Introduction

The Screen Applicants Business Process Guide will provide a high level overview of how to manage Screen Applicants within the Recruiting Module.

The Screen Applicants Process is used to find those applicants who are best suited for a particular job opening. In general, the HCM 8.9 Business Process Guides should be used in the following order:

- Create and Manage Job Openings
- Applicants Apply for openings
- Find Job Openings and Applicants
- Screen Applicants
- **Print Applications and Resumes**
- Manage Applicant Interviews (Interview Teams)
- Manage Offers (HR)
- Prepare for Hire (HR)
- Hire Applicants (Payroll)

The guide listed in bold is the guide you are working on now.

Processing Steps

Find Job Openings

Navigation: Recruiting > Find Job Openings

- Enter the Job Opening ID number
- Click Search

Note: the status should be 'Open'

Find Job Openings

Enter Search Criteria

Print Resumes

Navigation: Recruiting > Find Job Openings

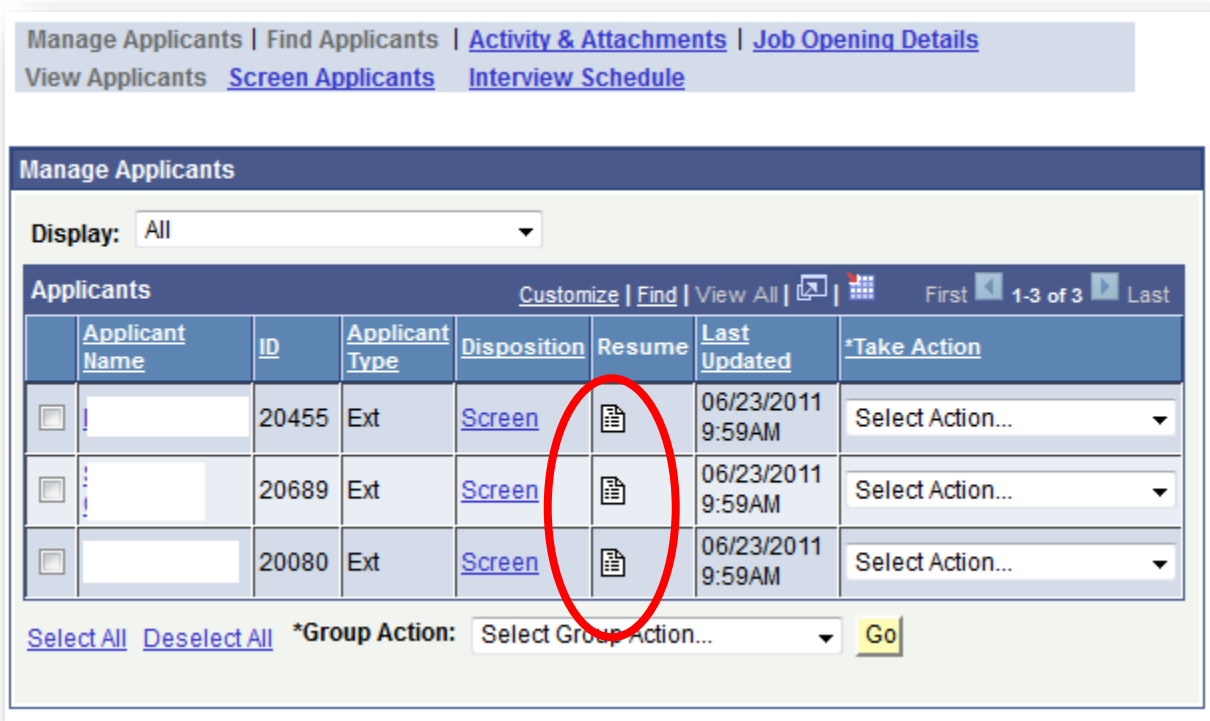

Follow the instructions on how to find a job opening on page two (2)

- Click the resume icon of the Applicant you'd like to view/print

Note: Resumes can only be viewed / printed one at a time. If you have difficulty viewing a resume please contact HR.

When using Internet Explorer:

If your pop up blockers are blocking the document from opening, hold down your CTRL key while you click until the document opens.
