### ***Notes about selection criteria***

IPEDS reporting differs from local reporting in the following ways:

- 1) IPEDS includes 2nd baccalaureates in undergraduate student enrollment, whereas the campus includes 2nd baccalaureates in post/baccalaureate (graduate) student enrollment.
- 2) IPEDS includes freshmen entering with greater than 29 college units earned in high school as first-time, whereas the campus excludes students entering with greater than 29 units earned in high school from first-time freshmen counts.
- 3) IPEDS calculates ethnic percentages using all ethnic groups in the base, whereas the campus calculates ethnic percentages using only reported ethnicities, which excludes "race/ethnicity unknown" and "non-resident alien" categories.
