

The Office of Undergraduate Research and Writing Center presents...

*Tips on Creating Effective*  
**ORAL & POSTER**  
**PRESENTATIONS**  
*Workshop*

Join this workshop to learn tips on how to create effective poster and oral presentations. CSUDH's annual Student Research Conference is just around the corner! Your presentation is a continuation of your hard work and should be created successfully to showcase your research findings in a compelling way. Topics will include presentation content, organizational strategies, and effective visual aids, meeting poster guidelines and preparing a 2-3 minute pitch.
