**ELIGIBILITY:** Any interested high school graduate, college student, and individuals 21 years of age or over, may enroll for Extension Study. Formal admission to the college is not required. However, registration for courses may be limited to those who have completed certain prerequisites, or who can demonstrate to the instructor's satisfaction equivalent preparation for upper division work.

**STANDARDS:** Work in credit courses in extension adheres to the academic standards of the college. All the activities usually associated with the regular college coursework are integral parts of the extension credit instructional program.

**EXTENSION FACULTY:** Extension faculty are either members of the resident faculty of the college or highly qualified persons approved by the resident faculty. In all cases, they are requested to explain to students the scope, content and organization of their courses, and to be explicit with regard to objectives and grading standards.

**REGISTRATION:** Pre-registration is suggested for all classes. By completing the pre-registration form and returning it with the required fees, the student is assured of a place in the class. Registration may, however, be accomplished at the first meeting of most extension classes by completing and returning a registration form with the required fee to the instructor or a representative from the Office of Extended Programs.

**FEES:** Registration fees for extension classes are normally \$22 per unit. The fees for each course are listed in this announcement. The fees are the same for residents and non-residents. Payment may be made by check, money order, BankAmericard draft, written to CSCDH in the exact amount required. Registration will not be considered complete until the check has been honored by the bank on which drawn. Veterans' benefits may be applied to extension courses.

**STUDENTS ELIGIBLE FOR VETERANS BENEFITS:** Contact the Veterans' Office on campus for assistance with your registration - 532-4300, extension 362.

**EXTENSION GRADING PROCEDURES:** Unless a course is offered for a grade of Credit/No-Credit only, all extension courses are offered for letter grades. However, an undergraduate student in an extension class offered for letter grade may choose to be graded on the Credit/No-Credit basis by informing the instructor in writing at the beginning of the class.

## COURSE NUMBERS:

- 100-199 Lower division courses
- 200-299 Upper division courses
- 300-399 Graduate professional extension courses
- 400-499 Graduate level extension courses
- 800-899 Extension courses granting credit for professional or off-campus purposes only
- 900-999 Non-credit extension courses

**COURSE CANCELLATION:** The usual minimum enrollment in extension classes is twenty students. Classes with fewer than twenty students may be continued upon approval of the Office of Extended Programs.

**PARKING:** Since regular college classes will be in session, parking permits will be required for on-campus classes.

**CREDIT FOR EXTENSION COURSES:** The maximum extension (and/or correspondence) credit which may be used toward bachelor's degree requirements at California State College, Dominguez Hills, is 36 units. Extension work is considered the same as transfer credit.

**LIBRARY SERVICES:** Library facilities available upon request.

**TEXTBOOKS:** Textbooks may be purchased in class.

**WITHDRAWAL:** To avoid receiving a failing grade, students who withdraw from class must do so by filling out an official withdrawal card. These cards may be obtained from the Office of Extended Programs. Please note the deadline for withdrawal for your class.

**REFUND OF FEES:** Refunds are granted in accordance with the state refund schedule.

- .. If an extension course is discontinued, the entire registration fee will be automatically refunded.
- .. If a student withdraws after the first class (before the first 25% of the course has elapsed), 65% of the total fee will be refunded.
- .. After 25% of the course time has elapsed, no refund will be made.
- .. Courses of four meetings duration or less, no refund.

**IMPORTANT!** The time of withdrawal is determined by the date by which the Office of Extended Programs, California State College, Dominguez Hills, received written notification of the student's withdrawal.

**AUDITORS:** Students may audit extension courses with the instructor's approval. Auditors are required to pay the same fees as those taking the course for credit.
