- Remain calm and on the floor in which your office is located.
- Contact University Police or the Facilities Department at (310) 243-3804 to report the power outage. Obtain information on the scope of the outage and its projected duration.
- Use auxiliary light supplies (such as flashlights or cell phone lights) conservatively.
- Unplug all electrical equipment that is not protected by surge protectors, and turn off your office lights switches. When the power returns, there may be a power surge which could damage equipment.
