VIEW FEEDBACK

To view feedback in Turnitin Feedback Studio, click the **Instructor Feedback** button  found on the right. This will open the Instructor Feedback pane.

The screenshot displays the Turnitin Feedback Studio interface. The top navigation bar includes the 'feedback studio' logo, the user name 'Elmer', the document title 'CSUDH Turnitin Demo 2', and a score of '10 /10'. A red-bordered 'Instructor Feedback' pane is open on the right side, containing a 'View Rubric' button and a 'Text Comment' section with the following text: 'Very comprehensive information related to the history of lorem ipsum.', 'My recommendations are related to formatting. Please click on the blue tags, on your submission, for more information.', and 'Good job!'. The main document area on the left contains text with several blue 'Bold' tags. Three red callout boxes with arrows point to specific elements: 'Click to display Instructor Feedback pane' points to the blue speech bubble icon in the right-hand toolbar; 'Instructor Feedback pane' points to the right-hand pane itself; and 'Click to display additional information' points to a blue speech bubble icon located directly below a 'Bold' tag in the document text.

Additionally, the blue colored tags, known as “**quickmarks**,” may be added to a document. If found in a submission, click the **quickmarks** to display additional feedback.
