CREATING A TURNITIN ASSIGNMENT

1. Navigate to where you want the assignment to be created. **RECOMMENDATION: COURSE CONTENT, MODULES, ETC.**

2. Go to BUILD CONTENT > TURNITIN.

3. At the Turnitin assignment page, enter a **TITLE, INSTRUCTIONS (optional), POINT VALUE** and set the **START DATE, DUE DATE, and FEEDBACK RELEASE DATE**.
   
   TO SEE MORE OPTIONS FOR THE ASSIGNMENT, CLICK ON THE OPTIONAL SETTINGS LINK. OPTIONAL FEATURES ARE DISCUSSED IN ADVANCED TRAINING SESSIONS.

4. Click **SUBMIT** to add the Turnitin Assignment to the course.
5. Check to see that the assignment is in the correct location.
EDITING ASSIGNMENT SETTINGS

ASSIGNMENT NAME, POINTS, DUE DATE, AND DESCRIPTION

To edit the Turnitin assignment’s name, point value, due date, and instructions, click the chevron icon next the assignment’s name and select Edit.

On the next page, make the necessary adjustments and click Submit found on the lower right.

START DATE

To edit the Turnitin assignment’s start date, click the chevron icon next the assignment’s name and select Adaptive Release.

On the next page, adjust the date and time under “display after” and click Submit on the lower right.
