

MEDICAL EMERGENCY

If a CSUDH employee, visitor, or contractor becomes ill or injured while on campus, do the following:

-
1. Call 9-1-1. Dialing 911 from a campus phone will connect you to the University Police Dispatcher.
 2. Do not remove the injured or ill person unless relocation is necessary to prevent further injury.
 3. Post a person near the entrance or elevator to escort emergency personnel and paramedics.
 4. Notify the employee's supervisor of the incident.
 5. Accompany the injured or ill person to the Student Health Center or to a hospital if medical treatment needs to be provided off-campus.
