## Registration and Tuition

### Who May Register

College students, graduates of high school, or individuals sufficiently knowledgeable to profit from college courses may register for Summer Sessions. High school juniors and seniors, with letters of recommendation, may enroll in lower-division courses (see details on page 5).

If you are a visiting student, it is especially important that you read the section on classification and numbering of courses. Descriptions of the courses are available in the University Catalog found in the University Bookstore.

Registration in CSUDH Summer Sessions courses does not constitute admission to the University as a regular student. If you are interested in admission to the University, inquire or apply at the University Information and Service Center, Small College Complex A-130, (213)516-3696.

### How to Register

Registration in CSUDH Summer Sessions is simple, and in most cases can be completed entirely through a mail-in procedure. Formal application to the University is not necessary, and transcripts are not required.

Some Summer Sessions courses, however, have prerequisites or special qualifications which are noted in the Schedule of Courses. In certain cases, before the request to register can be processed, permission to enroll in a course must be obtained from the instructor or departmental office, or students may be asked to provide proof of completion of prerequisites.

To attend Summer Sessions classes, registration for courses must be completed, including full payment of fees, by the appropriate deadline dates (refer to Calendar on page i). If you are registering for both Summer Sessions and University Extension courses, please use separate registration forms and write separate checks.

### To Register By Mail:

Complete the Summer Sessions Registration Form on the inside back cover of this Bulletin and mail it to:

**CSU Dominguez Hills  
Summer Sessions Office  
1000 E. Victoria Street  
Carson, California 90747**

Include your check, money order or credit card information; do not send cash. The deadline for Mail-In Registration is May 18, 1990, two weeks before the First Session begins (consult calendar on page i.)

### To Register By FAX:

FAX your complete Summer Sessions Registration Form (inside back cover) and your credit card information to (213) 516-3971.

You can register in person at the Summer Sessions Office located on the CSU Dominguez Hills campus, SCC B-141. The Summer Sessions Office accepts check, money order, cash (exact change), VISA and MasterCard.

### Late Registration

(For adding courses to a program, see Add instructions.)

The late registration period begins the day after the first day of the Session and concludes June 15 for the First Session and July 6 for the Second Session. Completion of late registration is dependent upon availability of seats for each class and is subject to a \$25.00 late registration processing fee.

### Non-Standard Date or Off-cycle Courses

In order to register for a course which begins after the first week of either Session, the student must complete the late registration procedure by the second day of the class.

### Tuition and Fees

Fees and refunds are subject to change by the Trustees of the California State University. Full payment of all tuition and fees must be made at the time of registration or adding a course. Payment of tuition and fees may be made by check, money order, cash (except mail-in registration) and VISA or MasterCard. Checks and money orders are payable to CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS. Until total fees are paid, registration is not valid.

## Add/Drop/Withdrawal

### Adding Courses

To add a class before the start of the Session, submit your completed Add/Drop Form and the additional tuition to the registrar in the Summer Sessions Office.

To add a course after the start of the Session, you must file a Change of Program form available in the Summer Sessions Office and have it signed by the professor for the class you want to add.

Courses may be added during the first two weeks of the session. The deadline for adding courses is June 15 for the First Session and July 6 for the Second Session.

Students may exchange one class for another within the same Session without penalty, if the unit and tuition value is the same.

If you will exceed a maximum unit load by adding courses, you also must submit a Petition to Exceed Maximum Units, available in the Summer Sessions Office (refer to policy on Maximum Unit Load).

### NTE (National Teacher Exam Core Battery) Test Preparation and Review

This prep session is designed to assist prospective teachers in preparing for the Core Battery of the NTE (Literature and Fine Arts, Mathematics, Science and Social Studies) by teaching techniques and strategies that will help students apply their skills and knowledge. A review of basic mathematics will be included. A one hour lunch break is given for each full-day class.

**STUDENTS MAY REPEAT THE CLASS AT NO CHARGE.**

### NTE Review for June 23 Exam

- 3 mtgs: Sat & Sun, Jun 9, 10, & 17, 9am -3:30pm

- \$125

For more information or to register for this course, please call the CSUDH Division of Extended Education at (213) 516-3741.

### Dropping/Withdrawing

Nonattendance in class, notifying the instructor or stopping payment on a check does NOT officially constitute dropping or withdrawing from a course. The Summer Sessions Office must be notified and appropriate form must be filled.

### Dropping a Course

If you decide to drop a course, you must file a Change of Program Form with the Summer Sessions Office. (If you are dropping all courses you enrolled in, follow withdrawal procedures.) Refer also to Refund policies.

**Drop, prior to first day of Session.** To drop a course before a Session begins, file a Change of Program form and an Application for Refund of Fees in the Summer Sessions Office.

**Drop, during the first two weeks of the Session** Summer Sessions students may drop or withdraw from a course prior to and during the first two weeks of a Session without permanent record of enrollment or "W" on transcript, and without the instructor's signature.

**Drop, third through fifth weeks of the Session** During the third and until the final week of the Session the instructor's and the school dean's or associate dean's signatures for each course are required on the change of program form to drop. Nonmatriculated or Summer-only students need the signatures of the instructor and the Dean of Extended Education.

*If a student drops or withdraws after the second week of a Session, a grade of "W" for the course(s) will appear on the student's permanent transcript.*

### Complete Withdrawal from Session

To withdraw from all courses, complete and submit a Withdrawal form, and, if you are eligible for a refund, an application for a refund of fees. Withdrawal forms are available in the Summer Sessions Office.

**Complete withdrawal, prior to first day of Session.** If you find it necessary to drop all of your courses before a Session begins, you must cancel your registration and you may be eligible to receive a full refund of fees, less a \$10 nonrefundable processing fee. A completed Withdrawal Form and a Refund Application must be received by the Summer Sessions Office by June 1 for First Session or by June 22 for Second Session.

**Complete withdrawal, during the first two weeks of the Session.** You may withdraw during the first two weeks without a record of enrollment and without the instructor's signature. Complete a Withdrawal Form and a Refund Application and submit these forms to the Summer Sessions Office by the end of the second week.

**Complete withdrawal, third through fifth week of the Session.** A grade of "W" for each course appears on the permanent transcript if student withdraws after the second week of the Session and is doing passing work. To withdraw from all courses after the second week of instruction, complete a Withdrawal form, obtain the signatures of the instructor and school dean (or Dean of Extended Education, if you are not a regular student) on the Withdrawal form. Submit these completed forms to the Summer Sessions Office.

**Withdrawal from classes during final exam week** (last week of the Session) is not permitted, except in such cases as accident or serious illness where circumstances causing the withdrawal are clearly beyond the student's control, and the assignment of a grade of Incomplete is not practical. Such requests require a Petition with the signature and approval of the instructor and the school dean (Dean of Extended Education for Summer-only or nonmatriculated students). The form is available in the Summer Sessions Office and must be filed in the Summer Sessions Office with documentation by the last day of the Session in which the student was enrolled.

## Refund Policy

### Refund of Tuition Fee

**Refunds are not automatic. Even if the University cancels a scheduled course, you must make an application to have your tuition fees refunded.**

Refunds are subject to change without notice by the Trustees of the California State University System. Amounts of refund are calculated according to the Formula for Refunds established in Title 5 of the California Administrative Code.

Refund Applications are available from the Summer Sessions Office. This form must be filed in person with the Summer Sessions Office. Your Schedule Confirmation and the tear off receipt from the Change of Program form (if applicable) must accompany the written request. No transaction will be made without a receipt. Students must submit refund requests by the published deadlines (refer to Calendar and Refund Schedule). The effective date of the refund request, for purposes of calculating amount refunded, is the day it is received by the Summer Sessions Office.

Allow approximately six weeks from the date the request is received for processing refunds.

### Refund of Parking Fees

Written application for a refund of parking fees must be accompanied by a permit or decal which the University has issued. Applications for refund of parking fees are submitted to the Cashier's Office. The amount of refund is determined by the following policy: 50% of all remaining full weeks; however no refund for remaining periods of less than two weeks.

### Refund Schedule

The formula used for calculating the amount of fees refunded for five week or longer sessions is as follows. If you apply for a refund prior to the first day of the Session, you may receive total tuition minus \$10.00. If you apply for a refund on the first or second day of the Session, you may receive total tuition minus the fee for one unit. During the remainder of the first week of the Session, if you apply, you may receive total tuition minus one unit times 65 percent. During the second week of the Session, if you apply, you may receive total tuition minus one unit times 25 percent. After the second week, none of the fee may be refunded. The late registration fee is nonrefundable.

Please note that tuition refunds are based upon the start date of the Session and not upon the first day a particular course meets.

### Cancelled Course Policy

If you are enrolled in a course that is cancelled for any reason, you must complete an Application for Refund or arrange for another course by completing a Change of Program form. The University does not refund fees automatically in the event of a course cancellation.

### Maximum Student Unit Load

The total units a summer student may earn:

Session 1	7 units

Exceptions to the above are based on proven academic ability and the feasibility of the student's schedule. Students wishing to exceed these unit limits must obtain and complete a special petition available in the Summer Sessions Office and request permission from the dean of the school governing their major. Visiting students or nonmatriculated students must request permission from the Dean of Extended Education.

### General Studies

The General Studies program is the nucleus of the undergraduate curriculum at CSUDH, deliberately structured to provide the intellectual and effective foundation required of a well-educated person. The philosophy underlying General Studies offerings is that they are courses for nonspecialists, presenting subject matter related to the wider context of knowledge and stimulating interest in life-long learning. General Studies courses present breadth, deal with representative concepts, and provide some integration of concepts.

Several of the courses which comprise this curriculum are offered in Summer Sessions. These General Studies courses are designated by the "GS" symbol next to the Schedule number. For an overview of the General Studies program consult the University Catalog, pages 189 - 195 available in the University Bookstore.

### Academic Advisement For Summer Courses

Regularly enrolled students may obtain academic advisement for their summer schedules during Spring Semester when faculty and advisors are available. The Summer Sessions Office does not provide academic advisement. Many questions are answered in the University Catalog which includes course descriptions and course prerequisites in addition to policies and programs of the University. The Catalog is sold at the University Bookstore.

In addition, the University Advisement Center is available for informational advisement at (213) 516-3538. Office hours are Monday - Friday, 8 a.m. - 5 p.m. Their offices are located in SCC M-110.

Monday and Tuesday: 10:00 a.m. to 6:30 p.m.

Closed: Wednesday, Thursday and Friday

Any student wishing to enroll in a School of Management 500-level course must receive approval and signature from the MBA Program Office located in SBS A-328.

## Academic Information

### Grade Reports and Transcripts

Student performance in each course is reported at the end of the Session by one of the following grades (with grade points earned):

GRADE	GRADE POINTS
A Excellent	4.0
AB	3.5
B Very good	3.0
BC	2.5
C Satisfactory	2.0
CD	1.5
D Barely passing	1.0
F Failure	0.0
I Incomplete (Not counted in grade average)	0.0
W Withdrawal (not counted in grade average)	0.0
U Unauthorized Withdrawal (counted as units attempted in grade point average)	0.0
RD Report Delayed	0.0

The following grades are to be used for approved courses only:

- CR Credit (not counted in grade average, but units allowed). Undergraduate level only.
- SP Satisfactory Progress (credit is deferred until completion of course sequence).
- NC No Credit (not counted in GPA, no units allowed)

A report of final grades assigned in classes will be mailed to you about three weeks after the end of the session.

A student may obtain an official transcript of enrollment and grades by completing a Request for Transcript form available at the office of Records and Registration. This request should be filed no earlier than the last week of the session in which the student is enrolled. Allow at least three weeks after the end of the session for delivery of the transcript copy. A fee of \$4.00, payable at the Cashier's Office, is charged for the first transcript request. Transcripts are not issued to a student whose record indicates financial obligation to the University.

Grades for nonstandard-date courses will be posted with standard course grades at end of Session.

### Audit

Summer students may audit a course on a space available basis with the permission of the instructor. Auditors pay regular course fees. To enroll as an auditor, the student must submit a Change of Program form with the instructor's signature to the Summer Sessions Office.

Students must officially change their status in a course from credit to audit by the end of the first week of instruction.

### Credit/No Credit Grading

According to current Credit/No Credit grading procedures, the Credit (CR) grade is the equivalent of an A, B, or C letter grade, and the No Credit (NC) grade is the equivalent of CD, D or F. CR/NC grades are recorded on student transcripts. An undergraduate may elect to be graded CR/NC in particular courses, subject to conditions which are described in the University Catalog. To receive a Credit/No Credit grade in a Summer Session course (except when the course is graded solely on Credit/No Credit basis), the student must complete the Credit/No Credit form, available in the Summer Sessions Office by the end of the second week of instruction.

### Independent Study

Independent or directed study courses are intended for the regularly enrolled, matriculated students in order to enhance or supplement their curriculum. To enroll for independent or directed study, the student must obtain a contract from the Summer Sessions Office. This contract must be completed, including signature of Dean, and submitted with student's registration. A student will not be registered for independent or directed study unless a completed contract has been submitted. Only course numbers listed with departments may be used; be sure the correct Session and number of units are on the contract. The same registration deadlines and policies apply to independent study.

### Final Examinations

Final examinations are administered during the final week the course is scheduled to meet. Usually the examination is given on the last day the course meets. No adds or drops are accepted during or after the last week the class meets.

### Entry Level Mathematics Requirement

Students wishing to enroll in any Summer Sessions mathematics classes except MAT 003 will have to provide evidence of having satisfied the ELM requirements. This requirement can be satisfied by any of the following methods.

1. Passing the ELM examination administered by the University Testing Office (call 516-3909 for information).
2. Satisfactory test score on the ACT/SAT test. Test scores must be sent directly to Summer Sessions Office by the testing agency.
3. Transcript showing passing grades on college level mathematics courses. Transcript must be sent directly to the Summer Sessions Office by the college where the course was taken. California State University, Dominguez Hills graduates can have their records verified by the Office of Records and Registration.

Students expecting to take mathematics courses should request verification to be sent to the Summer Sessions Office at least two months before the anticipated date of enrollment. Official verification must be received by the Summer Sessions Office before the student can enroll in mathematics classes.
