investigation even if a Complaint has not been filed and independent of the intent or wishes of the Complainant. In cases involving Sexual Misconduct, Dating or Domestic Violence, or Stalking, when determining whether to go forward with an investigation, the Title IX Coordinator should consider the seriousness of the allegation(s), the age of the Complainant, whether there have been other Complaints against the Respondent, and the risk to the Campus community if the Respondent's alleged conduct remains unaddressed. These determinations will be documented in writing by the DHR Administrator/Title IX Coordinator and maintained in accordance with systemwide records retention policies.

1. **Filing a Complaint.** Any Employee or Third Party may file a Complaint reporting Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating or Domestic Violence, or Stalking under this policy subject to the following exceptions:

   a. Complaints of Student employees that arise out of their status as a Student. Such Complaints shall be governed by Executive Order 1097 or any superseding executive order.

   b. Complaints against a president shall be filed with the Chancellor’s Office (CO). However, Complaints against a president shall be processed by the Campus if the president’s role in the alleged incident was limited to a decision on a recommendation made by another administrator, and the president had no other substantial involvement in the matter.

   c. For Complaints against CO employees, the responsibilities identified in this Executive Order as those of the president are the responsibilities of the chancellor. Complaints that involve allegations against the chancellor or a member of the Board of Trustees shall be referred to
the chair or vice chair of the Board and the CO Title IX Coordinator for processing and investigation.

2. **Complaint Requirements.** The Complainant may submit a written Complaint to the DHR Administrator or Title IX Coordinator. The date the Complaint is received in the appropriate office shall be deemed to be the Complaint filing date. The DHR Administrator/Title IX Coordinator shall offer reasonable accommodations to Complainants who are unable to submit a written Complaint because of a qualified Disability.

The Complainant may complete the attached "CSU Complaint Form" or, in the alternative, submit a written signed statement containing the following information:

a. The Complainant's full name, address (including email address) and telephone number(s);

b. The name of the Respondent and job title, position or Student status, if known;

c. The Protected Status that is the basis for any alleged Discrimination, Harassment, or Retaliation, the Respondent's activity that is the basis for the alleged Retaliation, or whether Dating or Domestic Violence, or Stalking is alleged;

d. A clear, concise statement of the facts that constitute the allegations including pertinent date(s) and sufficient information to identify any individuals who may provide relevant information during the course of any investigation;

e. A statement verifying that the information provided is true and accurate to the best of the Complainant's knowledge;

f. The day, month and year of the Complainant's most recent employment or the day, month and year in which the Complainant applied for employment with the University;

g. The full name, address and telephone number of the Complainant's Support Advisor, if any;

h. The specific harm resulting from the allegations;

i. The specific remedy sought;

j. The Complainant's signature; and,

k. The date on which the Complaint is submitted.

3. **Intake interview.** The DHR Administrator or Title IX Coordinator shall meet with the Complainant as soon as possible, but no later than 10 Working Days after the Complaint was received. The Complainant shall be available for and attend this meeting.

a. The meeting shall serve as the initial intake interview with the Complainant and will:

i. Explain the investigation procedure and timelines and answer any questions about them;

ii. Inform the Complainant of rights and options under this Executive Order, including the right to have an Advisor throughout the process;

iii. Provide the opportunity for the Complainant to complete and sign a Complaint form, if not already done; and,
iv. Discuss reasonable Supportive Measures, as appropriate.

b. In cases alleging Sexual Misconduct, Dating or Domestic Violence, or Stalking, the Title IX Coordinator shall also:
   
   i. Inform the Complainant of the right to file a criminal complaint;
   
   ii. Offer to assist the Complainant with filing a criminal complaint;
   
   iii. Assure the Complainant that such filing will not significantly delay the Campus investigation;
   
   Advise the Complainant of available resources such as the Campus police, Campus Sexual Assault Victim’s Advocate, student health service center or psychological counseling center; and
   
   iv. Provide written information, as directed under Executive Order 1095, to any Complainant who makes a report to the Campus of Sexual Misconduct, Dating or Domestic Violence, or Stalking.

c. Prior to or during the initial interview with the Respondent, the DHR Administrator or Title IX Coordinator shall:
   
   i. Explain the investigation procedure and timelines and answer any questions about them;
   
   ii. Inform the Respondent of rights and options under this Executive Order, including the right to have a Support Advisor throughout the process;
   
   iii. Provide the Respondent with a copy of this Executive Order;
   
   iv. Provide the Respondent with a description of the Complainant’s allegations against the Respondent;
   
   v. Provide the Respondent a full opportunity to respond to the allegations, including scheduling other meeting(s), accepting documentary evidence, and accepting Respondent’s list of potential witnesses; and,
   
   vi. Discuss any Supportive Measures, as appropriate.

4. **Support Advisor.** The Complainant and the Respondent may elect to be accompanied by a Support Advisor to any meeting or interview regarding the Complaint. (See definition in Article VI.)

5. **Confidentiality.** Information regarding the Complaint may be shared on a "need to know" basis with other Campus Employees, and with law enforcement (with the Complainant’s written consent), except for some limited exceptions. (See Executive Order 1095.) The DHR Administrator and/or Title IX Coordinator shall endeavor to honor any request for confidentiality; however, the DHR Administrator and/or Title IX Coordinator shall also weigh requests for confidentiality against the University’s duty to provide a safe and nondiscriminatory environment for all members of the Campus community. **Confidentiality, therefore, cannot be ensured.**

The Title IX Coordinator receives all Complainant requests for confidentiality involving cases of
Sexual Misconduct, Dating or Domestic Violence, or Stalking, and determines if the request can be honored under the facts and circumstances of the particular case. (See Executive Order 1095.)

6. **Complaint Accepted for Investigation.** The DHR Administrator or Title IX Coordinator will review all written Complaints and the information received during the intake interview with the Complainant. If the DHR Administrator or Title IX Coordinator determines that the Complaint falls within the scope of this Executive Order, the Complainant will be notified within **10 Working Days** that the Complaint has been accepted for investigation and the timeline for completion of the investigation.

If the DHR Administrator or Title IX Coordinator determines the Complainant has failed to state a Complaint within the scope of this Executive Order, the Complainant will be provided with written notice of this determination with **10 Working Days**. The DHR Administrator or Title IX Coordinator will also inform the Complainant that if additional information is provided, the Complaint will be reviewed again. The DHR Administrator or Title IX Coordinator will maintain a record of the Complaint and the reasons the Complaint was deemed not within the scope of this Executive Order.

The DHR Administrator or Title IX Coordinator shall determine whether the Complaint should be processed through another Campus office or University procedure available to the Complainant. If appropriate, the DHR Administrator or Title IX Coordinator shall direct the Complainant to that procedure as soon as possible.

7. **Investigation Procedure.** The DHR Administrator or Title IX Coordinator shall promptly investigate the Complaint or assign this task to another Investigator on a case-by-case basis. If assigned to another Investigator, the DHR Administrator or Title IX Coordinator shall monitor, supervise, and oversee all such delegated tasks, including reviewing all investigation draft reports before they are final to ensure that the investigation was sufficient, appropriate, impartial, and in compliance with this Executive Order.

The Complainant and the Respondent shall have equal opportunities to present relevant witnesses and evidence in connection with the investigation. Upon inquiry, the Complainant and Respondent shall be advised of the status of the investigation.

Before reaching a final conclusion or issuing a final investigation report, the Investigator shall have: a) advised the Parties or have offered to do so, verbally or in writing, of any evidence upon which the findings will be based; and, b) given the Parties an opportunity to respond to the evidence, including presenting further relevant evidence, information or arguments that could affect the outcome. The Investigator will not reach a final conclusion or issue an investigation report until giving careful consideration to any such relevant evidence, information or arguments provided by the Parties. The Investigator retains discretion and authority to determine relevance.

The investigation shall be completed no later than **60 Working Days** after the intake interview, unless the timeline has been extended pursuant to Article V. E. The timeline should not be extended for a period longer than an additional **30 Working Days** from the original due date.
On occasion, a criminal investigation may be initiated by a law enforcement agency over the same allegations that are reported in a Complaint filed under this policy. A pending (Campus or local) police investigation is a separate investigation and it does not relieve a Campus of its responsibility to timely investigate Complaints under this policy. Thus, a Campus may not wait until the conclusion of a police investigation to commence its own investigation. Although it may be necessary to temporarily delay the investigation while the police are gathering evidence, once notified that the police have completed the fact gathering portion of their investigation, the Campus must promptly resume and complete its own investigation. In cases involving Sexual Misconduct, Dating or Domestic Violence, or Stalking, see the "Coordination with Criminal Investigations and Proceedings" section of Executive Order 1095.

8. **Investigation Report.** Within the investigation period stated above, the Investigator shall prepare an investigation report. The report shall include a summary of the allegations, the investigation process, the Preponderance of the Evidence standard, a detailed description of the evidence considered, and appropriate findings. Relevant exhibits and documents, if any, shall be attached to the written report. The report shall be promptly provided to the DHR Administrator or Title IX Coordinator, if applicable. The DHR Administrator or Title IX Coordinator shall review the investigation report to assure compliance with this Executive Order before proceeding further.

9. **Notice of Investigation Outcome.** Within 10 Working Days of issuance of the final investigation report, the DHR Administrator or Title IX Coordinator shall notify the Complainant and Respondent in writing of the outcome of the investigation. The Notice shall include a summary of the allegations, the investigative process, the Preponderance of the Evidence standard, the evidence considered, the findings of fact, a determination as to whether this Executive Order was violated, and if so, any Remedies to be afforded to the Complainant. The notice shall advise the Complainant and Respondent of their right to file an appeal under this Executive Order and to request a copy of the final investigation report with exhibits/attachments, if any, redacted as appropriate. The Notice shall be delivered to the Parties in a manner which guarantees delivery within 2 Working Days (email delivery is acceptable).

Where a Complaint is made against a Student and this Executive Order is found to have been violated, the DHR Administrator or Title IX Coordinator shall also notify the Campus Student Conduct Administrator of the investigation outcome, and provide a copy of the investigation report. Where the Respondent is an Employee, Human Resources or Academic/Faculty Affairs shall be notified and provided a copy of the investigation report.

**STUDENT SANCTIONS UNDER EO 1098**

Conditions for re-enrollment may be specified.

These requirements shall not be waived in connection with any resolution agreement.

3. INTERIM SUSPENSION
A president may impose an interim suspension pursuant to Title 5, California Code of Regulations section 41302 where there is reasonable cause to believe that separation of a student is necessary to protect the personal safety of persons within the University community or University property, and to ensure the maintenance of order.

4. DENIAL OF PRESENCE ON CAMPUS DURING INTERIM SUSPENSION
During the period of an interim suspension, the student charged may not, without prior written permission from the campus president, enter any campus of the California State University other than to attend the hearing regarding the merits of the interim suspension and any disciplinary hearing. The president may also restrict the student’s participation in University-related activities on a case-by-case basis, such as attending off-campus activities and/or participating in on-line classes. Violation of any condition of interim suspension shall be grounds for expulsion.

5. ADMISSION OR READMISSION
Applicants for admission or readmission into any University program are subject to appropriate sanctions for violations of the Student Conduct Code, including qualification, revocation or denial of admission or readmission. For students who withdraw while a disciplinary matter is proceeding, the campus has discretion whether to continue proceedings or hold proceedings in abeyance.

APPEAL OF PRESIDENT’S SANCTION

The complainant may also appeal any proposed sanctions agreed to as part of a proposed resolution agreement with the student charged.

Sanction appeals are limited to a determination as to whether the sanction is reasonable under the facts and circumstances as determined by the investigation and whether any prejudicial procedural errors occurred.
during the hearing. The Chancellor’s Office appeal review will not involve a new investigation and will not consider evidence that was not introduced during the investigation or hearing. The record will be limited to the record at the hearing.

The Chancellor’s Office shall issue a final appeal response no later than 10 working days after receipt of the written appeal.

REGISTERED SEX OFFENDERS

California’s sex offender registration laws require convicted sex offenders to register their status with the University police department if they are enrolled, residing, attending, carrying on a vocation (i.e. contractor or vendor on campus for more than 30 days in the year), or working with or without compensation for the institution. All public information available in California about registered sex offenders, to include the ability to look-up offenders by name, residence address, and zip code, is on the California Department of Justice Megan’s law web site at: http://www.meganslaw.ca.gov/.

EMERGENCY NOTIFICATION

The University will issue emergency notifications, without delay, in response to a confirmed significant emergency or a dangerous situation, occurring in the Clery defined on campus geography that, in the judgment of the University, constitutes an immediate threat to the health or safety of members of the on-campus community.

Once UPD has received the report, the Chief of Police, (or management designee in the absence of the Chief), will confer with the appropriate public official (e.g., fire chief, health department) and any campus officials responsible for managing the on-campus emergency, if available, to confirm both: 1) an emergency or dangerous situation in fact exists in on-campus geography; and 2) the emergency or dangerous situation poses an immediate or imminent threat to members of the on-campus community.

If both of the above factors are not met, no emergency notification will be issued.

If it is determined that both of the above factors are met, then an emergency notification will be issued to the community. The Chief of Police (or management designee in the absence of the Chief), will confer with the Clery Director if one is designated and if available, to prepare the content of the notification taking into account the safety of the on-campus community. They will also determine, based on the confirmed facts of the emergency, if the entire campus community or only a specific segment of the on-campus community is threatened and need to be notified. Examples of emergencies where only a segment might be alerted would be a fire contained in a dorm laundry room where only the residents of that one dorm floor or of that one dorm building are at risk and need to evacuate, or a chemical spill in a lab where only the one room, floor, or the occupants of that one building are at risk and need to evacuate.

Once the notification is prepared, the Chief of Police or the Clery Director if one is designated, or in their absence, the management designee(s) will, without delay and taking into account the safety of the community, transmit the emergency notification unless doing so would delay the ability to mitigate and/or contain the emergency, including the ability to provide immediate, life saving measures.
Distribution methods of emergency notifications may include but are not limited to one or more of the following methods:

- The campus mass notification system, including but not limited to phone, campus email, or text messaging
- Audio/visual message boards
- Audible alarms/sirens
- Campus public address systems
- In person or door-to-door notifications in a building or residence halls
- Other means appropriate under the circumstances

Student and employees who need information on how to add contact information to be included for emergency notification or to remove information and “opt out” of notifications should visit https://www.csudh.edu/Assets/csudh-sites/dhpd/emergency-preparedness/torocalert-instructions-new.pdf or call the campus Emergency Coordinator at (310) 243-2751 for assistance.

The Chief of Police or the Clery Director, if one is designated, or in their absence, the management designee(s) will provide follow-up notifications and information until the emergency is mitigated and no longer poses a threat.

If an emergency notification is issued, a timely warning will not be issued to the community for the same incident.

MISSING STUDENT NOTIFICATION

CSUDH Missing Student Notification & Response Policy
California State University, Dominguez Hills defines a “missing student” as any enrolled student currently registered as residing in University Housing who has not been seen by friends, family, staff, faculty or associates for a reasonable length of time, and whose absence has been brought to the attention of University Police. This policy focuses only on students residing in on-campus student housing and it is provided to all CSUDH residential students in compliance with the federal Clery Act as amended by the Higher Education Opportunity Act of 2008.

Missing student reports on campus often result from a resident changing his or her routine without informing roommates and/or friends and family of the change. The primary objective of The University when responding to a report of a missing student is to establish contact with the individual, to ensure his/her well-being, and to offer appropriate support and assistance. If an absence has occurred under circumstances that are suspicious or cause concern for safety, efforts will be made immediately to contact the student to determine his or her state of health and well-being.

Confidential contact information
University Housing provides a secure electronic form for all residential students to register confidential contact information to be used only in the event CSUDH University Police determines them to be missing or another law enforcement agency informs the University they are considered a missing person. This specific confidential contact information is requested separately and stored separately from other general emergency contact information.
information collected from students by The University. This confidential information will not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation.

**If a campus resident may be missing**

Anyone who has reason to believe a student is missing should immediately notify University Police at 310-243-3639. When a report of a missing residential student is received by University Police, a preliminary investigation will be initiated. In most cases, University Police and/or University Housing will initially attempt to locate a student by checking the student’s on-campus residence and/or trying to reach the student using any contact information they registered with University Housing. If the student’s absence is verified, the University will attempt to notify any contact person(s) designated by the student. If the student is under 18 years of age and not an emancipated individual, the University will notify the custodial parent or guardian of the student as well as the confidential contact person(s) designated by the student.

Upon notification, the University Police Department will make inquiries within the University and, if need be, outside the University setting. If the University determines that the circumstances of the missing student require a police investigation, the University Police Department will conduct a preliminary investigation and notify the local law enforcement agency (Los Angeles County Sheriff Department, Carson). If the Sheriff Department determines that the student should be classified as a missing person, they will take the lead in conducting a joint investigation; per the Administrative Agreement between the California State University, Dominguez Hills Police Department and the Los Angeles County Sheriff Department dated July 1, 2018. The University will support their investigation by providing whatever technical support is appropriate, including notices, photos, schedules, and any other information relevant to the search for the missing student.

If a missing student is located or returns to campus at any time after the matter has been reported, University Police and University Housing staff will attempt to ensure other parties involved have been notified of the student’s status.
