HOW DO I VIEW TURNITIN FEEDBACK?

Viewing feedback for an assignment in Turnitin requires revisiting the Turnitin assignment, checking the feedback release date and clicking the Instructor Feedback button in Turnitin. If the Turnitin link is not available, feedback can also be viewed through the My Grades page (see page 2).

REVISIT TURNITIN ASSIGNMENT

To view feedback for a submitted assignment in Turnitin, revisit the Turnitin assignment and click the assignment’s title.

IF THE TURNITIN LINK IS NOT AVAILABLE, FEEDBACK CAN ALSO BE CHECKED VIA MY GRADES.

VERIFY FEEDBACK RELEASE DATE

In the Turnitin assignment dashboard, click the question mark icon 🤔 to view the feedback release date. Feedback will only become available after the feedback release date.

INSTRUCTOR FEEDBACK, SCORE, AND ETS RATER (IF AVAILABLE) DISPLAY IN TURNITIN AFTER THE FEEDBACK RELEASE DATE.
After the feedback release date, click the score under grade to view instructor feedback.

Wait for Turnitin Feedback Studio to load.

**CHECK FEEDBACK USING MY GRADES**

If the Turnitin link is not available, feedback can also be checked through the My Grades page.

To view the feedback through My Grades, go to the course menu and click Tools.

Click My Grades.

In the My Grades page, locate and click the name of the Turnitin Assignment.

Wait for Turnitin Feedback Studio to load.
VIEW FEEDBACK

To view feedback in Turnitin Feedback Studio, click the Instructor Feedback button found on the right. This will open the Instructor Feedback pane.

Additionally, the blue colored tags, known as “quickmarks,” may be added to a document. If found in a submission, click the quickmarks to display additional feedback.
