

**SUPPLEMENTARY INFORMATION FORM (SIF)  
INSTRUCTIONAL FACULTY**

Each tenure-track faculty member who undergoes evaluation for Reappointment, Tenure, or Promotion (RTP) must submit a Working Personnel Action File (WPAF) for the use of RTP evaluators. The Supplementary Information Form (SIF), together with supporting documents will be the core of the WPAF. By submitting the WPAF electronically, faculty undergoing RTP grant permission to evaluators to access and review their file. After completion of the review process, the SIF will be retained in the Personnel Action File.

**Below are some guidelines for preparing the SIF:**

1. In addition to the WPAF, evaluators will access your previous RTP review packet (i.e. recommendation letters, CV, SIF).
2. Please note, at the discretion of the evaluators, he/she may choose to view your hardcopy Personnel Action File which contains previous RTP recommendation and decisions, sabbaticals and other leaves, honors and awards, as well as a log of individuals that have reviewed your file.
3. Effective Fall 2017, the Office of Faculty Affairs and Development will no longer print Perceived Teaching Effectiveness (PTE) evaluations. You are required to upload your selected courses to Interfolio.
4. While completing the SIF, be as explicit as possible, because the recommendations made by RTP evaluators are based upon information in the WPAF and the SIF.
5. Follow the instructions in each section of the SIF as indicated in Interfolio.
6. **Provide supporting evidence.** Such evidence would include copies of works published or submitted for publication, correspondence with editors, or exhibition announcements or photographs.
7. Supporting materials should accompany the SIF, not to be contained **within** it. Use the sections in the template to help your organize your packet. Arrange supporting documents to correspond with the order of evaluation categories (e.g. 1.2, 3.4).
8. Upload course materials that are a good representation of your work.
9. You are responsible for keeping a copy of the SIF and other documents submitted with the WPAF.
10. The examples given in the various categories of the SIF are intended to serve as a guide. You may organize your packet as you see fit.
