

Tips on Creating Effective

ORAL & POSTER PRESENTATIONS Workshop

CSUDH's annual Student Research Day is just around the corner! Join this workshop to learn tips on how to create effective poster and oral presentations for any research conference presentation. Your presentation is a continuation of your hard work and should be created successfully to showcase your research findings in a compelling way. Topics will include presentation content, organizational strategies, effective visual aids, and guidelines.

Facilitated by Monique Turner, Steven Frieze and Erin Barrett, Department of Psychology

JAN 31

5:30 - 6:45 PM
