Registration and Tuition

Who May Register

College students, graduates of high school, or individuals sufficiently knowledgeable to profit from college courses may register for Summer Sessions. High school juniors and seniors, with letters of recommendation, may enroll in lower-division courses (see details on page 4).

If you are a visiting student, it is especially important that you read the section on classification and numbering of courses. Descriptions of the courses are available in the University Catalog found in the University Bookstore.

Registration in CSUDH Summer Sessions courses does not constitute admission to the University as a regular student. If you are interested in admission to the University, inquire or apply at the University Information and Service Center, Small College Complex A-130, (310)516-3696.

How to Register

Registration in CSUDH Summer Sessions is simple, and in most cases can be completed entirely through a mail-in procedure. Formal application to the University is not necessary, and transcripts are not required.

Some Summer Sessions courses, however, have prerequisites or special qualifications which are noted in the Schedule of Courses. In certain cases, before the request to register can be processed, permission to enroll in a course must be obtained from the instructor or departmental office, or students may be asked to provide proof of completion of prerequisites.

To attend Summer Sessions classes, registration for courses must be completed, including full payment of fees, by the appropriate deadline dates (refer to Calendar on page i). If you are registering for both Summer Sessions and University Extension courses, please use separate registration forms and write separate checks.

Dropping/Withdrawing

Nonattendance in class, notifying the instructor or stopping payment on a check does NOT officially constitute dropping or withdrawing from a course. The Summer Sessions Office must be notified and appropriate form must be filled.

Dropping a Course

If you decide to drop a course, you must file a Change of Program Form with the Summer Sessions Office. (If you are dropping all courses you enrolled in, follow withdrawal procedures.) Refer also to Refund policies.

Drop, prior to first day of Session. To drop a course before a Session begins, file a Change of Program form and an Application for Refund of Fees in the Summer Sessions Office.

Drop, during the first two weeks of the Session. Summer Sessions students may drop or withdraw from a course prior to and during the first two weeks of a Session without permanent record of enrollment or "W" on transcript, and without the instructor's signature.

Drop, third through fifth weeks of the Session During the third and until the final week of the Session the instructor's and the school dean's or associate dean's signatures for each course are required on the change of program form to drop. Nonmatriculated or Summer-only students need the signatures of the instructor and the Dean of Extended Education.

If a student drops or withdraws after the second week of a Session, a grade of "W" for the course(s) will appear on the student's permanent transcript.

Complete Withdrawal from Session

To withdraw from all courses, complete and submit a Withdrawal form, and, if you are eligible for a refund, an application for a refund of fees. Withdrawal forms are available in the Summer Sessions Office.

Complete withdrawal, prior to first day of Session. If you find it necessary to drop all of your courses before a Session begins, you must cancel your registration and you may be eligible to receive a full refund of fees, less a \$10 nonrefundable processing fee. A completed Withdrawal Form and a Refund Application must be received by the Summer Sessions Office by May 29 for First Session or by June 19 for Second Session.

Complete withdrawal, during the first two weeks of the Session. You may withdraw during the first two weeks without a record of enrollment and without the instructor's signature. Complete a Withdrawal Form and a Refund Application and submit these forms to the Summer Sessions Office by the end of the second week.

Complete withdrawal, third through fifth week of the Session. A grade of "W" for each course appears on the permanent transcript if student withdraws after the second week of the Session and is doing passing work. To withdraw from all courses after the second week of instruction, complete a Withdrawal form, obtain the signatures of the instructor and school dean (or Dean of Extended Education, if you are not a regular student) on the Withdrawal form. Submit these completed forms to the Summer Sessions Office.

Withdrawal from classes during final exam week (last week of the Session) is not permitted, except in such cases as accident or serious illness where circumstances causing the withdrawal are clearly beyond the student's control, and the assignment of a grade of Incomplete is not practical. Such requests require a Petition with the signature and approval of the instructor and the school dean (Dean of Extended Education for Summer-only or nonmatriculated students). The form is available in the Summer Sessions Office and must be filed in the Summer Sessions Office with documentation by the last day of the Session in which the student was enrolled.

Refund Policy

Refund of Tuition Fee

Refunds are not automatic. Even if the University cancels a scheduled course, you must make an application to have your tuition fees refunded.

Refunds are subject to change without notice by the Trustees of the California State University System. Amounts of refund are calculated according to the Formula for Refunds established in Title 5 of the California Administrative Code.

Refund Applications are available from the Summer Sessions Office. This form must be filed in person with the Summer Sessions Office. Your Schedule Confirmation and the tear off receipt from the Change of Program form (if applicable) must accompany the written request. No transaction will be made without a receipt. Students must submit refund requests by the published deadlines (refer to Calendar and Refund Schedule). The effective date of the refund request, for purposes of calculating amount refunded, is the day it is received by the Summer Sessions Office.

Allow approximately six weeks from the date the request is received for processing refunds.

Refund of Parking Fees

Written application for a refund of parking fees must be accompanied by a permit or decal which the University has issued. Applications for refund of parking fees are submitted to the Cashier's Office. The amount of refund is determined by the following policy: 50% of all remaining full weeks; however no refund for remaining periods of less than two weeks.

Refund Schedule

The formula used for calculating the amount of fees refunded for five week or longer sessions is as follows. If you apply for a refund prior to the first day of the Session, May 29 or June 19, you may receive total tuition minus \$10.00. If you apply for a refund on the first or second day of the Session, you may receive total tuition minus the fee for one unit. During the remainder of the first week of the Session, if you apply, you may receive total tuition minus one unit times 65 percent. During the second week of the Session, if you apply, you may receive total tuition minus one unit times 25 percent. After the second week, none of the fee may be refunded. The late registration fee is non-refundable.

Please note that tuition refunds are based upon the start date of the Session and not upon the first day a particular course meets.

Cancelled Course Policy

If you are enrolled in a course that is cancelled for any reason, you must complete an Application for Refund or arrange for another course by completing a Change of Program form. The University does not refund fees automatically in the event of a course cancellation.

General Studies

The General Studies program is the nucleus of the undergraduate curriculum at CSUDH, deliberately structured to provide the intellectual and effective foundation required of a well-educated person. The philosophy underlying General Studies offerings is that they are courses for nonspecialists, presenting subject matter related to the wider context of knowledge and stimulating interest in life-long learning. General Studies courses present breadth, deal with representative concepts, and provide some integration of concepts.

Several of the courses which comprise this curriculum are offered in Summer Sessions. These General Studies courses are designated by the "GS" symbol next to the Schedule number. For an overview of the General Studies program consult the University Catalog, pages 196 - 202 available in the University Bookstore.

Parking

Small College Complex, A122, Department of Public Safety, 310/516-3725/3639

All vehicles which park on this campus must display a valid parking permit. (Sec. 21113a CVC). Summer parking permits are purchased at the university Cashier's Office (SCC B-135). Daily parking permits are purchased from the dispensing machines located at: Lot 1, Information Booth, Lot 3a, Lot 3 and Lot 4. (Should a dispensing machine malfunction, please contact the Information Booth attendant or call the University Police at 516-3639, or use an emergency call box.) Vehicles are to park "head in" using marked stalls only.

Daily (\$1.50) parking permits must be displayed on the vehicle's dashboard. Summer Session permits are displayed inside the front windshield on the driver's side near the VIN plate. This "static" type permit can be removed and transferred to another vehicle if the need arises. Permits must be displayed in plain view without obstruction. Car covers are not recommended.

Motorcycles, scooters, and mopeds have special areas for parking: SW corner of Lot 2, SE corner of Lot 3, and NW corner of Lot 4.

Visitor parking areas are located: In front of the Small College Complex, outside of Lot 3a on north perimeter road, and the gymnasium lot. These stalls are free, no permit required for 30 minutes.*

Loading zones are located adjacent to major campus buildings. No permit is required for 30 minute parking.*

Those who receive parking citations are reminded that pursuant to Sec. 40202 and 40500 CVC, these citations cannot be cancelled or rescinded by the University Police. Should there be a significant error on the part of an officer or campus official, the issuing officer will request the court to rescind the citation. Failure to resolve a parking citation will result in difficulty with renewal of the vehicle's registration.

For further information, please contact the Parking Office at 310/516-3725.

**Should circumstances prevent the visitor from moving their vehicle after 30 minutes, contact the University Police at x3639 for extended parking.*

**Advanced English Program
for International Students**

International students, who have not formally been admitted to CSUDH, can take advantage of this unique opportunity. The Advanced English Program is a six-week course of study consisting of 2 linked classes -- English as a Second Language (ESL) and a conventional university class, Communications 130. International students may take the regular university class and receive additional ESL-specific assistance. The ESL course uses the vocabulary & listening and reading assignments of the conventional class as the basis for English practice.

In this way, international students with advanced level English skills have the necessary ESL support to improve their academic skills while taking their first university class taught in English.

Communications 130

FILM CLASSICS (3)

Viewing and analysis of selected American and foreign films of the sound era which represent milestones in the development of the cinema. Guest filmmakers and performers from the industry will discuss various screenings with the class. Three hours of lecture per week.

To take advantage of this opportunity, International students, who have not yet been formally admitted to CSUDH, should register for the American Language and Culture Program classes and for the COM 130 class in Summer Session. Fill out the coupon below, and also complete the regular Summer Sessions Registration Form on the inside back cover.
