UNIVERSITY REGULAR SESSIONS

Applicants are required to include their correct social security numbers (individual, taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, the California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student as well to identify the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

Orientation

NEW UNDERGRADUATES

New Student Orientation (NSO) programs are provided six times a year to incoming, admitted freshman and transfer students. A positive and well-balanced orientation program is integral to a student's ability to transition smoothly from high school and other colleges and universities to Dominguez Hills. Orientation information is provided by Academic Advising, the Admissions Office, Records and Registration, Financial Aid Office, Office of Student Support Services, the Associated Students, Incorporated, and the Office of Student Life.

Students have the opportunity to register for classes online via Toroweb Registration at all NSO programs as long as Academic Advising has been received **prior to** or as part of the NSO program they attend. Student I.D. cards are provided as well to minimize the need for students to stand in line during the first days of classes. NSO at Dominguez Hills is both welcoming and useful. Contact the Office of Student Life at (310) 243-2081 for more information.

Parking

All vehicles that park on campus must display a valid parking permit (Section 21113a CVC).

Hours of permit enforcement are 7 a.m. Monday to 6 p.m. Saturday (24 hours). Permit enforcement for housing lots 5a/5b is 24 hours, year-round.

Motorcycles and scooters have special areas for parking. They are located at: Southwest corner of Lot 2, Southeast corner of Lot 3, and Northwest corner of Lot 4.

Loading zone areas are located adjacent to major campus buildings. No permit is required for 30 minutes or less.*

PERMITS

Daily parking permits must be displayed on the dashboard of the vehicle in plain sight. Daily parking permits are purchased from the dispensing machines located at: Lot 1, Information Booth, Lot 3, Lot 4a, Lot 4b, Lot 6, Lot 7 and Lot 7b. Vehicles are to park "head-in," using marked stalls only.

Semester parking permits are displayed inside the front windshield on the driver's side (car covers are not recommended). Semester permits are purchased for \$64 at the Cashier's Office (SCC B-135).

* Overtime parking permits may be obtained by calling the University Police at (310) 243-3639.

CITATIONS

Those who receive parking citations and want to contest them must complete a *Request for Administrative Review* within 21 days of receiving the citation. The Administrative Review is processed by the issuing officer and his/her supervisor. A determination is returned via mail within a week.

Should an Administrative Review determination deem the citation valid, the cited party can escalate the Review to the next level. The cited party will then request an administrative hearing which is held on campus monthly. The hearing officer will meet with the cited party to discuss the citation by appointment.

Failure to resolve a parking citation will result in difficulty with renewing the vehicle's registration.

A degree check cannot be prepared until all advisement forms (major, second major, minor) are received. It is in your best interest to ensure that all application and advisement forms are received as early as possible as degree checks are prepared in order of student file completion.

Completion of degree requirements is the student's responsibility and therefore, each student must be thoroughly familiar with the procedures and information about graduation.

Bachelor's Degree Checklist

If test results indicate that remedial courses in mathematics and/or English are needed, the student must:

- Take the course(s) at CSU, Dominguez Hills;
- Take the course(s) beginning the first semester until the courses are passed;
- Enroll in remedial courses each semester until the courses are passed.

If all remedial courses are not passed in two semesters, students cannot register or continue attending classes at CSU, Dominguez Hills.

GRADUATION WRITING SKILLS REQUIREMENT

All students subject to degree requirements in the 1979-80 and subsequent general catalogs must demonstrate competency in writing skills as a requirement for graduation through one of the options listed under the entry for the Graduation Writing Assessment Requirement (GWAR) in the *University Catalog*.

Completion of the Graduation Writing Assessment Requirement (GWAR)

Students who do not meet this requirement within two (2) semesters after completing the English Composition section of the Basic Skills requirements (or 90 semester units total, whichever comes last) will receive special advisement. In order to satisfy GWAR, students have the option of either taking the GWE (see below) or enrolling in one of the following courses: ENG 350, HIS 300 or IDS 397 and IDS 398 as appropriate.

Graduate Writing Examination (GWE)

A voluntary test, the Graduation Writing Examination (GWE), for which a \$25.00 fee is charged, is available to students at regularly scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year if they are undergraduate students, or upon entrance to a graduate program if they are

graduate students. Students are allowed to take the test only twice. The voluntary test is administered twice each semester and once in the summer. Information on test dates and procedures for sign-up are available in the Testing Office, Building 11, SCC 11207, phone (310) 243-3909/3635 or email: testing@research.csudh.edu.

General Studies Requirements

STATUTORY REQUIREMENT

In addition to the General Studies/General Education requirements, students also must satisfy requirements in U. S. history and state government by completing the following:

HISTORY 101 or examination
and
POLITICAL SCIENCE 101
or examination

CERTIFICATION

Accredited community colleges and public four-year colleges may sanction (certify) that all or part of general education requirements (post 1980) have been met. Transfer students with complete certification of California State University General Education breadth requirements or Intersegmental General Education Transfer Curriculum (IGETC) requirements are not required to complete additional lower division courses in general education. Transfer students should request that their college "certify" their general education. An additional nine semester units of upper division general education courses must be completed at CSU Dominguez Hills.

DOUBLE COUNTING GENERAL STUDIES COURSES

Lower Division General Studies courses may be double counted. Units are not counted twice in terms of fulfilling requirements in General Studies, and the major or minor. Under certain conditions and within specific majors, upper division General Studies courses may be double counted. Consult the *University Catalog* and/or an academic advisor.

General Studies Program

The General Studies program is divided into three components and requires 54-60 total semester units:

Component I

Continuing CSU Dominguez Hills students prior to fall 1980 and transfer students in continuous enrollment at a California Community College or a CSU campus since 1980-1981 may have the option of choosing the former General Education program. If you are uncertain about which program applies to you, consult an advisor at the University Advisement Center.

In addition, students must take a course emphasizing Cultural Pluralism (0-3), which can satisfy General Studies or other graduation requirements as well.

All students must take three upper division courses in General Studies, and all students must take three General Studies courses at CSU Dominguez Hills. The Statutory Requirements (HIS 101 or examination and POL 101 or examination) are NOT part of the General Studies program, but are graduation requirements.

MAJOR(S)

Advising is required for students in certain majors. T.O.R.O.S. restricts enrollment in some courses to students in specific majors and concentrations/options. If the information on your access mailer is incorrect, file a *Change of Major/Minor* form **immediately** - well in advance of your registration appointment. You may contact the department concerned if you wish to register for a class restricted to specific majors - see **Advising Holds**.

ADVISING HOLDS

Advising is required for (1) all new students entering the University; (2) students who have completed 60 semester units; (3) students who have completed 90 semester units; and (4) students on academic or Academic Skills Assessment Plan (ASAP) probation.

Advising is also required for undeclared majors, specified majors, Educational Opportunity Program students, international students, special admits, post-baccalaureate students and some graduate students.

If you have more than one advising hold, you must meet with all appropriate advisors. **Advising holds must be cleared before you attempt to register.**

It is advantageous to contact Advisors prior to the end of the current semester, even if you are not sure when you will register.

If

you are in the process of changing your major, you should meet with an advisor in your new department.

All Advising Holds prevent access to

T.O.R.O.S. and must be cleared by the appropriate advisor(s) before your priority registration appointment date.

WAITLIST INFORMATION AND INSTRUCTIONS

Deadline to get on waitlist - May 29, 2002.

When you attempt to register for a class that is already full, you will be given the options of checking availability of another section of the same class or of placing your name on a waitlist for the full section. It is **very important** that you read the following information and instructions before attempting to place yourself on a waitlist.

Careful planning and selection of classes are very important because the same restrictions apply to placing yourself on a waitlist as to attempting to register for classes. Use the Registration worksheet on page E to list your preferred schedule, as well as alternates, to expedite the registration process. To maximize the number of units enrolled, you are strongly encouraged to check alternate section availability *before* placing yourself on a waitlist. Do not place yourself on a waitlist unless you really wish to add the course.

This is how waitlisting works:

- ☐ you may not waitlist a section which has a time conflict with a registered or waitlisted section
- ☐ you may not waitlist a section if you are already registered or waitlisted for another section of the same class
- ☐ you may not waitlist a section if it is restricted to a major, class (e.g., seniors) or level (e.g., graduate) other than your own.

☐ you may not register or waitlist more than 18 units of registered and/or waitlisted classes.

☐ if you wish to waitlist a lecture/lab class or any class with a required co-requisite, e.g., THE 120/THE 120A or TED 305S/TED 405, you must waitlist both co-requisite sections or classes; failure to do so will result in not being on the waitlist for either co-requisite section

☐ you must make your entries permanent (confirm) before exiting T.O.R.O.S. to secure your place in classes and on waitlists

☐ review your schedule periodically to verify your status

If you choose to waitlist a full class, you will be informed of your placing on the waitlist by T.O.R.O.S. and the waitlisted classes will be listed after any registered classes when you make your entries permanent (confirm). You may then drop yourself from a waitlist at any time during T.O.R.O.S. hours of operation. Remember that if you drop only one section of a co-requisite pair, T.O.R.O.S. will drop you from the other co-requisite section.

Once there are students on the waitlist for a full class, *no one will be able to call in via T.O.R.O.S. and register in a class even if one or more students have dropped from a class that was previously full*. This will allow the University to give priority to waitlisted students over students who happen to call in when a seat has become available. The University will move students from waitlisted to

registered status as seats become available and will mail written notification to students of the change in their schedules. *Once your status in a class has been changed from waitlisted to enrolled, it is your responsibility to drop the class (as with any other class) if you decide not to attend; failure to do so will result in a "U" grade on your record which will lower your grade point average.*

Note: At the beginning of the semester, instructors will be provided with the names of all students who placed themselves on the waitlist for full classes but who could not be officially registered because seats did not become available.

It is your responsibility to attend the first class meeting to confirm that you are still interested in being added to the class, to obtain the instructor's signature of approval on an Add card, and to submit the Add card to the Registration Office by the end of the Late Registration, Add/Drop period; students will not be moved automatically from waitlisted to registered status after classes begin. Students who remain on a waitlist but who do not officially enroll will not get credit for the class.

Registration Checklist

- ☐ There are now 2 easy ways to register. Call **T.O.R.O.S. (310) 243-2REG** from any touchtone telephone or access toroWeb via our website at www.csudh.edu. Click on the toroWeb icon located at the lower left-hand corner of the home page.
- ☐ Change your PIN for security reasons.

☐ Make your entries permanent before exiting T.O.R.O.S. If using toroWeb, be sure to review your schedule before you exit. Log out of toroWeb completely before leaving the computer.

☐ Call T.O.R.O.S. or visit the toroWeb site to review your schedule at any time after your registration appointment through the end of the registration period. Obtain a printout from one of the kiosks located on campus, or print from your computer.

☐ Finally, check your account balance to confirm your payment has been received and credited to your account. Students who do not pay fees by the published deadline will be dropped from classes soon after. If you are dropped for non-payment during the registration period, register again via T.O.R.O.S. or via toroWeb through the end of the registration period. You will not receive another notice to register.

Registration Information

If registering via T.O.R.O.S. (Telephone Registration System) or toroWeb, it is very important that you make your entries permanent before exiting the system.

Students wishing to exceed 21 units must obtain the approval of the advisor and the dean of the school or college in which the student is majoring. Undeclared majors must obtain the approval of the director of the University Advisement Center.

Co-requisites- Some courses require concurrent enrollment in a laboratory or activity section as well as in a lecture or seminar section, or concurrent enrollment in one or more other courses. Failure to add/waitlist both or all co-requisites will result in being dropped from your original request.

Enrollment restrictions Some courses are restricted to students in specific degree programs, to specific class levels (e.g. seniors) or to certain level students (e.g. graduates).

Some departments may choose not to print course reference numbers (CRNs) in the Course Listing section of the *Class Schedule* in order to screen students for eligibility. Other courses may not be available through T.O.R.O.S. but may be added with the instructor's approval during Late Registration, Add/Drop.

Questions about enrollment restrictions and eligibility for specific classes should be directed to the department concerned.

Students who are not eligible for restricted courses may be able to obtain approval from the department in special circumstances. A signature of approval must be obtained from the appropriate department representative on a Restricted Registration Exception Form.

The form, available from department offices, must be submitted, in-person, to the Admissions and Records Office, SCC J-103, where registration in the restricted course can be completed provided a seat is available. Note: You may place yourself on a waitlist if the requested course is full; however, if the course has a required co-requisite, it will be necessary to regis-

ter in or waitlist both co-requisite sections or courses. You may not register for one and waitlist the other. The Restricted Registration Exception form is valid during touchtone/web registration periods only; during Late Registration, Add/Drop, the instructor's signature of approval on a Change of Program (Add/Drop) card is required.

Time conflicts - T.O.R.O.S. checks for time conflicts and will not allow registration in classes meeting at the same time. Students with permission from both instructors to enroll in classes with a time conflict, will need to file a *Petition for Approval to Register for Courses with a Time Conflict* form obtainable from the Admissions and Records Office and from the Records/Registration Office, and will need to be registered in-person during official registration periods only.

Check Course Availability - If you find that a desired course is full or cancelled, T.O.R.O.S. gives you the option to check for open sections of a course. Prepare a list of alternate courses and/or sections before attempting to register in anticipation that your first choice class/section is full or cancelled.

Full classes - If you attempt to register for a class that is already full, you will be given two options:

- i) to check for open sections of the same course
- ii) to place yourself on a waitlist for the requested section

In order to secure a seat in the class, it is recommended that you check for open

sections first and register for an open section, if any. If no open sections exist, you may wish to place yourself on a waitlist for the full section of your choice. Please refer to page J for information and instructions on waitlisting.

Cancelled classes - See Check Course Availability. If you register for a course which is subsequently cancelled, you will receive written notification from the Office of Admissions and Records and should register for an alternate class or section as soon as possible.

Schedule adjustment/Schedule review - Remember, you may change or review your schedule any time during the Registration period. If you choose to exchange one class for another, add the new class before dropping the other class (unless you have reached the maximum enrollment limit). If you wish to drop a class without adding another - do not delay - as a courtesy to another student trying to add the class. You may also review your schedule or drop classes at any time during Late Registration. See page D for dates and times.

Troubleshooting

- ☐ Can't access T.O.R.O.S. or toroWeb? Check you are dialing the correct number (310) 243-2REG or check the website address: www.csudh.edu.

Are you using a true touchtone telephone? Not all push-button telephones are touchtone and some programmable telephones using the "#" or "*" keys in programming cause access problems. Try another phone.

Students wanting to register while on campus may use the campus pay phones (*82) or the courtesy phones located throughout campus (x2734). Unable to connect to the toroWeb site www.csudh.edu? Contact the helpdesk at (310) 243-3608.

- ☐ **Busy signal?**
All lines are busy - try again later.
- ☐ **Made a mistake?**
Do not hang up - wait for the recorded voice on T.O.R.O.S. to prompt you.
If you need assistance, please contact the helpline at (310) 243-3608.

- ☐ **Not able to register for a specific course?**
Check for footnotes in the course offerings section. The course may:

- be full. Select Option 4 (*check course availability* - page K), to listen to alternate open sections or place yourself on the waitlist;
- be a duplicate section of a course in which you are already registered;
- conflict with another course in which you are already registered;
- be restricted to certain majors, class levels or student levels;
- require screening in the department (CRN may not be printed);
- require one or more co-requisite sections.

Questions regarding enrollment restrictions should be directed to the department.

☐ Lost your entries?

If using T.O.R.O.S., you must make your entries permanent before hanging up; failure to do so will result in cancellation of your course requests.

If using toroWeb, submit the entries again, making sure to click on the "submit" button. If you continue to have problems, contact the help line.

☐ Unable to get on a Waitlist?

Check to make sure course is closed. Some nursing courses do not have waitlists available. All regular university courses have waitlists.

You may only waitlist for courses that are closed or that are open with existing waitlists.

You will not be allowed to get on a waitlist once registration is over.

NOTE: The deadline to get on a waitlist is May 29, 2002.

Special Sessions Programs

The Special Sessions area within the Division of Extended Education offers a wide variety of individual courses for university credit to matriculating as well as non-matriculating students during the three week winter session, the eleven week summer session, and during the fall and spring semesters. Special Session programs are uniquely designed to accommodate the needs of a given population. In some cases, the completion of a program may culminate in a bachelor's or master's degree while in others it may result in a certificate or credential. Because Special Sessions courses are self-supporting, tuition is charged. The following list reflects the current Special Sessions programs and the contact person for each.

Mediated Instruction and Distance Learning

TV Classes

A TV class is taught in one of the specially designed TV studios and broadcast over local television systems. Students whose television sets receive the broadcast can enroll in the TV designated section and attend class from their home or worksite, e.g. a local elementary school. All DHTV classes are broadcast live. Students can use a toll free number to call in and speak with the instructor during the broadcast.

Many of the classes broadcast by CSU Dominguez Hills can also be seen on local cable television systems, i.e. MediaOne (Channel 2) in Wilmington, Lomita, parts of San Pedro and Harbor City and Time Warner (Channel 6) in Torrance, Hawthorne, Gardena, El Segundo and Lawndale.

Some DHTV programming can be seen on The LA Channel (Channel 36) in the City of Los Angeles on LA 36, the citywide educational TV network.

Two teacher education courses can be seen Saturday and Sunday mornings on KLCS Channel 58, the PBS channel operated by the Los Angeles Unified School District's UHF television channel. KLCS can be received on an antenna over the air but is also carried on many local cable television systems throughout Southern California.

All TV classes are also simulcast on the Internet. Students should go to the distance learning website at dominguezonline.csudh.edu for program and technical information.

Videoconferencing Classes

Videoconferencing classes are taught in the videoconferencing classroom. A two-way audio and video connection is made between the videoconferencing classroom and videoconferencing classrooms at various community colleges. Students can attend class on campus or at one of the off-campus videoconferencing classrooms. Videoconferencing classes cannot be seen on local television. Students must go to a site that is participating in the program.

Internet Classes

An Internet class is taught entirely over the Internet. Students will receive all of their information, communicate with the instructor and other students and complete all of their assignments on-line. In addition to basic computer skills, students need the use of a computer, an email account and access to the Internet. It is possible for students to do all of the work for an Internet class in one of the on-campus computer labs. Students who want to work at home will need an internet provider and a modem.

Internet courses may be entirely asynchronous, i.e. composed of webpages that can be accessed by the student from anyplace at anytime. However, students can find the websites for their courses by going to toro.csudh.edu.

In the Spring of 1999, Dominguez Hills began broadcasting live, synchronous classes on the Internet. All students enrolled in these synchronous Internet courses must be at a computer at the same time so they can log on to a common website and participate in the live, interactive broadcast.

Students should refer to the distance learning website at dominguezonline.csudh.edu for technical requirements for their computers.

University Police

California State University, Dominguez Hills' annual security report includes statistics for the previous three years concerning reported crimes that occurred on campus, on public property immediately adjacent to and accessible from the campus, and within The City of Carson. The report also includes institutional policies concerning campus security such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault and other matters. You can obtain a copy of this report by contacting the University Police or by accessing the following website at www.csudh.edu/dhpd/dhpd.htm.

The Department is located on campus at:

**SCC A-122, Bldg. 2
1000 East Victoria Street
Carson, CA 90747
(310) 243-3639**

The Student Housing Sub-station is located at:

**Apartment F4
(310) 217-6960**

The University Police Department provides safety oriented service to CSU Dominguez Hills.

It includes University Police and Parking Services that provide 24 hour-a-day patrol protection of university property, buildings, parking lots and student housing. All laws and codes of the state are enforced on the campus, including regulations the University establishes to administer the campus community.

Officers are responsible for reporting and investigating crimes, issuing traffic citations and responding to medical emergencies, traffic accidents and fire emergencies, as well as other incidents that require police assistance. University police officers are vested with full law enforcement powers and responsibilities, identical to the local police or sheriff departments in your home community. Officers meet training requirements mandated by the California Commission on Peace Officers Standards and Training as well as training designed to meet the needs of the university community. As state police officers their police authority extends throughout the entire state, including

concurrent jurisdiction with the Los Angeles County Sheriff Department on the adjacent streets and community.

The Department prepares and submits a monthly Uniform Crime Report to the California Department of Justice. The Department also enters reported stolen vehicles and property with serial numbers into the National Crime Information Center, allowing for recovery throughout the United States.

As an active member of the Criminal Justice System, the University Police interacts and cooperates with other law enforcement agencies. Cases are filed with the Los Angeles County District Attorney. Information may also be given to the Office of the Vice President for Student Affairs for appropriate action involving students.

The Department works closely with the Student Housing Office in an effort to educate the residents in crime awareness and crime prevention. It established a police sub-station (COPS) in apartment F4 in Student Housing to facilitate a community based policing program in housing.

All emergency calls continue to be routed to the main station in SCC A-122 on campus and all officers continue to be dispatched out of the main station.

Crime Prevention Programs

The Department has established programs that raise the level of safety awareness of the campus community. These programs include:

- ☐ Student Orientation Program
- ☐ Resident Advisors Training Program
- ☐ Student Escort Service
- ☐ Sexual Assault Prevention
- ☐ Personal Safety Awareness
- ☐ DUI and Drug Abuse
- ☐ Theft Prevention
- ☐ Operation ID Engraving
- ☐ Building, Area and Parking Lot Lighting Surveys
- ☐ 9-1-1 Capability from all University phones
- ☐ Emergency Telephones at various campus locations

- ☐ Closed Circuit Television Surveillance - Parking Lot 4

The Student Escort Service provides escort service during the hours of 6 - 11 p.m. for students, faculty and staff who walk alone to their cars.

To request an evening escort

From pay phones & student housing phones (310) 243-3639
From campus phones 3639

Most campus buildings and facilities are accessible to members of the campus community, guests and visitors Monday through Saturday until 10 p.m. and as certain special events dictate.

Motor vehicle lots, pedestrian walkways and building exteriors are well lighted. The University Police conducts a weekly light survey throughout the campus and a report is made to Physical Plant on a weekly basis.

Shrubbery, trees and other vegetation on campus are trimmed and maintained on a regular basis with special attention given to walkways. Physical Plant conducts a facility audit of the entire campus on an annual basis.

University Policies

Academic Integrity: Its Place in the University Community

THE UNIVERSITY COMMUNITY

A university is a community of learners bonded together by the search for knowledge; the pursuit of personal, social, cultural, physical, and intellectual development; and the desire for the liberating effects of an advanced education. California State University, Dominguez Hills (CSUDH) has a culture—the academic culture—shared with other universities and colleges across the nation. Integral to that culture is a set of values such as academic freedom, dedication to teaching and learning, diversity, civility toward others, and academic integrity.

ACADEMIC INTEGRITY

Academic integrity is of central importance in the university community and involves committed allegiance to the values, the principles, and the code of behavior held to be central in that community. Integrity concerns honesty and implies being truthful, fair, and free from lies, fraud, and deceit.

The core of a university's integrity is its scholastic honesty. Honesty is valued across all cultures and is a fundamental value in the academic culture. There are, however, cultural differences with regard to the ownership of ideas and the importance of individual efforts. Nonetheless, the university expects all students and other campus members to document the intellectual contributions of others and to ensure that the work they submit is their own.

Education provides students with the resources to master content, learn skills, and develop processes to maximize self potential and the potential of others. Students must demonstrate mastery of each step of learning by tangible products such as test performance, papers, and presentations. This process enables the student and the instructor to assess the student's readiness for the next steps and gives the student the confidence to undertake future steps. Students who cheat may not have mastered the necessary steps nor gained the necessary knowledge; they miss the opportunity to gain an accurate picture of what they know and what they do not know.

Cheating harms others and the institution in addition to limiting one's own potential. Other students are rightfully angry when dishonest students use inappropriate methods to get grades for which honest students work hard. The fairness of the grading process is compromised when a student falsely obtains a grade. Academic dishonesty may result in loss of confidence in the system and devaluation of the quality of the university degree.

THE NATURE OF ACADEMIC DISHONESTY

A standard definition of academic dishonesty has been provided by Kibler, Nuss, Paterson, and Pavela (1988):

Academic dishonesty usually refers to forms of cheating and plagiarism which result in students giving or receiving unauthorized assistance in an academic exercise or receiving credit for work which is not their own.

They further define the following specific forms of academic dishonesty:

Cheating—intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise. The term academic exercise includes all forms of work submitted for credit or hours.

Cheating also includes: unauthorized multiple submissions, altering or interfering with grading, lying to improve a grade, altering graded work, unauthorized removal of tests from classroom or office, and forging signatures on academic documents.

Fabrication—intentional and unauthorized falsification or invention of any information or citation in an academic exercise.

Facilitating academic dishonesty—intentionally or knowingly helping or attempting to help another to violate a provision of the institutional code of academic integrity.

Plagiarism—the deliberate adoption or reproduction of ideas or words or statements of another person as one's own without acknowledgment.

At the heart of any university are its efforts to encourage critical reading skills, effective communication and,

above all, intellectual honesty among its students. Thus, all academic work submitted by a student as his or her own should be in his or her own unique style, words and form. When a student submits work that purports to be his/her original work, but actually is not, the student has committed plagiarism.

Plagiarism is considered a gross violation of the University's academic and disciplinary standards. Plagiarism includes the following: copying of one person's work by another and claiming it as his or her own, false presentation of one's self as the author or creator of a work, falsely taking credit for another person's unique method of treatment or expression, falsely representing one's self as the source of ideas or expression, or the presentation of someone else's language, ideas or works without giving that person due credit. It is not limited to written works. For example, one could plagiarize music compositions, photographs, works of art, choreography, computer programs or any other unique creative effort.

Further information about the various forms of academic dishonesty can be obtained from the office of any Instructional Dean or the Student Development office. Individual departments and faculty may also provide specific examples.

WHO HAS THE RESPONSIBILITY FOR PROMOTING ACADEMIC INTEGRITY AND PREVENTING ACADEMIC DISHONESTY?

Faculty Responsibility

The faculty as representatives of the institution have the opportunity to encourage academic integrity and the responsibility to discourage and curtail academic fraud. At CSUDH, incidents should be reported to the Office of the Vice President of Student Affairs. Unless incidents are reported to a central location, repeated violations may go undetected as they occur in separate departments or with different faculty. The Vice President of Student Affairs will notify the student if a report is received.

Student Responsibility

Students are responsible for the integrity of their actions and must be willing to accept consequences for these actions. Students have the responsibility to be familiar with the University policies and to seek clarification with faculty if they are unclear about expectations for any assignment. Students are also encouraged to report academic dishonesty. In the sense that a university is a community, students should understand their own role in the creation of the kind of environment that encourages honesty and discourages academic fraud. Students need not tolerate any action on the part of another that diminishes their own integrity or that of the university.

OPTIONS FOR ADDRESSING ACADEMIC DISHONESTY

When a faculty member detects dishonesty, he or she will address it. If appropriate, the faculty member will first confront the student and seek an "in-office" resolution. Remember the charge is an allegation that should be examined under due process.

If the faculty member is convinced that dishonesty has occurred, she or he will use one or more of the following options:

- a. Adjust the evaluation of the student's work, i.e., nullify the effort or a portion of it. This action may be taken as part of a decision regarding assignment of a grade. The faculty member is not required to formally report the incident through the campus disciplinary process but is strongly encouraged to do so.
- b. Refer the matter to the Vice President for Student Affairs for an investigation as part of the Student Disciplinary Procedures. These procedures call for due process, a hearing or the opportunity to waive a hearing and accept a sanction without admitting guilt. (An "F" grade supported by a decision in a disciplinary case may not be the subject of a grade appeal and may not be repeated and canceled.)
- c. Use both "a" and "b" above.

THE CALIFORNIA STATE UNIVERSITY DISCIPLINARY PROCEDURES

Student enrollment is a voluntary entrance into the academic community of learners. By such entrance, the student voluntarily assumes, and is expected to assume, obligations of performance and behavior that are imposed by the university relevant to its lawful missions, processes, and

functions. The University reserves the right to discipline students in order to secure compliance with these obligations.

Students who engage in dishonest behavior are charged with violating Title 5, California Administrative Code, Section 41301, under the Student Disciplinary Procedures for the California State University established by Executive Order #628 by the Chancellor. A copy of these procedures may be obtained from the Offices of the Vice President for Student Affairs or Student Development.

Attendance at First Class Meeting Policy

PM 94-06

It is the responsibility of the student to make certain that his/her drop has been officially recorded. Continued absence from the class may yield a grade of "U". Students should not assume that a faculty member has dropped them from the class. Refer to PM 94-06, "Attendance at First Class Meetings."

Prior to the end of the second week of classes, a faculty member may, but is not required, by following the appropriate procedures, initiate a formal drop of students who:

- ☐ have missed the first two class meetings (or the first meeting if the class meets only once a week), and
- ☐ have not advised the faculty member (or the department chair, if no faculty member was assigned to the course in advance) that their absence is temporary.

Students who have been dropped by the instructor from a class but wish to re-register must submit a change of program (add/drop) card, signed by the instructor, by the end of the third week of the semester.

Campus Health and Safety

All guests, students, staff, and faculty are entitled to an academic experience free from hazards. However where hazards exist, attention must be paid in recognizing as well as reporting them. In order to raise the safety awareness level among the campus community, the Office of Risk Management/Environmental and Occupational Health (RM/EHOS) has developed the following key points:

- ☐ Become familiar with campus emergency procedures and evacuation instructions posted in each classroom and laboratory.
- ☐ Report any hazards to your instructor or RM/EHOS at extension 3995.
- ☐ During emergencies, listen to the directions provided by your instructor and/or Public Safety officer.
- ☐ Immediately report any injuries, however minor, to your instructor or to the Public Safety department at extension 3639.
- ☐ If work in your class involves contact with hazardous materials (chemicals, pathogenic matter or radioactive materials) be sure to receive training on: the nature of the material you will be working with; proper handling methods for these materials; and the use of personal protective equipment.

These guidelines also apply for academic activities that take place outside of the classroom. Be sure to attend class briefings concerning hazards in field trip settings prior to participation in off-site activities.

Campus Smoking Policy

PM 99-04, Section 6

California State University, Dominguez Hills has a responsibility to its students and employees to provide a safe and healthful learning and working environment. The University recognizes the harmful effects of involuntary contact with smoke. It also recognizes the need to preserve the reasonable individual rights of smokers as long as doing so does not interfere with the right of the non-smoker to a smoke-free environment.

As a result, the following policy will be enforced:

- ☐ Smoking is prohibited in all campus buildings, including offices, work areas, classrooms, lecture halls, laboratories, libraries, theaters, practice rooms, listening rooms, gymnasiums, kitchens, hallways, stairwells, elevators, eating areas and restrooms. Certain areas external to buildings which do not have adequate ventilation (e.g., patios, stairways and walkways) may also be designated as non-smoking areas by the Director of Risk Management/

Environmental Health & Occupational Safety.

- ❑ Smoking is also prohibited in all State automobiles, vans and trucks.
- ❑ Exceptions include: designated smoking areas, Student Housing (which shall be governed by its own policy) and the Velodrome (which shall be governed by the Velodrome Governing Board).
- ❑ When artistically required, smoking is permitted as part of a university-sponsored theater or dance performance/rehearsal.

Effective implementation of this policy depends upon all members of the University community acting with common courtesy and sensitivity to others. Members of the campus community who willfully violate the University smoking policy will be subject to disciplinary action through recognized administrative channels and/or in accord with the applicable collective bargaining agreement. Alleged violations of this policy should be reported through the appropriate compliant procedure. There shall be no reprisals against anyone seeking assistance in enforcing this policy.

For information and copies of the policy, refer to PM 99-04. Please contact: for faculty, the Associate Vice President, Faculty Affairs; for students, the Vice President, Student Affairs; and for staff, Director, Human Resources Management.

Cancelled Course Policy

If you are enrolled in a course that is cancelled for any reason, you must complete an Application for Refund or arrange for another course by completing a Change of Program form. The University does not refund fees automatically in the event of a course cancellation.

Family Education Rights and Privacy Act of 1974

All student records of the California State University are kept in accordance with the provisions of the Family Educational Rights and Privacy Act (FERPA) which authorizes educational institutions to release directory information on former and currently enrolled students. CSU, Dominguez Hills has chosen to further limit "directory

information" to a student's: Name, Major, Dates of Attendance at CSUDH, Degrees and Awards received, but will verify address, telephone number and date of birth, if requested. CSUDH is also required by law to release specific information for U.S. military recruiting purposes. Students may request, in writing, that directory information not be released by completing a "Request to Withhold Directory Information" form available from the Office of Admissions and Records, SCC J-103, or from the Admissions and Records Office web page at www.csudh.edu/csudh/ar2000/forms.htm.

For more detailed information on FERPA and the release of student information, please consult the *University Catalog* or visit the U.S. Department of Education's Family Privacy Compliance Office on the internet at www.ed.gov/offices/OM/fpc.

Immunization Requirements

The California State University has two immunization requirements:

a. Measles (rubeola) and Rubella (German Measles)

All new students born after January 1, 1957 are required to present proof of measles and rubella immunizations prior to enrollment or within one calendar year of their first day of enrollment. Failure to complete this requirement by this time will not permit the student to register for the following semester. Evidence that can be used as proof of immunity includes verification from an M.D. or copies of immunization records from sources such as schools or the Public Health Department. For students who are unable to provide proof of immunity to both these diseases or have not had prior immunization can obtain a combined measles/rubella vaccine at the Student Health Center, free of charge.

b. Hepatitis B

All new students who are eighteen years of age or younger on their first day of enrollment are required to present proof of immunization against Hepatitis B prior to enrollment or within one calendar year of their first day of enrollment. Even if a student turns 19 years of age during their first year of enrollment at the University, they are still responsible for completing this requirement. Failure to complete this requirement by this time will not permit the student to register for the following

semester. Proof of full immunity means that the student has completed the third shot in the three-shot Hepatitis B series. For students who are unable to provide proof of full immunity or have not had prior immunization can obtain the Hepatitis B series at the Student Health Center, free of charge.

Exemptions to these requirements may be granted based on medical consideration or religious or personal beliefs.

If either the Measles/Rubella or the Hepatitis B requirement applies to the student, the student must bring proof of immunity to the Student Health Center **in person**. Mailed forms will not be accepted. Students who are meeting these requirements by either a) presenting proof of immunity or, b) claiming an exemption, must complete an Immunization Requirements Certification Form, along with their proof of immunity, to the Student Health Center. For inquiries, contact the Student Health Center at (310) 243-3629.

Maximum Student Unit Load

The total maximum units a summer student may earn:

Session 1	7 units
Session 2	7 units
Session 3	7 units
Sessions 1, 2, and 3	10 units

Exceptions to the above are based on proven academic ability and the feasibility of the student's schedule. Students wishing to exceed these unit limits must obtain and complete a special petition available in the Office of Admissions & Records, SCC J-147 and request permission from the dean of the school governing their major. Visiting students or non-matriculated students must request permission from the University Advising Center, SCC M-110.

Nondiscrimination Policy

California State University, Dominguez Hills is committed to assuring equal opportunities in educational programs and employment without regard to race, color, religion, sex, marital status, sexual orientation, national origin, age, disability, or veteran status. Laws and regulations issued by the United States, the State of California, and the Board of Trustees of the California State University require equal treatment of all

persons. Only the following factors may be used to make distinctions among individuals: merit, ability, talent, knowledge, and achievement as they relate to the goals and missions of this institution. We reaffirm that full support will be given to affirmative action programs which seek to overcome under-utilization of ethnic minorities, women, Vietnam-era veterans, special disabled veterans, and persons with disabilities.

In addition to meeting fully its obligations of nondiscrimination under federal and state laws, California State University, Dominguez Hills is committed to creating a community in which a diverse population can learn, live, and work in an atmosphere of tolerance, civility, and respect for the rights and sensibilities of each individual, without regard to economic status, ethnic background, political views, or other personal characteristics or beliefs. Inquiries should be directed to the Office of Equity and Internal Affairs, ERC B505.

Petition for Exception

Students may petition for exception to certain university academic regulations when unusual circumstances exist. However, it should be noted that academic regulations contained in Title 5 of the California Administrative Code cannot be waived.

Petition and other commonly used forms are available in the Office of Admission & Records or on the web at www.csudh.edu/csudh/ar2000/ - click the "Forms" button in the left column. To avoid unnecessary processing delays, petitions must be signed by an instructor/advisor and/or a Dean and be accompanied by a \$10 processing fee. Thorough and complete documentation of the circumstances that give rise to the petition must also be attached. Once a petition has been acted upon, students are notified of the decision.

Possession of a Firearm on Campus

Violators will be arrested and prosecuted for felony violation of section 626.9 of the California Penal Code which is punishable by two to four years in state prison.

Repeat and Cancel

PM 87-17

The Repeat and Cancel policy may be used only by students working toward a baccalaureate degree. It may not be used by graduate/postbaccalaureate students working on master's degrees, graduate certificates, teaching credentials, or by "undeclared" graduate students, even when they might take undergraduate courses.

In the case of a repeated course, the subsequent grade is substituted for the earlier one in the computation of units attempted and GPA. The previous course grade(s) remain(s) on the record, but is/are annotated as being discounted from grade-point-average calculation.

Repeat and cancel may only be used on courses taken at CSUDH and repeated at CSUDH or another CSU campus through summer session, concurrent enrollment or visitor status.

3. Repeat and Cancel may be used up to a total of eighteen (18) semester units taken at CSU Dominguez Hills.
4. Repeat and Cancel may be used only on grades of "U," "F," "D," "D+," "C-," and not for "NC" and "W" grades.
5. Students must complete a **Notice of Repeated Course form** for each course repeated that meets all Repeat and Cancel policy guidelines.
6. A grade entered as a result of the student disciplinary procedures under Executive Order No. 148 cannot be cancelled and will be computed in the grade point average.

All courses used to fulfill the requirements for the master's degree must be passed with a grade of "C" or better. Any course in the graduate program may be repeated and the two grades averaged when computing the grade point average. However, any course in which a grade lower than "C" is earned *must* be repeated for a grade of "C" or better and the two grades averaged. An overall grade point average of 3.0 (B) or above

is required in all courses taken to satisfy the master's degree requirements.

Sexual Assault Policy

PM 96-01

California State University, Dominguez Hills strives to provide an optimal environment for growth and learning. The campus community has a right to pursue these goals in an atmosphere conducive to personal safety. All forms of sexual assault are acts of aggression or violence against individuals. A sexual assault perpetrated on campus or in a campus-affiliated location will be investigated for possible disciplinary actions and/or criminal prosecution.

Sexual Assault is defined as any involuntary sexual act in which a person is threatened, coerced, or forced to comply against her/his will. Such acts include, but are not limited to rape (including "acquaintance rape"), forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.

All incidents of sexual assault should be reported to the Department of Public Safety (University Police), either directly by the victim or with the consent of the victim. The Department of Public Safety will notify the Vice President for Student Affairs of all sexual assault reports, and will also notify other departments on campus, as appropriate, on a need-to-know basis. Protection of the identity of the victim will be of the highest priority in making such notifications.

If the victim reports a sexual assault to someone on campus other than the Department of Public Safety, that person should encourage the victim to contact that department. If the victim cannot be persuaded to report the incident to the police, she/he should be referred to the Student Health and Psychological Services, the Women's Center, or the Vice President for Student Affairs for assistance and support. For more detailed information on this policy, see website at www.csudh.edu/pms/AF-Health%20Safety.htm.

The campus has designated the Vice President for Student Affairs as the person responsible for collecting data on incidents of sexual assault on campus and at campus-related events.

The Vice President will also be responsible for insuring that information on incidents of sexual assault are reported through the President to the CSU Chancellor's Office, as required by AAES 87-07.

Student Grievance Policy

The purpose of this policy is to provide a mechanism to resolve student complaints against other members of the campus community. This procedure does not handle grade appeals for which there is a separate process (see the University Catalog - Grade Changes and Appeals).

In all cases, the University's commitment to the student is to provide a resolution of his/her complaint in a fair and reasonable manner. Inquiries regarding this policy should be directed to the office of Linda MacAlister, Special Assistant to the President for Employment Equity and Internal Affairs, ERC B505.

The University's Alcohol & Substance Abuse Policy

California State University, Dominguez Hills has a responsibility to maintain an educational environment conducive to academic achievement. The prohibition of illicit drugs helps to assure students, faculty, and staff that the University is exercising this responsibility.

As a result, the following policy will be enforced: The unlawful manufacture, distribution (by either sale or gift), dispensing, possession or use of alcohol or a controlled substance is prohibited anywhere on the campus of California State University, Dominguez Hills. Actions that will be taken against those who violate this prohibition are delineated elsewhere in this policy. For more detailed information on this policy, see website at www.csudh.edu/srr/alcohol1.htm.

The University recognizes that alcohol or drug dependency is an illness and a health problem. Information, assessment, and referral services are available on campus. These programs assist students in finding alternatives to substance abuse, while promoting a healthy lifestyle and the ability to cope with problems as they arise. Contact Student Health and Psychological Services at (310) 243-3818 for more information.

Intercollegiate Athletics

The Toros are a member of the California Collegiate Athletic Association (CCAA). Widely considered the strongest Division II conference in the nation, the CCAA has earned more NCAA II National Championships than any other league in the country. The school fields teams in: Men's and Women's Basketball, Softball, Baseball, Men's Golf, and Women's Outdoor Track and Field. CSUDH offers students opportunities for involvement as a student athlete and as a fan. Athletic facilities include the gymnasium, weight room, training room, baseball/softball field, soccer field, tennis courts, track and all-purpose field. For further information, please contact the Toros Athletic Department in the Hughes Education and Athletic Center (310) 243-3893 or visit our website at www.csudh.edu/athletics.

Recreational Sports

The Recreational Sports program at CSUDH offers students another well-deserved recreational and social outlet. The unique schedule of tournaments provides opportunities for positive physical activity and social interactions with classmates, faculty, and staff. University Housing

The rich cultural diversity of the campus is mirrored within the campus living accommodations at Dominguez Hills. Up to 600 students live in the furnished one-, two- and three-bedroom apartment style residences. The housing complex includes computer facilities, a weight room, basketball and volleyball courts and multi-use lounges that include a big screen television and a pool table. Professional and student staff provide social, cultural, educational and recreational programs. There are multiple opportunities for residents to get involved, including being a member of the Resident Student Association. Students actively involving themselves in student life add depth and breadth to their development as college students and as humans. Join or start a student organization that other students need or desire. Consider the following as you make plans to get involved in student life:

Special Events

Each year, the CSUDH community joins together to celebrate our unique traditions of "Welcome Week," "Toro Days - Homecoming," and "CSUDH Serves." Special event committees of all types gather together each academic year in a spirit of collegiality, a strong sense of community to enrich campus spirit, and a deeper connection between students and the University. With primary input derived directly from students, events such as career/employment fairs, wellness fairs, leadership conferences, retreats, cultural celebrations, and on-campus graduate school informational forums are planned and implemented regularly. Musical, theatrical, fine art exhibits, and presentations round out the special events spectrum. Contact the Office of Student Life or Toro Productions at (310) 243-2081 for more information.
