California State University
Domínguez Hills ANNUAL SECURITY REPORT

MESSAGE FROM UNIVERSITY POLICE DEPARTMENT’S CHIEF OF POLICE

The California State University, Domínguez Hills Police Department (UPD) is committed to assisting all members of the California State University, Domínguez Hills (CSUDH) community in providing for their safety and security. As part of this responsibility, this document has been compiled in compliance with federal law (the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act); the 2008 Revision to the Higher Education Opportunity Act, and California Education Code section 67380, which informs members of the community of institutional policies concerning campus security (including University Police law enforcement authority, crime reporting policies, alcohol, and drug use, crime prevention, sexual assault and other matters of related importance); and the Violence Against Women Reauthorization Act of 2013 (VAWA), which amends the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act, commonly known as the Clery Act, under the Campus Sexual Violence Elimination Act provision (i.e., the Campus SaVE Act).

This report contains statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings, or in property owned or controlled by California State University, Domínguez Hills; and on public property within or immediately adjacent to and accessible from, the campus. This report is available to the CSUDH community both online at https://www.csudh.edu/dhpd/clery/security-report/ and in person at the University Police station.

PREPARING THE ASR

The Chief of Police and the Clery Coordinator prepare this report to comply with the Clery Act. The report is prepared in cooperation with University Housing, the Division of Student Affairs/Dean of Students, Human Resources, Faculty Affairs, Athletics, International Student Programming, Counseling Services, the Student Health Center, and the Title IX Office. These partners provide crime statistics and policy related information
for Clery Act reportable crimes, hate crimes, and violations of state and local drug, liquor, and weapons laws occurring within Clery Geography where arrests or referrals for discipline were made.

HATE CRIMES

A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator’s bias against the victim. Hate crimes includes any offense in the following group: murder and non-negligent manslaughter, sexual assault including rape, fondling, incest and statutory rape, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property.

Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation, ethnicity, or national origin.

Hate crime reporting is considered for all Clery geography including on-campus, residential facilities, non-campus buildings or property, and public property.

[2017] – There were no reported hate crimes.
[2018] – There were no reported hate crimes.
[2019] – There were no reported hate crimes.

REPORTING CRIMINAL ACTIONS & EMERGENCIES

To report a crime or other emergencies:

Contact University Police at (310) 243-3333 or dial 9-1-1 in an emergency, or utilize one of the Blue Light emergency telephones located throughout campus, contact a police officer on patrol. All crimes or suspicious activity/persons should be reported to the University Police immediately.

A confidential “We Tip” line is also available at (310) 243-3980. Confidential digital reporting is also available through the University Police website. Crimes should be reported to the University Police for the purpose of making timely warning reports to the community and for disclosure in the annual crime statistics.

The Department will respond by taking the following action(s) as necessary:

· Dispatch a police officer(s) and/or the Los Angeles City Fire Department to the scene;

· Investigate the incident;

· Take appropriate action(s) to identify, apprehend, and prosecute the person(s) responsible;

· Notify or request the assistance of other law enforcement and/or other agencies and university resources when necessary; and/or,

· Make appropriate campus notifications.
VOLUNTARY CONFIDENTIAL REPORTING

Individuals may make a voluntary, confidential report of sexual assault, dating/domestic violence, or stalking through a form provided by the Title IX Office and available online at www.csudh.edu/gei/make-report.

Confidential victim/survivor advocates and counselors at CSUDH are encouraged to inform individuals about reporting options, including the voluntary, confidential reporting option available.

Pursuant to California Education Code section 67380(a)(6)(A), CSAs who receive reports from employees or students of a Part I violent crime, sexual assault or hate crime that occurred in an on or non-campus location as defined by the Clery Act, may not disclose to UPD or local law enforcement agencies the names of the victims or the alleged assailant, unless the victim consents to disclosing their name after being informed of their right to have their personally identifying information withheld. The name of the alleged assailant may be disclosed, however, if all of the following conditions are met:

The alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution; and

The immediate assistance of the local law enforcement agency is necessary to contact or detain the alleged assailant.

Note: all publicly available record keeping will be maintained without the inclusion of personally identifiable information about the victim.

TIMELY WARNINGS

The university will issue a timely warning as soon as pertinent information is available when a Clery reportable crime is reported to UPD or a designated campus security authority, occurred in a Clery defined geographical area, and a case by case analysis of pertinent facts known is completed and a determination is made that a serious or continuing threat to the community exists.

The Chief of Police is responsible for the decision to issue a timely warning (or a management designee in the absence of the Chief) and will confer with the Clery Director if one is designated by the campus and available, upon receiving a report of an incident reported to a Campus Security Authority (CSA) and/or UPD. The Chief of Police, with the Clery Director if one is appointed and is available, will complete a case by case analysis utilizing open communication and collaboration analyzing the reported crime, the known pertinent facts of a reported incident, and determine whether the incident meets all of the following factors: 1) is a Clery reportable crime; 2) occurred in Clery defined geography; and 3) poses a serious or ongoing threat to the community.

If it is determined that any of the three factors are not met, then no timely warning will be issued. If it is determined that all three factors are met, the Chief of Police (or management designee is the absence of the Chief) will determine the content of the timely warning bulletin, disseminate the timely warning expeditiously in a manner likely to reach the entire campus community utilizing one or more, and not limited to, the following methods to issue the timely warning bulletin:

- All employee and student e-mail distribution
- University website
• Public area video display monitors
• Hard copies posted on-campus building entrance doors

For clarity to the community, when a timely warning is issued, it will be titled “Timely Warning Crime Bulletin” and include the following:

• A statement that the Timely Warning Bulletin is being issued in compliance with the Jeanne Clery Act and the purpose is to provide preventative information to the campus community to aid members from becoming the victim of a similar crime.
• The Clery Act reportable crime that occurred
• The date, time, and location the crime occurred
• The date the Timely Warning Bulletin is issued
• A description of the suspect and name if known, when the suspect is at large and evading apprehension and/or law enforcement is seeking assistance from the public to locate
• Preventative information specifically related to the type of crime which occurred that could help others from becoming the victim of a similar crime

The Timely Warning Bulletins will not include, under any circumstances, the name of the victim or information so specific that would or likely could identify the victim of the crimes of sexual violence to include rape, dating violence, domestic violence, or stalking. Issuance of timely warnings will be delayed only if the issuance would compromise the apprehension of the suspect or compromise the ability of law enforcement to investigate the crime.

SECURITY OF AND ACCESS TO CAMPUS FACILITIES

The California State University, Dominguez Hills University Police Department provides 24-hour patrol of University property, including academic and administrative buildings, parking lots, and residence halls. Security and safety conditions on campus are continually evaluated by members of Environmental Health and Safety, Facilities Services, and University Police Department personnel.

Most campus buildings and facilities are accessible to members of the campus community, guests, and visitors, Monday through Saturday until 10 p.m., and as certain special events dictate. The University recognizes that there will be some need for after-hour and weekend access to buildings. Anyone working late or on weekends should notify the University Police Department. Some offices, labs, computer rooms, and other areas of campus have alarms. All staff and faculty are encouraged to secure offices and classrooms. Access to University housing apartments is limited to residents, guests, and University staff.

LAW ENFORCEMENT AUTHORITY

California State University, Dominguez Hills University Police Officers are vested with full law enforcement powers of arrest and meet or exceed training mandated by the California Commission on Peace Officers Standards and Training, as well as training designed to meet the needs of the university community. As state peace officers, they are graduates of a California Peace Officers Standards Training Academy. All sworn employees have been trained in first aid, CPR, and AED. University police officers are vested with full law enforcement powers and responsibilities, identical to the local police or sheriff departments in your home community, and are authorized to enforce all regulations on the university campus and an immediate one-mile radius. California Penal Code 830.2 (c) states the following persons are peace officers whose authority
extends to any place in the state: A member of the California State University Police Departments appointed pursuant to Section 89560 of the Education Code, provided that the primary duty of the peace officer shall be the enforcement of the law within the area specified in Section 89560 of the Education Code. University Police Department police officers enforce California State University policies, California state laws, as well as Federal laws.

It is the policy of the CSU Dominguez Hills University Police Department to comply with applicable federal, state and local laws. In keeping with this requirement, a memorandum of agreement (MOA) has been crafted with the Los Angeles County Sheriff’s Department. The Department prepares and submits a monthly Uniform Crime Report to the California Department of Justice and the Federal Bureau of Investigation. The Department also enters reported stolen vehicles and property with serial numbers into the National Crime Information Center computer, allowing for recovery throughout the United States.

As an active member of the criminal justice system, the University Police Department interacts and cooperates with other state and local law enforcement agencies. Cases are filed with the Los Angeles County District Attorney. Information may also be given to the Office of the Vice President for Student Affairs for internal judicial process involving students.

The University requests that all crimes or suspected crimes be reported accurately and promptly to the University Police Department and/or the appropriate law enforcement agency where the crime occurred, to include when the victim elects to or is unable to make a report.

Two police investigators are assigned full-time to follow up on crime and incident reports. They are responsible for follow-up investigations, apprehending suspects, recovering property, preparing cases for filing, and making crime prevention recommendations.

There are very limited circumstances in which investigators of the University Police Department may remove reports of crime that have been determined as “unfounded.” "Report Unfounded" shall only be indicated within the department’s records management system when:

- The crime or incident alleged in the original report did not occur, or did not occur in the Department’s jurisdiction.

- The same crime or incident has been reported more than once. (The most accurate and thorough crime report shall be retained. Any additional report should be unfounded).

"Specific intent" is a necessary element of the original crime, and the district attorney, city attorney or Investigations Unit commander determines that investigative efforts have failed to prove that specific intent exists.
SECURITY PROCEDURES AND PRACTICES

Members of the CSUDH community must take responsibility for their own personal safety, the safety of others, and their property (when possible), as they do when away from the University. Members of the community are strongly encouraged and reminded by the University Police to:

· Promptly report all crimes and suspicious persons or activity to University Police.

· Always be aware of your personal safety and your surroundings.

· Never leave your property unattended lock windows to your car, office, and residence.

· Keep all valuables with you or leave them at home.

· Walk on well-traveled pathways and in well-lit and populated areas. Walk with friends or groups when possible.

· Call the University Police for a safety escort if you feel afraid or need to walk in isolated areas or at times when areas are unpopulated or closed.

· Engrave owner identification numbers onto electronics and items of value and keep a list of serial numbers and description of property and provide it to the Police in the event your property is stolen.

· Use the internet wisely and never send money or provide personal identifying information, credit card information, or bank information to someone you do not know or to a company or person you did not initiate contact with on your own (such as Airlines, Department Stores, Amazon, etc.).

NOTE: Even if the incident, absent the element of specific intent, is still a crime, the original report shall be reclassified to that crime. All reported Clery crimes determined as “unfounded” and subsequently withheld from the reported crime statistics are disclosed within the Crime Statistics section of this Annual Security Report.

CRIMINAL ACTIVITY AT NONCAMPUS LOCATIONS OF STUDENT ORGANIZATIONS

No student organization controls property off campus, therefore no policy exists.

ALCOHOL AND DRUGS

University Police Officers enforce laws regulating the use of alcoholic beverages and underage drinking. CSUDH is committed to maintaining a safe and healthy environment for the campus community. Alcohol and other drugs should not interfere with the University’s educational mission. All CSUDH students, faculty members, staff members, and administrators are subject to local, state and federal laws regarding the unlawful possession, distribution, or use of alcohol or illegal drugs.

Presidential Memorandum PM99-04, Section 5 (https://www.csudh.edu/Assets/csudh-sites/pm/docs/1999-04.pdf) outlines campus policy on alcohol and drugs: The unlawful manufacture, distribution (by either sale or gift), dispensing, possession or use of alcohol or a controlled substance is prohibited anywhere on the campus of California State University, Dominguez Hills. Actions that will be taken against those who violate this prohibition are delineated elsewhere in this policy. For the purpose of this policy, the term “controlled substance” has the meaning given such term in Section 102 of the Controlled Substances Act (21 U.S.C. 802) and includes, but is not limited to, marijuana, cocaine, cocaine derivatives, heroin, “crack,” amphetamines, barbiturates, LSD, PCP, and substances typically known as “designer drugs” such as “ecstasy” or “eve.” Possession of paraphernalia associated with the illegal use, possession, or manufacture of a controlled substance is also prohibited. The illicit use of alcohol is also included in this policy.

Alcohol

The purpose of the policy is to regulate the possession and consumption of alcohol on campus by members of the University Community and by recognized University organizations and departments. The privilege of consuming beer or wine is extended with the expectation that these activities are to be held under conditions which complement the orderly operation of the University. Off campus groups and organizations contracting with the University for use of facilities are also subject to these regulations.

The possession, sale, and serving or use of distilled spirits on campus is prohibited at all times except within the privacy of individual living units in University Housing. The possession, sale, serving or use of beer or wine on campus is also prohibited at all times, except as allowed under the alcoholic beverage license managed by the CSUDH Foundation Campus Dining Services or within the privacy of individual living units in University Housing.

The use of alcoholic beverages must be in compliance with California state law and is strictly limited to persons 21 years of age or older. The possession, transportation, and/or consumption of alcohol by individuals under 21 years of age is strictly prohibited. Students who are 21 or older may consume alcohol within the privacy of their own room or apartment and without the presence of a minor. In such cases, the doors must be closed and all other policies governing noise and other common courtesies must be followed. No one, regardless of age, may have an open container of alcohol in a public area of the campus, including grounds and parking lots, at any time. No kegs or other communal sources of alcohol are permitted in or around University Housing. It is not appropriate within any Housing facility to plan, host, or attend any group event or activity, which includes alcohol use. University Housing residents are responsible for their own actions as well as the actions of their guest(s).

University Housing residents are given a University Housing Handbook and are responsible for the information contained within that handbook. This handbook is available at the "A" building in University Housing.
Drugs
The University Police strictly enforce Federal and State laws, as well as the University’s zero-tolerance policy, for the use and sale of illegal drugs. Violators are subject to University discipline, criminal prosecution and removal from University housing. Students found in violation of University alcohol, drug and weapons policies may be subject to academic probation, suspension or expulsion. Parents or guardians may be notified about any disciplinary violation involving alcohol or a controlled substance which has been committed by a student who is under the age of 18. Employees found in violation are subject to disciplinary sanctions, up to and including termination.

Federal law, state law, and University policy prohibit the solicitation, procurement, sale, or manufacture of narcotics or controlled substances except as expressly permitted by law. Any student known to be possessing, using, or distributing drugs is subject to serious University disciplinary action and arrest under federal and state laws. Students suspected of using drugs (because of odor, behavior or by information brought to the attention of staff) will be documented and subject to a disciplinary action.

Disciplinary Sanctions for Alcohol and Drugs
In addition to legal sanctions, students who violate University policies on alcohol and drugs are in violation of the Student Conduct Code and may be subject to discipline pursuant to Executive Order 1098, (https://calstate.policystat.com/policy/8453518/latest/)

While a minor first infraction may result in a warning, subsequent infractions will result in substantial sanctions up to and including expulsion.

While students possessing legally prescribed marijuana may be free from criminal prosecution under California law, they are, nonetheless, required to adhere to the Student Conduct Code. Students who are in possession of legally prescribed cannabis are not exempt from the University’s prohibition against the manufacture, possession, or use of marijuana on campus, or off campus while on university business or participating in University sponsored functions.

- Residents living on campus in residential facilities are subject to community standards of conduct. Repeated violation of alcohol and other drug policies in residential facilities constitute a breach of the housing lease, which could result in the imposition of various sanctions, up to and including the cancellation of the lease agreement.
- Student athletes are subject to strict prohibitions against the unauthorized use of alcohol and other drugs while on or off-campus and in any way that influences performance or preparations therefore. Violation of the policies and standards of student conduct as issued by the Department of Intercollegiate Athletics constitutes grounds for disciplinary action as determined by the Department, up to and including the termination of status as an athlete. For further information about the rules of student conduct, contact the Director of Intercollegiate Athletics.

Employees who violate University policies on alcohol and other drugs shall be subject to warning or discipline, up to and including termination, in accordance with the processes administered by the Office of Human Resource Services or the Office of Faculty Affairs.

Resources – Alcohol and Drugs
Campus Life Policies may be found on the Student Affairs website under the section on Rights and Responsibilities. These policies are also published in the "Students Rights and Responsibilities Handbook" by the Office of Student Development. The Campus Life Policies includes policies on possession and consumption of alcohol, amplified sound, anti-hazing, campus events, alcohol and substance abuse, campus smoking, casino night, dance policies and procedures, free drawing, free speech area, gambling,
outdoor programming, posting policy, and unsupervised minors.
The University has established programs that serve to raise the level of safety awareness on the campus community. These programs include:

- New Student Orientation Program (Each Semester)
- Resident Advisors Training Program (Each Semester)
- Residence Hall Meetings
- Alcohol and drug abuse programs (Drug awareness and DUI prevention)
- On-Line Intervention Tools: Info available through Police and Residential Life
- Disciplinary Probation

Employee Assistance Program (EAP): Whether the source of the problem is psychological, chemical, marital, family or workplace related, this service puts an employee or their dependents in touch with a skilled counselor who has training and experience in helping people. Counseling may range from a no-cost support group to private counseling. When assistance is requested, no information is reported to supervisors, deans, chairs, or the Human Resources Department.

SEXUAL HARASSMENT, SEXUAL ASSAULT, DATING/DOMESTIC VIOLENCE, AND STALKING

The California State University does not discriminate on the basis of sex, gender, including gender identity or expression, or sexual orientation in its education programs or activities. Title IX of the Education Amendments of 1972, and certain other federal and state laws, prohibit discrimination on the basis of sex, gender, or sexual orientation in employment, as well as all education programs and activities operated by the University (both on and off campus), and protect all people regardless of their gender from Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Assault, Sexual Battery, Rape, Incest, Dating Violence, Domestic Violence, and Stalking.

The University seeks to provide an education environment in which students, faculty, and staff work together in an atmosphere free of Sexual Harassment. Every member of the University community shall be aware that Sexual Harassment, and/or acts of violence with a sexual nature directed toward another person will not be tolerated and are prohibited by federal and state law and University policy. As members of the University community, students shall comply with University policies and guidelines in addition to federal, state, and local laws whether on or off campus. The University will promptly respond to and investigate complaints of Sexual Harassment, Sexual Misconduct, Sexual Assault, Sexual Battery, Rape, Incest, Dating Violence, Domestic Violence, and Stalking. After an unbiased investigation, the University will enact discipline if a person is found responsible for Sexual Harassment, Sexual Assault, Dating Violence, Domestic Violence, or Stalking as described in University policies, Executive Order 1096 and 1097, including Addendums A and B.

The University is committed to responding to incidents by providing ample supportive services, and encouraging their choice of action, regardless of a student’s decision to seek an administrative investigation or criminal prosecution. University personnel will assist students in notifying the appropriate law enforcement authorities when requested.
In an ongoing effort to prevent Sexual Harassment, Assault, Dating Violence, Domestic Violence and Stalking, the University provides education and prevention programs, investigates complaints, dispenses corrective or disciplinary action where appropriate, provides referrals for medical care/counseling, modified classes, reduced course loads, campus housing changes, work assignment assistance, stay away orders, leaves of absence, and more. The University also provides information to victims on pursuing criminal action and obtaining protective orders if needed. University officials who are responsible for investigating and/or adjudicating cases of Sexual Misconduct, Dating Violence, Domestic Violence, and Stalking receive annual training for compliance with federal, state and CSU system regulations.

PREVENTION, EDUCATION, AND AWARENESS

CSU Dominguez Hills provides a variety of evidence-informed primary prevention programs for students, staff, administrators, and faculty aiming to prevent sexual harassment, sexual assault, dating violence, domestic violence, and stalking. Through cross-campus collaboration, 31 CSUDH staff, faculty and administrators are certified Green Dot workshop trainers and provide in-person sexual assault prevention education workshops by request. More information about Green Dot can be found at www.csudh.edu/CAPE or www.csudh.edu/gei/ccrc.

Primary prevention programs include: 1) a statement that the institution prohibits the crimes of dating violence, domestic violence, sexual assault, and stalking, 2) include crime definitions for the local jurisdiction for dating violence, domestic violence, sexual assault, stalking, and of consent, in reference to sexual activity, in the applicable jurisdiction, 3) include a description of safe and positive options for bystander intervention, and 4) include information on risk reduction.

Every Fall semester, all students must participate in the online Not Anymore (from Vector Solutions), a sexual assault, dating/domestic violence, and stalking prevention education training. If they do not participate, a hold will be placed on their student account and they will not be able to register for Spring Semester. All staff, administrators, faculty, and student employees must participate in the CSU’s Sexual Misconduct Prevention Program (Title IX) online through CSULearn every year mandated by the CSU Chancellor’s Office or their division Vice Presidents are notified. More information about prevention education trainings can be found here: www.csudh.edu/gei/education-training/

This programming:

- Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;
- Defines what behavior constitutes domestic violence, dating violence, sexual assault, and stalking using definitions provided both by the Department of Education and state law;
- Defines what behavior and actions constitute consent to sexual activity in the State of California and/or using the definition of consent found in the Student Code of Conduct if state law does not define consent;
- Provides a description of safe and positive options for bystander intervention. Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene;
- Information on risk reduction. Risk reduction means options designed to decrease perpetration and bystander inaction and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.
- Provides an overview of information contained in the Annual Security Report in compliance with the Clery Act.

DEFINITIONS PER EXECUTIVE ORDERS 1095-1097

These policy definitions are derived from the local jurisdiction, and based on the California Penal Code, the California Family Code, and the California Evidence Code. In some instances, these definitions may differ slightly from the federal definitions set forth in the next section for mandatory crime statistic reporting. For reportable crime statistics, the Clery Act regulations mandate definitions from the Federal Bureau of Investigation’s (FBI’s) Uniform Crime Reporting (UCR) Handbook.

In 2020, through Secretary of Education Betsy DeVos, the United States Department of Education, Office for Civil Rights (OCR) issued and amended federal regulations (Federal Regulations) implementing Title IX of the Education Amendments of 1972. The Federal Regulations are titled Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance (34 C.F.R. 106). The Federal Regulations were published in the Federal Register on May 19, 2020. The Federal Regulations have been implemented in CSU policy by way of an Addendum to Executive Orders 1096 and 1097 known as “Addendum B – Federal Mandated Hearing Addendum.” The definitions required by the Federal Regulations are included below and identified as “Addendum B Definitions.” These definitions will apply where the campus Title IX Coordinator determines that a Formal Complaint of Sexual Harassment, Sexual Assault, Dating Violence, Domestic Violence, or Stalking falls within the scope of Addendum B. Additional Executive Order definitions are included. These definitions apply to conduct that falls outside of the scope of Addendum B.

SEX DISCRIMINATION
An adverse action taken against an individual because of gender or sex (including Sexual Harassment, Sexual Misconduct, Domestic Violence, Dating Violence, and Stalking) as prohibited by Title IX; Title IV; VAWA/Campus SaVE Act; California Education Code § 66250 et seq.; and/or California Government Code § 11135. See also Title VII of the Civil Rights Act of 1964, the California Fair Employment and Housing Act (Cal. Govt. Code § 12940 et seq.), and other applicable laws. Persons of all genders and gender identities can be victims of Sex Discrimination.

ADDENDUM B: SEXUAL HARASSMENT
Sexual Harassment means conduct on the basis of Sex that satisfies one or more of the following:

An Employee conditioning the provision of an aid, benefit, or service of the University on an individual’s participation in unwelcome sexual conduct;

Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to an education program or activity

EXECUTIVE ORDER: SEXUAL HARASSMENT
Sexual Harassment is unwelcome verbal, nonverbal or physical conduct of a sexual nature that includes but is not limited to sexual advances, requests for sexual favors, and any other conduct of a sexual nature where:
1. Submission to, or rejection of, the conduct is explicitly or implicitly used as the basis for any decision affecting a Complainant’s academic status or progress, or access to benefits and services, honors, programs, or activities available at or through the University; or
2. The conduct is sufficiently severe, persistent or pervasive that its effect, whether or not intended, could be considered by a reasonable person in the shoes of the Complainant, and is in fact considered by the Complainant, as limiting his or her ability to participate in or benefit from the services, activities or opportunities offered by the University; or
3. The conduct is sufficiently severe, persistent or pervasive that its effect, whether or not intended, could be considered by a reasonable person in the shoes of the Complainant, and is in fact considered by the Complainant, as creating an intimidating, hostile or offensive environment.

Sexual Harassment could include being forced to engage in unwanted sexual contact as a condition of membership in a student organization; being subjected to video exploitation or a campaign of sexually explicit graffiti; or frequently being exposed to unwanted images of a sexual nature in a classroom or work environment that are unrelated to the coursework or employment. Sexual Harassment also includes acts of verbal, non-verbal or physical aggression, intimidation or hostility based on gender or sex-stereotyping, even if those acts do not involve conduct of a sexual nature. The University’s policy covers unwelcome conduct of a sexual nature. While romantic, sexual, intimate, personal or social relationships between members of the University community may begin as consensual, they may evolve into situations that lead to Sexual Harassment or Sexual Misconduct, including Dating or Domestic Violence, or Stalking, subject to University policy.

EXECUTIVE ORDER: SEXUAL MISCONDUCT

All sexual activity between members of the CSU community must be based on Affirmative Consent. Engaging in any sexual activity without first obtaining Affirmative Consent to the specific activity is Sexual Misconduct, whether or not the conduct violates any civil or criminal law.

Sexual activity includes, but is not limited to, kissing, touching intimate body parts, fondling, intercourse, penetration of any body part, and oral sex. It also includes any unwelcome physical sexual acts, such as unwelcome sexual touching, Sexual Assault, Sexual Battery, Rape, and Dating Violence. When based on gender, Domestic Violence or Stalking also constitute Sexual Misconduct. Sexual Misconduct may include using physical force, violence, threat, or intimidation, ignoring the objections of the other person, causing the other person's intoxication or incapacitation through the use of drugs or alcohol, or taking advantage of the other person's incapacitation (including voluntary intoxication) to engage in sexual activity. Persons of all genders can be victims of these forms of Sexual Misconduct. Sexual activity with a minor is never consensual when the complainant is under 18 years old, because the minor is considered incapable of giving legal consent due to age.

ADDENDUM B: SEXUAL ASSAULT:

Rape is the penetration, or attempted penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the Affirmative Consent of the Complainant. Rape also includes the attempted penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the Affirmative Consent of the Complainant, with the present ability and the intent to commit Rape.
Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the Affirmative Consent of the victim, including instances where the Complainant is incapable of giving Affirmative Consent because of their age or because of their temporary or permanent mental incapacity. 

Incest is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape is sexual intercourse with a person who is under the age of 18 years, the California statutory age of consent.

AFFIRMATIVE CONSENT (Applicable in Addendum B and non-Addendum B matters)

An informed, affirmative, conscious, voluntary, and mutually agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure Affirmative Consent has been obtained from the other participant(s) to engage in the sexual activity. Lack of protest or resistance does not mean Affirmative Consent, nor does silence mean consent. Affirmative Consent must be voluntary, and given without coercion. Force, threats, or intimidation.

• The existence of a dating or social relationship between those involved, or the fact of past sexual activities between them, should never by itself be assumed to be an indicator of Affirmative Consent. A request for someone to use a condom or birth control does not, in and of itself, constitute Affirmative Consent.

• Affirmative Consent can be withdrawn or revoked. Consent to one form of sexual activity (or one sexual act) does not constitute consent to other forms of sexual activity. Consent given to sexual activity on one occasion does not constitute consent on another occasion. There must always be mutual and affirmative consent to engage in sexual activity. Consent must be ongoing throughout a sexual activity and can be revoked at any time, including after penetration. Once consent is withdrawn or revoked, the sexual activity must stop immediately.

• Affirmative Consent cannot be given by a person who is incapacitated. A person is unable to consent when asleep, unconscious or is incapacitated due to the influence of drugs, alcohol or medication so that the person could not understand the fact, nature or extent of the sexual activity. A person is incapacitated if they lack the physical and/or mental ability to make informed, rational decisions,

• Whether an intoxicated person (as a result of using alcohol or other drugs) is incapacitated depends on the extent to which the alcohol or other drugs impact the person’s decision-making ability, awareness of consequences, and ability to make informed judgments. A person’s own intoxication or incapacitation from drugs or alcohol does not diminish that person’s responsibility to obtain Affirmative Consent before engaging in sexual activity.

• A person with a medical or mental disability may also lack the capacity to give consent.

• Sexual activity with a minor (a person under 18 years old) is not consensual, because a minor is considered incapable of giving consent due to age.

• It shall not be a valid excuse that a person affirmatively consented to the sexual activity if the respondent knew or reasonably should have known that the person was unable to consent to the sexual activity under any of the following circumstances:
• The person was asleep or unconscious;
• The person was incapacitated due to the influence of drugs, alcohol or medication, so that the person could not understand the fact, nature or extent of the sexual activity;
• The person was unable to communicate due to a mental or physical condition.

* It shall not be a valid excuse that the respondent believed that the person consented to the sexual activity under either of the following circumstances:
  
  • The respondent's belief in Affirmative Consent arose from the intoxication or recklessness of the respondent;
  • The respondent did not take reasonable steps, in the circumstances known to the respondent at the time, to ascertain whether the person affirmatively consented.

ADDENDUM B: DOMESTIC VIOLENCE

Physical violence or threat of physical violence committed by a current or former spouse or intimate partner of the Complainant, by a person with whom the Complainant shares a child in common, by a person who is cohabitating with or has cohabitated with the Complainant as a spouse or intimate partner, by a person similarly situated to a spouse of the Complainant.

EXECUTIVE ORDER: DOMESTIC VIOLENCE

Abuse committed against someone who is a current or former spouse; current or former cohabitant; someone with whom the Respondent has a child; someone with whom the Respondent has or had a dating or engagement relationship; or a person similarly situated under California domestic or family violence law. Cohabitant means two unrelated persons living together for a substantial period of time, resulting in some permanency of relationship. It does not include roommates who do not have a romantic, intimate, or sexual relationship. Factors that may determine whether persons are cohabiting include, but are not limited to: (1) sexual relations between the Parties while sharing the same living quarters; (2) sharing of income or expenses; (3) joint use or ownership of property; (4) whether the Parties hold themselves out as spouses; (5) the continuity of the relationship; and, (6) the length of the relationship. For purposes of this definition, "abuse" means intentionally or recklessly causing or attempting to cause bodily injury or placing another person in reasonable apprehension of imminent serious bodily injury to self, or another. Abuse does not include non-physical, emotional distress or injury.

ADDENDUM B: DATING VIOLENCE

Physical violence or threat of physical violence committed by a person—
  a. who is or has been in a social relationship of a romantic or intimate nature with the Complainant; and
  b. where the existence of such a relationship shall be determined based on a consideration of the following factors:
    i. The length of the relationship.
    ii. The type of relationship.
    iii. The frequency of interaction between the persons involved in the relationship.
EXECUTIVE ORDER: DATING VIOLENCE

Abuse committed by a person who is or has been in a social or dating relationship of a romantic or intimate nature with the victim. This may include someone the victim just met; i.e., at a party, introduced through a friend, or on a social networking website. For purposes of this definition, "abuse" means intentionally or recklessly causing or attempting to cause bodily injury or placing another person in reasonable apprehension of imminent serious bodily injury to self or another. Abuse does not include non-physical, emotional distress or injury.

ADDENDUM B: STALKING

Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others; or suffer substantial emotional distress.

EXECUTIVE ORDER: STALKING

Engaging in a repeated Course of Conduct directed at a specific person that would cause a Reasonable Person to fear for his or her safety or the safety of others, or to suffer Substantial Emotional Distress. For purposes of this definition:

* Course of Conduct means two or more acts, including but not limited to, acts in which the stalker directly, indirectly, or through Third Parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property;

* Reasonable Person means a reasonable person under similar circumstances and with the same Protected Status(es) as the complainant;

* Substantial Emotional Distress means significant mental suffering or anguish that may, but does not necessarily require medical or other professional treatment or counseling.

* Protected Status includes Age, Disability (physical or mental), Gender (or sex), Genetic Information, Gender Identity or Expression, Nationality, Marital Status, Race or Ethnicity, Religion, Sexual Orientation, and Veteran or Military Status.

PROCEDURES FOR REPORTING A CRIME OF SEXUAL VIOLENCE/SEXUAL MISCONDUCT

Call 9-1-1 in any kind of emergency, or when facing immediate harm or threat of harm.

Persons who have experienced Sexual Misconduct/Sexual Assault, including Rape, Dating Violence, Domestic Violence, or Stalking, are encouraged to seek immediate assistance from police and healthcare providers for their physical safety, emotional support and medical care. University or local police can escort victims to a safe place and transport them to a hospital for medical treatment, if needed. University police can also provide access to a Sexual Assault Victim Advocate. Regardless of whether an individual chooses to notify the
police, they are strongly encouraged to seek assistance from the campus Title IX Coordinator and/or a Sexual Assault Victim Advocate or counselor who can provide information on options, rights and remedies.

A written explanation of rights and options must be provided to a Student, Employee or Third Party who reports to the University that s/he has been a victim of Sexual Misconduct/Sexual Assault, Dating or Domestic Violence, or Stalking, whether the offense occurred on or off Campus. It is the Title IX Coordinator’s responsibility to ensure this written Notice is provided to the complainant/victim(s). The Title IX Coordinator annually provides the written explanation of Rights and Options for Victims of Sexual Misconduct/Sexual Assault, Dating or Domestic Violence, or Stalking (Attachment C in Executive Order 1095) to all members of the campus community including Sexual Misconduct/Sexual Assault, Dating or Domestic Violence, or Stalking victims. This includes information on preservation of evidence, how and to whom to report the alleged offense, the options available regarding and involving law enforcement and campus authorities (including notification of law enforcement authorities, being assisted by campus authorities in notifying law enforcement if the victim chooses, and declining to notify the authorities), and notification of the rights of victims to seek orders of protection and request “no-contact” orders, and restraining orders.

Victims have the right to decide who and when to tell about Sexual Misconduct/Sexual Assault, Dating and Domestic Violence, and Stalking. However, it is very important that they get medical attention after being assaulted. Following the incident, a victim may be physically injured, may have contracted a sexually transmitted disease, or may become pregnant.

The University’s primary concern is the safety and well-being of every member of the campus community. The use of alcohol or drugs never makes the victim at fault. If a campus community member has experienced Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking they should not be deterred from reporting the incident out of a concern that they might be disciplined for related violations of drug, alcohol, or other University policies. A person who participates in investigations or proceedings involving Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking will not be subject to discipline for related violations of the Student Conduct Code or other University policies at or near the time of the incident unless the University determines the conduct places the health and safety of another person at risk, or is otherwise egregious.

The University encourages victims of Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking to talk to someone about what happened – so they can get the support they need, and so the University can respond appropriately. Whether – and the extent to which – a University employee may agree to maintain confidentiality (and not disclose information to the Title IX Coordinator) depends on the employee’s position and responsibilities at the University. The following information is intended to make everyone aware of the various reporting and confidential disclosure options available to them – so they can make informed choices about where to turn for help. The University strongly encourages victims to talk to someone identified in one or more of these groups.
Certain University employees, listed below, are required by law to maintain near or complete confidentiality; talking to them is sometimes called a “privileged communication.” University law enforcement employees may maintain the victim's identity as confidential, if requested by the victim, but will report the facts of the incident to the Title IX Coordinator, including the identity of the perpetrator. Most other University employees are required to report all details of an incident (including the identities of both the victim and alleged perpetrator) to the Title IX Coordinator so the University can take immediate action to protect the victim, and take steps to correct and eliminate the misconduct.

University Police, the Title IX Coordinator, University-employed physicians, professional counselors, licensed clinical social workers, sexual assault and domestic violence counselors and advocates, and certain other University employees are required to explain to victims their rights and options with respect to confidentiality.

PRIVILEGED AND CONFIDENTIAL REPORTS

Treating physicians, psychotherapists, professional counselors, and clergy who work or volunteer providing medical or mental health treatment or counseling (including those who act in that role under their supervision may not report any information about an incident of Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking to anyone else at the University, including the Title IX Coordinator, without the victim's consent. A victim can seek assistance and support from physicians, psychotherapists, professional, licensed counselors, and clergy without triggering a University investigation that could reveal the victim's identity or the fact of the victim's disclosure. However, see limited exceptions below regarding when these professionals must report to local law enforcement agencies. These confidential professionals should explain these limited exceptions to victims, if applicable.

The University will be unable to conduct an investigation into a particular incident or pursue disciplinary action against a perpetrator if a victim chooses to (1) speak only to a treating physician, psychotherapist, professional counselor, or clergy member, and (2) maintain complete confidentiality. Even so, these individuals will assist victims in receiving other necessary protection and support, such as victim advocacy, disability, medical/health or mental health services, or legal services, and will advise victims regarding their right to file a Title IX complaint with the University and a separate complaint with local or University Police. If a victim insists on confidentiality, the University will likely not be able to fully assist the victim with University academic support or accommodations; changes to University-based living or working schedules; or adjustments to course schedules.

A victim who at first requests confidentiality may later decide to file a complaint with the University or report the incident to the police, and thus have the incident fully investigated. Counselors and advocates can provide victims with that assistance if requested. Treating physicians, psychotherapists, professional counselors, and clergy will also explain that Title IX includes protections against retaliation, and that the University will not only take steps to prevent retaliation when it knows or reasonably should know of possible retaliation, but will also take strong responsive action if it occurs.

EXCEPTIONS TO CONFIDENTIALITY

Under California law, any health practitioner employed in a health facility, clinic, physician's office, or local or state public health department or clinic is required to make a report to local law enforcement if they provide medical services for a physical condition to a patient/victim who they know or reasonably suspects is suffering from (1) a wound or physical injury inflicted by a firearm; or (2) any wound or other physical injury inflicted
upon a victim where the injury is the result of assaultive or abusive conduct (including Sexual Misconduct/Sexual Assault, Domestic Violence, and Dating Violence).

This exception does not apply to sexual assault and domestic violence counselors and advocates. Health care practitioners should explain this limited exception to victims, if applicable.

Additionally, under California law, physicians, psychotherapists, professional counselors, licensed clinical social workers, clergy, and sexual assault and domestic violence counselors and advocates are mandatory child abuse and neglect reporters, and are required to report incidents involving victims under 18 years of age to local law enforcement. These professionals will explain this limited exception to victims, if applicable. Finally, some or all of these professionals may also have reporting obligations under California law to (1) local law enforcement in cases involving threats of immediate or imminent harm to self or others where disclosure of the information is necessary to prevent the threatened danger; (2) to the court if compelled by court order or subpoena in a criminal proceeding related to the sexual violence incident. If applicable, these professionals will explain this limited exception to victims.

PRESERVATION OF EVIDENCE

In cases of Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking, the preservation of physical evidence is important to facilitate the identity and successful prosecution of the offender. The victim should not change clothes, bathe, douche, or shower following the attack. Sexual Assault Response Team (S.A.R.T.) medical personnel are trained to collect, process, and preserve physical evidence of Sexual Misconduct, and are committed in their assistance to the victim. Victims may request a S.A.R.T. exam to preserve forensic evidence without completing a police report. This evidence may be used in the case a victim wishes to report the assault at a later date. Victims are not financially responsible for S.A.R.T. exams and the cost will be the responsibility of the local law enforcement jurisdiction.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection orders related to the incident more difficult. Victims who choose not to make a complaint regarding an incident, nevertheless should consider speaking with University Police or other law enforcement to preserve evidence in the event that they change their mind and wish to report the assault at a later date.

A victim has the right to have a confidential advocate present when reporting to law enforcement and during examinations. With the victim’s consent, the confidential advocate will assess the victim’s immediate needs and provide support and referral as appropriate. This confidential assistance may include: counseling, information concerning rape trauma syndrome; information on the collection of medical evidence and available health services to test for injuries, sexually transmitted diseases, and/or pregnancy. Assistance is also available with access to other resources and services, including assistance in obtaining emergency protection orders and restraining orders.

REPORTING OPTIONS

Victims have several reporting options including those with confidentiality, and may pursue one or all of these options at any time. Victims have a right to have a friend, family member, sexual assault victim advocate, or
other representative present while reporting the incident. They also have the right to have a sexual assault victim advocate and support person of their choice present with them during a rape examination. The campus Title IX Coordinator can assist in notifying the police. Victims may also take any of the actions below.

REPORTING TO THE POLICE

Reporting to University Police and/or local police is an option at any time. Victims who choose not to report to the police immediately following a Sexual Misconduct/Sexual Assault, Dating and Domestic Violence, or Stalking incident, can still make the report at a later time. However, with the passage of time, the ability to gather evidence to assist with criminal prosecution may be limited. Depending on the circumstances, the police may be able to obtain a criminal restraining order on the victim’s behalf.

As soon as possible, victims of Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking are strongly encouraged to report the incident to the police. Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking may be reported to the University Police Department by dialing 911. The University Police will support all victims of Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking regardless of their decision to seek criminal prosecution of the offender or not. Victims have the option to report anonymously to the police and the decision to seek criminal prosecution remains with the victim. University Police will protect the confidentiality of the victim to the extent permitted by applicable California State law.

If a victim reports to a local police agency or the University Police about Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking, the police are required to notify victims that their names will become a matter of public record unless confidentiality is requested. If a victim requests that their identity be kept confidential, their name will not become a matter of public record and the police will not report the victim’s identity to anyone else at the University, including the Title IX Coordinator. University Police will, however, report the facts of the incident itself, including the identity of the perpetrator if known, to the Title IX Coordinator being sure not to reveal the victim names/identities or compromise their own criminal investigation. The University is required by the federal Clery Act to report certain types of crimes (including certain sex offenses) in statistical reports. However, while the University will report the type of incident in the annual crime statistics report known as the Annual Security Report, victim names/identities will not be revealed.

REPORTING TO A CSA

Any member of the University community may report incidents of Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence or Stalking to any Campus Security Authority (CSA’s). These University personnel will assist the victim in notifying the appropriate law enforcement agency if the victim requests the assistance of law enforcement. In addition, most campus employees including CSA’s are required to report incidents of Sexual Misconduct/Sexual Assault, Dating Violence, Stalking to the Title IX Coordinator. Title IX Coordinator reporting responsibilities are described in detail below.

NOTE: If the University determines that the perpetrator poses a serious and immediate threat to the campus community, under the Clery Act the campus may be required to issue a timely warning to the community. Any such warning will not include any information that identifies the victim.
ADMINISTRATIVE

Victims may report to the campus Title IX Coordinator, who will provide written and verbal information regarding applicable University complaint procedures for investigating and addressing the incident. The Title IX Coordinator will also provide information regarding resources available to victims, as well as information regarding their rights and options. Contact information for the Title IX Coordinator is listed above.

The Campus Title IX Coordinator will also provide information regarding any reasonable Supportive Measures the University may offer prior to conclusion of an investigation to reduce or eliminate negative impact and provide available assistance. Examples include: adjustment to work assignments, housing locations, course schedules or supervisory reporting relationship; mutual restrictions on contact between the Complainant and the Respondent; leaves of absence; or campus escorts. These options may be available whether or not the victim chooses to report the incident to Campus police or law enforcement. The Title IX Coordinator remains available to assist the victim and provide reasonable Supportive Measures requested throughout the reporting, investigative, and disciplinary processes, and thereafter.

REPORTING TO A TITLE IX COORDINATOR OR RESPONSIBLE EMPLOYEE

Many resources and options are available on and off campus including confidential and privileged communication options. The University has designated a Title IX Coordinator as the primary point of contact to provide victims with assistance and support, and to monitor and oversee overall compliance with laws and policies related to Sexual Misconduct/Sexual Assault, Dating and Domestic Violence, and Stalking. The campus Title IX Coordinator is available to explain and discuss rights to file a criminal complaint and to assist in doing so; the University’s relevant formal complaint process, and rights to receive assistance with that process; how confidentiality is handled; available resources, both on and off campus; and other related matters.

Most University employees have a duty to report disclosed incidents of Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking when they are on notice of it. When a victim tells the Title IX Coordinator or another non-confidential University employee about a Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking incident, the victim has the right to expect the University to take immediate and appropriate steps to investigate what happened and to resolve the matter promptly and equitably. In all cases, the University strongly encourages victims to report Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking directly to the campus Title IX Coordinator.

As detailed above, most University employees except treating physicians, licensed counselors, and clergy must report to the Title IX Coordinator all relevant details about any Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking incidents of which they become aware. The University will need to determine what happened and will need to know the names of the victim(s) and the alleged perpetrator(s), any witnesses, and any other relevant facts, including the date, time and specific location of the incident.

To the extent possible, information reported to the Title IX Coordinator or other University employees will be kept private and shared only with individuals responsible for handling the University’s response to the incident. Any Supportive Measures will remain confidential except when it is not possible to maintain confidentiality in order to provide the Supportive Measures. The University will protect the privacy of individuals involved in a Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking incident except as
otherwise required by law or University policy. A Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking report may result in the gathering of extremely sensitive information about individuals in the campus community. While such information is considered confidential, University policy regarding access to public records and disclosure of personal information may require disclosure of certain information concerning a report. In such cases, efforts will be made to redact the records, as appropriate, in order to protect the victim’s identity and privacy and the privacy of other involved individuals. Except as detailed in the section on Privileged and Confidential Communications above, no University employee, including the Title IX Coordinator, should disclose the victim’s identity to the police without the victim’s consent or unless the victim has also reported the incident to the police.

If a victim requests of the Title IX Coordinator or another University employee that their identity remain completely confidential, the Title IX Coordinator will explain that the University cannot always honor that request and guarantee complete confidentiality. If a victim wishes to remain confidential or request that no investigation be conducted or disciplinary action taken, the University must weigh that request against the University’s obligation to provide a safe, non-discriminatory environment for all students, employees and third parties, including the victim. Under those circumstances, the Title IX Coordinator will determine whether the victim’s request for complete confidentiality and/or no investigation can be honored under the facts and circumstances of the particular case, including whether the University has a legal obligation to report the incident, conduct an investigation or take other appropriate steps. Without information about a victim’s identity, the University’s ability to meaningfully investigate the incident and pursue disciplinary action against the perpetrator may be severely limited.

The Title IX Coordinator will inform the victim of the initiation of an investigation prior to starting an investigation and will, to the extent possible, only share information with people responsible for handling the University’s response to the incident. The Title IX Coordinator will remain mindful of the victim’s well-being, and will take ongoing steps to protect the victim from retaliation or harm, and work with the victim to create a safety plan. Retaliation against the victim, whether by students, employees or third parties, will not be tolerated. The University and Title IX Coordinator will also:

• Provide Supportive Measures requested by the victim and the other party to a complaint, if they are reasonably available, regardless of whether the victim chooses to report to campus or local police;

• Assist victims in accessing available victim advocacy, academic support, counseling, disability, medical/health or mental health services, and legal assistance both on and off campus;

• Assist victims in accessing available financial aid assistance, assistance with transportation, and visa or immigration assistance.

• Provide security and support, which could include issuing a mutual no-contact order, helping arrange a change of campus-based living or working arrangements or course schedules or adjustments for assignments, tests, or work duties; and

• Inform victims of their right to report a crime to University or local police – and provide victims with assistance if desired.
The Title IX Coordinator is responsible for coordinating the effective implementation of Supportive Measures. Supportive Measures will remain confidential except when it is not possible to maintain confidentiality in order to provide the Supportive Measures.

The University will not require a victim to participate in any investigation or disciplinary proceeding if the victim does not wish to participate.

The University will not generally notify parents or legal guardians of a Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking report unless the victim is under 18 years old or the victim provides the University with written permission to do so.

The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such a crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such a victim shall be treated as the alleged victim.

Under California law, and pursuant to University policy, many University employees, including the Title IX Coordinator, are mandatory child abuse and neglect reporters and should explain to victims under 18 years of age that they are required to report the incident to the police. However, the identity of the person who reports and the report itself are confidential and disclosed only among appropriate agencies.

Because the University is under a continuing legal obligation to address the issue of Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking campus-wide, reports (including non-identifying reports) may also require the University to consider broader remedial action – such as increased monitoring, supervision or security at locations where the reported incident(s) occurred; increased education, training and prevention efforts, including to targeted population groups; climate assessments/victimization surveys; and/or revision of policies and practices.

NON-REPORTING

Victims are strongly encouraged to formally report any incident of Sexual Misconduct/Sexual Assault, Dating and Domestic Violence, or Stalking to the police and/or campus Title IX Coordinator so that steps may be taken to protect them and the rest of the campus community. However, non-reporting is also an option.

CIVIL LAWSUIT

Victims may choose to file a civil lawsuit against the perpetrator, whether or not criminal charges have been filed. A civil lawsuit provides the opportunity to recover actual damages, which may include compensation for medical expenses, lost wages, pain, suffering and emotional distress.

RESTRAINING ORDERS

Victims may also choose to obtain a protective or restraining order (such as a Domestic Violence restraining order or a civil harassment restraining order). Restraining orders must be obtained from a court in the jurisdiction where the incident occurred. Restraining orders can protect victims who have experienced or are reasonably in fear of physical violence, Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, or Stalking. The campus
Title IX Coordinator or Sexual Assault Victim's Advocate can offer assistance with obtaining a protective or restraining order.

Please contact the Title IX Office at TitleIXOffice@csudh.edu or (310) 243-1025, the Title IX Officer at eschrock@csudh.edu, or the Survivor Advocate at mromo@csudh.edu for assistance with obtaining a protective order.

For a temporary emergency protective order, the Title IX Office and/or Survivor Advocate will assist survivors/victims with communicating with the CSUDH Police Department about the threat, and they will assist in determining appropriate next steps to protect the survivor/victim's safety. If a temporary emergency restraining order is necessary, they will need to contact the Compton Courthouse.

To obtain a restraining order independently, the Title IX Officer or Survivor/Victim Advocate can assist survivors/victims in going to the Compton Courthouse to get and fill out the appropriate paperwork, or it may be accessed here:

DISCIPLINARY PROCEDURES

The investigation and hearing process (when applicable) from initial formal complaint to final result shall be prompt, fair, and impartial. An investigator will meet separately with the complainant and the respondent and other potential witnesses to gather information.

Victims are not required to participate in any University disciplinary process and may choose not to be a part of it. Disciplinary procedures will:

• Provide a prompt, fair, and impartial process and resolution;

• Be conducted by officials who receive annual training on Sexual Misconduct/Sexual Assault, Dating Violence, Domestic Violence, and Stalking and how to conduct a hearing process that protects members of the campus community and promotes accountability;

• Provide the complainant and respondent the same opportunity to be accompanied to any related meeting or proceeding by the Support Advisor of their choice;

• Simultaneously inform the complainant and respondent in writing of:
  • The outcome of the disciplinary proceeding;
  • The University’s procedures to appeal the results of the disciplinary proceeding;
  • Any change to the disciplinary results that occurs prior to the time such results become final; and
  • When disciplinary results become final.
COMPLAINT PROCEDURES

The CSU has adopted and published complaint procedures that provide for prompt, impartial, and equitable resolution of complaints of Sex Discrimination, including Sexual Harassment, Sexual Misconduct/Sexual Assault, Sexual Assault, Domestic Violence, Dating Violence, and Stalking.

Formal complaints about discrimination, harassment, retaliation, sexual misconduct, sexual assault, dating/domestic violence, and stalking can be made directly to the Title IX Coordinator or via the online form, available at www.csudh.edu/gei/make-report

Title IX Coordinator, Elizabeth Schrock
eschrock@csudh.edu
(310) 243-1025

Regardless of whether an employee, a student or a third party ultimately files a formal complaint under the applicable complaint procedure, if the University knows or has reason to know about possible Sex Discrimination, Sexual Harassment, Sexual Misconduct, Domestic Violence, Dating Violence, and Stalking, the Title IX Coordinator must review the matter to determine if an investigation is warranted. When warranted, all such investigations must be prompt, thorough and impartial. The University must then take appropriate steps to eliminate the Sex Discrimination, Sexual Harassment, Sexual Misconduct/Sexual Assault, Domestic Violence, Dating Violence, and/or Stalking, prevent its recurrence, and remedy its effects.

COMPLAINTS MADE BY STUDENTS

Executive Order 1097, entitled "Systemwide Policy Prohibiting Discrimination, Harassment, and Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking Against Students and Systemwide Procedure for Addressing Such Complaints by Students" is the appropriate systemwide procedure for all complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Violence, Domestic Violence, Dating Violence, and Stalking made by CSU students against the CSU, a CSU employee, another CSU student, or a third party. Executive Order 1097 can be viewed at https://calstate.policystat.com/policy/6742744/latest/

COMPLAINTS MADE BY EMPLOYEES, FORMER EMPLOYEES, THIRD PARTIES, AND APPLICANTS FOR EMPLOYMENT

Executive Order 1096, entitled “Systemwide Policy Prohibiting Discrimination, Harassment and Retaliation, Sexual Misconduct/Sexual Assault, Dating and Domestic Violence, and Stalking Against Employees and Third Parties and Systemwide Procedure for Addressing Such Complaints by Employees and Third Parties” is the appropriate systemwide procedure for all complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Domestic Violence, Dating Violence, and Stalking made by employees and former employees against the CSU, another CSU employee, a CSU student or a third party.

Employees covered by a collective bargaining agreement that provides a grievance procedure for raising allegations of Sex Discrimination or Sexual Harassment, including Sexual Misconduct, Domestic Violence, Dating Violence, and Stalking shall use the grievance procedure specified in their collective bargaining agreement. Executive Order 1096 can be viewed at https://calstate.policystat.com/policy/6743499/latest/
COMPLAINTS MADE BY STUDENT-EMPLOYEES

Executive Order 1096 is the appropriate system-wide procedure for all complaints of Sex Discrimination, including Sexual Harassment, Sexual Misconduct, Dating and Domestic Violence, and Stalking, made by student-employees where the alleged Sex Discrimination, Sexual Misconduct, Domestic Violence, Dating Violence, and Stalking arose out of the person’s status as an employee and not their status as a student. Executive Order 1096 can be viewed at https://calstate.policystat.com/policy/6743499/latest/

When the Title IX Coordinator receives a Formal Complaint, or where new information or events arise, the Title IX Coordinator will assess whether the Formal Complaint meets the requirements of the Federal Regulations to move forward under the process in Addendum B. A determination that allegations in a Formal Complaint do not meet the requirements of the Federal Regulations will result in a dismissal of the allegations in the Formal Complaint that do not meet the requirements and, in some cases, a referral of the allegations to another process as the University may have an obligation to address the matter under other laws and policies.

Written notice of a mandatory or discretionary dismissal and reason(s) for the dismissal will be sent Simultaneously to the Parties when a Title IX Coordinator dismisses a Formal Complaint. The notice will inform the Parties of their right to appeal the dismissal, whether the matter will be referred to another process and the process for submitting an appeal. This notice may be accompanied by a Notice of Allegations, as described in Article VI. below, where a Notice of Allegations has not already been provided.

Either Party may appeal from a dismissal of a Formal Complaint or any part of the Complaint. The appeal must be filed within 10 Working Days from the date of the Notice of Dismissal. The appeal will be in writing and will be based only on one or more of the following grounds: a procedural irregularity occurred that affected the dismissal of the Formal Complaint; new evidence that was not reasonably available at the time the dismissal decision was made that could affect the decision to dismiss the Formal Complaint; or the Title IX Coordinator (or designee) who dismissed the Formal Complaint had a conflict of interest or bias for or against the complainant or respondent in this case or complainants or respondents in general.

Appeals will be filed with the Chancellor’s Office (CO) and will be addressed to:

Systemwide Title IX Unit
Systemwide Human Resources
Office of the Chancellor
TIX-Dismissal-Appeals@calstate.edu

If you are unable to file an appeal or a response to an appeal electronically, please contact the Campus Title IX Office for assistance.

When an appeal is submitted, the other Party as well as the Campus Title IX Coordinator will be notified in writing. In response to the appeal, the other Party will be given 5 Working Days from their receipt of notice of the appeal to submit a written statement in support of or challenging the dismissal. Within 10 Working Days of the CO’s receipt of the appeal, the Parties will Simultaneously receive (via email) a written decision with explanation.
The CO review will not involve a new assessment of the Dismissal/Referral or consideration of evidence that was not introduced during the Campus review, unless the new evidence was not reasonably available at the time of the review.

If the CO review determines that the Dismissal/Referral should be reviewed to cure any defects, the matter will be remanded back to the Campus to reassess within a timeframe specified by the CO. The Parties will be informed Simultaneously of the review and the timeframe. Once the review is complete the Campus will provide the Parties and the CO with either a Notice of Dismissal/Referral or Notice of Allegations, depending on the outcome, that reflects any changes to the determination. The notice will inform the Parties of their right to appeal and the CO will contact the appealing Party to determine whether that Party wishes to continue with the appeal.

The CO appeal response is final and concludes the Dismissal/Referral process under Addendum B. If there is a mandatory dismissal of a Formal Complaint, it does not preclude the Campus from later identifying a relevant policy or policies that address the alleged conduct, notifying the Parties of the policy or policies, and moving forward under the procedures of those policies.

When the Title IX Coordinator receives a Formal Complaint, the Title IX Coordinator will Simultaneously provide both Parties a written Notice of Allegations.

The Notice of Allegations will be provided to both Parties regardless of whether the Formal Complaint must be dismissed. See section above on dismissal of formal complaints. If a Formal Complaint is dismissed at this stage of the process, the Notice of Allegations will also include the Notice of Dismissal and appeal rights.

If new allegations are raised during the investigation that were not included in the Notice of Allegations, a revised Notice of Allegations will be issued Simultaneously to the Parties.

If the Notice of Allegations also serves as notice of a Respondent’s expected attendance at an interview, it will include details of the date, time, location, participants, and purpose of that interview. The Notice of Allegations must be provided to a Respondent at least 5 Working Days prior to the interview.

If a Respondent requests to meet sooner than 5 Working Days after receipt of the Notice of Allegations, they should verbally confirm at the start of the meeting that they were provided notice of at least 5 Working days and this confirmation should be documented by the Title IX Coordinator or investigator.

Informal Resolution

At any time prior to the issuance of the Hearing Officer’s Report, if the Title IX Coordinator or either Party believes that it may be possible to resolve the Formal Complaint in a prompt, fair, and reasonable manner without a hearing, the Parties may consider an Informal Resolution that does not involve a full investigation and adjudication, subject to the following:

informal Resolution under Addendum B may only be offered where a Formal Complaint has been filed;
the University cannot offer or facilitate Informal Resolution under Addendum B to resolve allegations that an Employee sexually harassed a Student; and
the University must obtain the Parties' voluntary, written consent before starting the Informal Resolution process.

Once the Title IX Coordinator determines that Informal Resolution is appropriate, the Parties should Simultaneously be provided written notice regarding Informal Resolution that includes the following:

the allegations of Sexual Harassment, as defined by Addendum B;

the requirements of the Informal Resolution process including that once the Informal Resolution process is finalized neither Party is permitted to file another Formal Complaint arising from the same allegations;

an explanation that at any time prior to agreeing to a resolution, any Party has the right to withdraw from the Informal Resolution process and resume the Formal Complaint process;

an explanation of any consequences resulting from participating in the Informal Resolution process, including the records that will be maintained or could be shared; and

the Parties' right to consult with a Support Advisor, if any.

The Title IX Coordinator will oversee the Informal Resolution process and make the final determination on all Informal Resolutions facilitated by the Title IX Coordinator or designee regarding whether the terms agreed to by the Parties are appropriate in light of all of the circumstances of the Formal Complaint.

The Informal Resolution process will be completed prior to any determination of responsibility being made, but no later than 60 Working Days after both Parties provide voluntary, written consent to participate in the Informal Resolution process.

The University may not require the Parties to participate in an Informal Resolution process under Addendum B, nor may a Party be required to waive their right to the investigation and adjudication of a Formal Complaint as a condition of enrollment or employment, or continuing enrollment or employment.

The terms of any Informal Resolution must be put in writing and signed by the Parties, and the Title IX Coordinator. Prior to signing the Informal Resolution, the Title IX Coordinator will consult with the Student Conduct Administrator and/or other appropriate University Administrator responsible for the implementation of the terms. Use of electronic signatures is permitted.

Any agreed-upon Remedies and disciplinary sanctions will have the force and effect of sanctions imposed following a hearing.

The resolution will be final and not appealable by either party.
INVESTIGATIVE PROCEDURES

The Title IX Coordinator will either promptly investigate the Formal Complaint or assign this task to another Investigator. If assigned to another Investigator, the Title IX Coordinator will monitor, supervise, and oversee all such delegated tasks, including reviewing all investigation draft reports before they are final to ensure that the investigation is sufficient, appropriate, impartial, and in compliance with the relevant Executive Order, including Addendum B.

Gathering of Evidence

The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the University and not on the Parties. The Investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses or other sources. The Investigator will document the steps taken to gather evidence, even when those efforts are not successful. Parties should be aware that all evidence Directly Related to the investigation will be provided to the other Party, subject to the exceptions described below. The University cannot access, consider, disclose, or otherwise use a Party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the Party, unless the University obtains that Party’s voluntary, written consent to do so for a Formal Complaint process under Addendum B. The University will not restrict the ability of either Party to discuss the allegations under investigation or to gather and present Relevant evidence (for example, contacting a potential witness).

Advisors

Support Advisor-The Complainant and the Respondent may each elect to be accompanied by a Support Advisor to any meeting, interview, or proceeding regarding the allegations that are the subject of a Formal Complaint. The Support Advisor may be anyone, including a union representative from the Complainant’s or Respondent’s collective bargaining unit, an attorney, or, in the case of the Complainant, a Sexual Assault Victim’s Advocate. The Support Advisor may not answer questions regarding the subject matter of the investigation for the Complainant or the Respondent or speak on behalf of a Complainant or Respondent. However, the Support Advisor may observe and consult with the Complainant or Respondent.

Hearing Advisor-The Complainant and Respondent must have a Hearing Advisor at the hearing. A Hearing Advisor will be responsible for asking the other Party and any witnesses all Relevant questions and follow-up questions, including those that challenge credibility, during the hearing. During a hearing, Parties may not ask questions of the other Party or any witnesses. Questioning at the live hearing will be conducted directly, orally, and in real time by the Party’s Hearing Advisor of choice or a Hearing Advisor provided by the University if the Party does not have a Hearing Advisor. The Hearing Advisor may be the same person as the Support Advisor. A Party may have both a Support Advisor and a Hearing Advisor present at a hearing. If a Party does not have a Hearing Advisor to perform questioning during the hearing, the University shall provide the Party with a Hearing Advisor for this purpose.
The Title IX Coordinator or Investigator will explain to the Complainant and Respondent that they may request that their Support Advisor, if any, be copied on communications during the Formal Complaint process. Any such request will be in writing to the Title IX Coordinator or Investigator and should include the Support Advisor’s name and contact information. The Title IX Coordinator or Investigator will also explain that Support Advisors will receive a copy of the evidence and Final Investigation Report, unless the Party specifically directs in writing that this information should not be sent to their Support Advisor. Although reasonable efforts will be made to accommodate Hearing Advisors and Support Advisors, undue delays affecting the complaint resolution timeline will not be permitted. Disruptive, abusive, or disrespectful behavior also will not be tolerated. At the discretion of the Investigator or Title IX Coordinator during meetings or interviews and of the Hearing Officer during hearings, a Hearing Advisor or Support Advisor who engages in disruptive, abusive or disrespectful behavior will not be permitted to participate. If a Hearing Advisor is excused during a hearing, the University will either provide a Party with another Hearing Advisor or allow the Party to obtain another Hearing Advisor. It is within the Hearing Officer’s discretion to proceed with or postpone the hearing in order to address the situation.

Notice of Meetings, Interviews and Hearings

Parties will be provided written notice of the date, time, location, names of participants, and purpose of all meetings and investigative interviews at which their participation is expected. This written notice should be provided with at least 3 Working Days for the Party to prepare to participate in the meeting or interview. This requirement will not apply where a Party themselves requests to meet with the Title IX Coordinator or Investigator or as addressed in Article VI of Addendum B.

If a Party requests to meet sooner than 3 Working Days after receipt of written notice of an investigative interview or meeting, they should verbally confirm at the start of the interview or meeting that they are aware that they were provided notice of at least 3 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

Review of Evidence

Before issuing a final investigation report (Final Investigation Report), the Investigator will send to the Complainant and Respondent, and their respective Support Advisors, all evidence (including evidence upon which the University does not intend to rely) obtained as part of the investigation that is Directly Related to the allegations raised in the Formal Complaint (Preliminary Investigation Report). This includes inculpatory or exculpatory evidence whether obtained from a Party or other source, redacted if required by law.

Each Party will be given a minimum of 10 Working Days for the initial Review of Evidence to respond to the list of disputed facts and evidence and submit additional questions for the other Party and witnesses. This timeframe may be extended at the discretion of the Title IX Coordinator (either on their own or in response to a Party’s request). The extension must be made available to both Parties, who must be notified as such. During the Review of Evidence, each Party may:

- meet again with the Investigator to further discuss the allegations;
identify additional disputed facts;
respond to the evidence in writing;
request that the Investigator ask additional specific questions to the other Party and other witnesses;
identify additional relevant witnesses; or
request that the Investigator gather additional evidence.

Final Investigation Report After the Review of Evidence phase is concluded, the Parties will receive a Final Investigation Report that will summarize all Relevant evidence (inculpatory and exculpatory), including additional Relevant evidence received during the Review of Evidence. Any Relevant documentary or other tangible evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator will be attached to the Final Investigation Report as exhibits. As part of an Informal Resolution, at the request of both Parties, Campuses will provide a written preliminary assessment of the evidence by the Title IX Coordinator. Neither the fact nor the substance of the assessment will be shared with the Hearing Officer or considered Relevant at the Hearing. The Final Investigation Report shall be sent to the Parties and their respective Support Advisors, if any, in electronic format (which may include use of a file sharing platform that restricts the Parties and any Support Advisors from downloading or copying the evidence) or hard copy. The Parties and their Support Advisors will be provided 10 Working Days to review and provide a written response to the Final Investigation Report. Campuses will inform Parties not to include any reference to the preliminary assessment and that any such references will be redacted. The written response will be attached to the Final Investigation Report and provided to the Hearing Officer, if appropriate, and the Parties. Any references to a preliminary assessment, assuming one was requested, will be redacted from this written response. No documentation should be provided to the Hearing Officer if an Informal Resolution is reached.

Timeframe for Completion of Investigation

Absent a determination of good cause made by the Investigator or Title IX Coordinator (of which the Parties will receive written notice): (i) the investigation should be concluded within 100 Working Days from the date that the Notice of Allegations is provided to the Parties; and (ii) the Final Investigation Report should be completed and provided to the Parties within 10 Working Days after the Review of Evidence has concluded. Extensions may be granted, and notice to the Parties given, as set forth in Article V. E. of EO 1096 and EO 1097. Within 10 Working Days after the Parties have been provided the Final Investigation Report, the Parties will be informed of the timelines that will apply to the pre-hearing and hearing processes described in Article IX below. The Parties will be required to provide the name and contact information for their Hearing Advisor within 5 Working Days after notice of the hearing timeline.

Hearing Procedures

A Hearing Coordinator, (either the Student Conduct Administrator, Title IX Coordinator, or other appropriate Administrator) will be responsible for coordinating the hearing process. The Hearing Coordinator’s duties will include: scheduling the hearing; notifying witnesses of the hearing; ensuring that the Hearing Officer is provided
with appropriate materials including a copy of the report and any exhibits; coordinating videoconferencing (if necessary); and securing a location for the hearing. The Hearing Coordinator will also act as liaison between the Parties and the Hearing Officer on procedural matters.

The Parties will be given written notice of the date, time, location, participants, and purpose of the hearing, as well as the identity of the Hearing Officer. Notification of the hearing will be sent to the designated CSU campus e-mail address, unless the recipient has specifically requested in writing to the Hearing Coordinator that notice be given to a different e-mail address. Communications from the Hearing Coordinator will be deemed received on the date sent. The hearing will not be set sooner than 20 Working Days after the date of notice of hearing.

Any objections to an appointed Hearing Officer must be made in writing to the Hearing Coordinator within 5 Working Days after notice of the identity of the Hearing Officer has been communicated to the Parties. The objection may only be based on an actual conflict of interest. A conflict of interest exists if the Hearing Officer has a personal relationship with one of the Parties or witnesses or has demonstrated actual bias towards a Party or witness. The fact that a Hearing Officer has previously served as a Hearing Officer in a University proceedings will not constitute a conflict of interest. The Hearing Coordinator will determine if a conflict of interest exists. In that event, the Parties will be notified in writing of the name of the new Hearing Officer. The date for the hearing may need to be rescheduled. Any objection to the new Hearing Officer will be made in accordance with this section.

No later than 15 Working Days before the hearing, each Party may: a. Provide to the Hearing Coordinator a proposed witness list that includes the names of, and current contact information for, that Party’s proposed witnesses as well as an explanation of the relevance of each proposed witness’s testimony and the disputed issue to which the witness’s testimony relates. No later than 10 Working Days before the hearing, the Hearing Coordinator will share a final witness list with the Parties and notify each witness of the date, time and location of the hearing.

Witnesses will be directed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the Hearing Coordinator. No later than 5 Working Days prior to the hearing, the Parties may submit a list of proposed questions to the Hearing Coordinator. The questions will be provided to the Hearing Officer. Parties are strongly encouraged to provide questions in advance of the hearing in order to streamline the hearing process and provide the Hearing Officer an opportunity to resolve relevancy concerns prior to the hearing. The proposed questions will not be shared with the other Party.

Determination regarding responsibility

After the hearing, the Hearing Officer will make written findings of fact and conclusions about whether the Respondent violated Addendum B with respect to the definition of Sexual Harassment.
The standard of proof the Hearing Officer will use is whether each allegation is substantiated by a Preponderance of the Evidence. The Title IX Coordinator will review the Hearing Officer’s Report to ensure procedural compliance with Addendum B.

The Hearing Coordinator will Simultaneously send the Hearing Officer’s Report promptly to the Parties, the Title IX Coordinator, and the appropriate University Administrator, usually within 15 Working Days of the close of the hearing.

If no violation of the addendum is found, the president (or designee) will be notified along with the Parties. The notification will include the outcome of the hearing, a copy of the Hearing Officer’s Report (redacted as appropriate or as otherwise required by law) and notice of the Complainant’s and Respondent’s right to appeal to the Chancellor’s Office.

If a violation of the addendum is found, within 5 Working Days of receiving such finding the Parties may submit to the Hearing Coordinator an impact statement or other statement regarding discipline that is no more than 2000 words in length. The document is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the Hearing Officer to consider. The Student Conduct Administrator and/or appropriate University Administrator responsible for discipline and Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors that provides a recommendation regarding the disciplinary outcome, including information regarding prior disciplinary outcomes for similar conduct and whether the Respondent was previously found to have violated university policy.

Within 5 Working Days after receiving and considering any impact or other statements submitted by the Parties and other statements described above, the Hearing Officer will submit the Hearing Officer’s Report to the president (or designee). The Hearing Officer’s Report will be amended to include a statement of, and rationale for, any recommended disciplinary sanctions to be imposed on the Respondent (“Final Hearing Officer’s Report”). The Final Hearing Officer’s Report will attach the Final Investigation Report.

In cases where the Hearing Officer has found a violation of policy, the president (or designee) will review the Final Investigation Report and the Final Hearing Officer’s Report and issue a decision (“Decision Letter”) concerning the appropriate sanction or discipline within 10 Working Days of receipt of the Final Hearing Officer’s Report.

PRESIDENT’S SANCTION DECISION/NOTIFICATION

The president (or designee) may impose the recommended sanctions, adopt a different sanction or discipline, or reject sanctions or disciplines altogether. If the president (or designee) adopts a sanction other than what is recommended by the Hearing Officer, the president (or designee) must set forth the reasons in the Decision Letter.

The president will simultaneously send the Decision Letter electronically to the Respondent and Complainant at the University-assigned or other primary e-mail address linked to their University accounts. The decision letter will also be sent to the Student Conduct Administrator or other appropriate University Administrator responsible for Employee discipline and the Hearing Officer.

The determination regarding responsibility and any sanctions become final either on the date that the Chancellor’s Office provides the Parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely (11 working days after the date of the decision letter).

APPEAL OF PRESIDENT'S SANCTION

Filing an Appeal to the Chancellor’s Officer. Any Complainant or Respondent who is not satisfied with a Formal Complaint Process outcome (determination regarding responsibility or recommended sanction) may file an appeal with the Chancellor’s Office (CO) no later than 10 Working Days after the date of the Decision Letter. All arguments and/or evidence supporting the appeal must be submitted by the deadline to file the appeal. Evidence/arguments submitted after the appeal submission deadline will not be considered by the CO.

The appeal must be in writing and may be based only on one or more of the grounds for appeal listed below: the hearing outcome is not supported by substantial evidence (in other words, there was no reasonable basis for such findings or conclusions); a procedural irregularity occurred that affected the outcome of the matter; new evidence that was not reasonably available at the time of the hearing and would have affected the Hearing Officer’s decision about whether the Respondent violated the Executive Order, including addendum B; the Title IX Coordinator, Investigator, or Hearing Officer had a Conflict of Interest or Bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome of the matter; and the sanction(s) imposed as part of the outcome of the Formal Complaint process constituted an abuse of discretion based on the substantiated conduct.

Issues and Evidence on Appeal. The issues and evidence raised on appeal will be limited to those raised and identified during the Campus hearing, unless new evidence becomes available that was not reasonably available at the time of a Campus hearing that could affect the outcome of the matter and is submitted by the appealing party. The CO may communicate, at the CO’s discretion, with the appealing party, the responding party, and/or the Campus to clarify the written appeal. Appeals will be addressed to:

Equal Opportunity and Whistleblower Compliance Unit Systemwide Human Resources Office of the Chancellor 401 Golden Shore, 4th Floor Long Beach, California 90802 eo-wbappeals@calstate.edu

Electronic submission to the email address listed above is the preferred method of submitting appeals.

The CO will provide prompt written acknowledgement of the receipt of the appeal to the appealing Party, and will provide prompt written notification of the appeal, including a copy of the appeal, to the non-appealing Party and the Campus Title IX Coordinator. The notice will include the right of the non-appealing Party and the Campus to provide a response to the appeal within 10 Working Days of the date of the notice. The appeal and appeal response shall be limited to 3,500 words, excluding exhibits.
REGISTERED SEX OFFENDERS

California’s sex offender registration laws require convicted sex offenders to register their status with the University police department if they are enrolled, residing, attending, carrying on a vocation (i.e. contractor or vendor on campus for more than 30 days in the year), or working with or without compensation for the institution. All public information available in California about registered sex offenders, to include the ability to look-up offenders by name, residence address, and zip code, is on the California Department of Justice Megan's law web site at: [http://www.meganslaw.ca.gov/](http://www.meganslaw.ca.gov/).

EMERGENCY NOTIFICATION

The University will issue emergency notifications, without delay, in response to a confirmed significant emergency or a dangerous situation, occurring in the Clery defined on campus geography that, in the judgment of the University, constitutes an immediate threat to the health or safety of members of the on-campus community.

Once UPD has received the report, the Chief of Police, (or management designee in the absence of the Chief), will confer with the appropriate public official (e.g., fire chief, health department) and any campus officials responsible for managing the on-campus emergency, if available, to confirm both: 1) an emergency or dangerous situation in fact exists in on-campus geography; and 2) the emergency or dangerous situation poses an immediate or imminent threat to members of the on-campus community.

If both of the above factors are not met, no emergency notification will be issued.

If it is determined that both of the above factors are met, then an emergency notification will be issued to the community. The Chief of Police (or management designee in the absence of the Chief), will confer with the Clery Director if one is designated and if available, to prepare the content of the notification considering the safety of the on-campus community. They will also determine, based on the confirmed facts of the emergency, if the entire campus community or only a specific segment of the on-campus community is threatened and need to be notified. Examples of emergencies where only a segment might be alerted would be a fire contained in a dorm laundry room where only the residents of that one dorm floor or of that one dorm building are at risk and need to evacuate, or a chemical spill in a lab where only the one room, floor, or the occupants of that one building are at risk and need to evacuate.

Once the notification is prepared, the Chief of Police or the Clery Director if one is designated, or in their absence, the management designee(s) will, without delay and considering the safety of the community, transmit the emergency notification unless doing so would delay the ability to mitigate and/or contain the emergency, including the ability to provide immediate, life saving measures.

Distribution methods of emergency notifications may include but are not limited to one or more of the following methods:

- The campus mass notification system, including but not limited to phone, campus email, or text messaging
- Audio/visual message boards
• Audible alarms/sirens
• Campus public address systems
• In person or door-to-door notifications in a building or residence halls
• Other means appropriate under the circumstances

Student and employees who need information on how to add contact information to be included for emergency notification or to remove information and “opt out” of notifications should visit
or call the campus Emergency Coordinator at (310) 243- 2751 for assistance.

The Chief of Police or the Clery Director, if one is designated, or in their absence, the management designee(s) will provide follow-up notifications and information until the emergency is mitigated and no longer poses a threat.

If an emergency notification is issued, a timely warning will not be issued to the community for the same incident.

TESTING THE EMERGENCY NOTIFICATION SYSTEM

Testing of the Emergency Notification System and evacuation will be done at least once annually. The tests may be announced or unannounced. Tests must be scheduled, contain drills, exercises and appropriate follow-through activities, and be designed for assessment and evaluations of emergency plans and capabilities. However, at least one test will be publicized in conjunction with the campus’ emergency response and evacuation procedures. Each test will be documented to include a description of the exercise, the date of the test, the start and end times of the test, and whether the test was announced or unannounced.

MISSING STUDENT NOTIFICATION

CSUDH Missing Student Notification & Response Policy
California State University, Dominguez Hills defines a “missing student” as any enrolled student currently registered as residing in University Housing who has not been seen by friends, family, staff, faculty or associates for a reasonable length of time, and whose absence has been brought to the attention of University Police. This policy focuses only on students residing in on-campus student housing and it is provided to all CSUDH residential students in compliance with the federal Clery Act as amended by the Higher Education Opportunity Act of 2008.

Missing student reports on campus often result from a resident changing his or her routine without informing roommates and/or friends and family of the change. The primary objective of The University when responding to a report of a missing student is to establish contact with the individual, to ensure his/her well-being, and to offer appropriate support and assistance. If an absence has occurred under circumstances that are suspicious or cause concern for safety, efforts will be made immediately to contact the student to determine his or her state of health and well-being.

Confidential contact information
University Housing provides a secure electronic form for all residential students to register confidential contact information to be used only in the event CSUDH University Police determines them to be missing or another law enforcement agency informs the University they are considered a missing person. This specific confidential
contact information is requested separately and stored separately from other general emergency contact information collected from students by The University. This confidential information will not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation.

If a campus resident may be missing
Anyone who has reason to believe a student is missing should immediately notify University Police at 310-243-3639. When a report of a missing residential student is received by University Police, a preliminary investigation will be initiated. In most cases, University Police and/or University Housing will initially attempt to locate a student by checking the student’s on-campus residence and/or trying to reach the student using any contact information they registered with University Housing. If the student’s absence is verified, the University will attempt to notify any contact person(s) designated by the student. If the student is under 18 years of age and not an emancipated individual, the University will notify the custodial parent or guardian of the student as well as the confidential contact person(s) designated by the student.

Upon notification, the University Police Department will make inquiries within the University and, if need be, outside the University setting. If the University determines that the circumstances of the missing student require a police investigation, the University Police Department will conduct a preliminary investigation and notify the local law enforcement agency (Los Angeles County Sherriff Department, Carson). If the Sheriff Department determines that the student should be classified as a missing person, they will take the lead in conducting a joint investigation; per the Administrative Agreement between the California State University, Dominguez Hills Police Department and the Los Angeles County Sheriff Department dated July 1, 2018. The University will support their investigation by providing whatever technical support is appropriate, including notices, photos, schedules, and any other information relevant to the search for the missing student.

If a missing student is located or returns to campus at any time after the matter has been reported, University Police and University Housing staff will attempt to ensure other parties involved have been notified of the student’s status.

Procedures for reporting any missing person ON campus:
Any CSUDH employee, student, or other member of the University community with information regarding any alleged missing person should immediately report it to University Police by calling 310-243-3639 or by contacting the department in person at Welch Hall B-100, CSUDH, 1000 E.
