

GLOBAL STUDIES

Within IDS/PACE, the concentration in **Global Studies** focuses on critical knowledge and awareness of world political, economic, social, cultural, and ecological systems. The concentration familiarizes students with leading debates in the field, including those around poverty, militarization, cultural independence, development, and global justice. **Global Studies** provides students with analytical tools for understanding and articulating world contemporary issues.

SEE **SAMPLE** PROGRAM BELOW...ACTUAL CLASS SELECTIONS MAY VARY
