Dear University Housing Resident:

If you are receiving Financial Aid for Spring 2020 and wish to defer your spring Housing fees until your award is disbursed, you may do so by completing Page 2 of this form and returning it to the Housing office in Building A by December 13, 2019 at the latest.

If you owe any past due fees for Fall 2019, those fees MUST be paid IN FULL by December 13, or your 2019-20 Housing Contract could be cancelled, and you will be asked to vacate your apartment at the end of fall semester. You CANNOT defer any past due Fall 2019 rental fees to your Spring 2020 financial aid.

*** IMPORTANT - PLEASE READ THE FOLLOWING CAREFULLY ***

- Housing fees in the amount you indicate on Page 2 of this form will be deducted automatically from your Financial Aid award, i.e., before a refund is issued to you by the Financial Aid Office.

- If you choose to have your Housing fees deferred until your Financial Aid is disbursed, the FULL amount due for Spring 2020 will be charged to your account and deducted from your spring award. This is regardless of the payment plan you may have had in the fall.

- If the amount of your disbursement AFTER tuition fees have been deducted is LESS than the rental fees you owe, then the entire balance of your disbursement will go to Housing, i.e., you will not get a Financial Aid refund. **You will then be responsible for paying the difference IN FULL.**

Please keep in mind that by choosing to defer, tuition and Housing fees may absorb most, if not all, of your Financial Aid award. If you have any questions or concerns, please call the Housing office at (310) 243-2228.

Sincerely,

Ayesha Marcel
