Courses may be added during the first two weeks of the session. The deadline for adding courses is June 16 for the First Session and July 7 for the Second Session.

Students may exchange one class for another within the same Session without penalty, if the unit and tuition value is the same.

If you will exceed a maximum unit load by adding courses, you must also submit a Petition to Exceed Maximum Units, available in the Summer Sessions Office (refer to policy on Maximum Unit Load).

Dropping / Withdrawing

Non-attendance in class, notifying the instructor, or stopping payment on a check does NOT officially constitute dropping or withdrawing from a course. The Summer Sessions Office must be notified and appropriate form must be filled.

Dropping a Course

If you decide to drop a course, you must file a Change of Program Form with the Summer Sessions Office. (if you are dropping all courses you enrolled in, follow withdrawal procedures.) Refer also to Refund policies.

Drop, prior to first day of Session. To drop a course before a Session begins, file a change of Program form and an Application for Refund of Fees in the Summer Session Office.

Drop, during the first two weeks of the Session. Summer Sessions students may drop or withdraw from any course prior to and during the first two weeks of a Session without permanent record of enrollment or "W" on transcript, and without the instructor's signature.

Drop, third through fifth weeks of the Session. During the third until the final week of the Session, the instructor's and the school dean's or associate dean's signatures for each course are required on the Change of Program form in order to drop. Non-matriculated or Summer-only students need the signatures of the instructor and the Dean of Extended Education.

If a student drops or withdraws after the second week of a Session, a grade of "W" for the course(s) will appear on the student's permanent transcript.

Complete Withdrawal from Session

To withdraw from all courses, complete and submit a Withdrawal form, and, if you are eligible for a refund, an application for a refund of fees. Withdrawal forms are available in the Summer Sessions Office.

Complete withdrawal, prior to first day of Session. If you find it necessary to drop all courses before a Session begins, you must cancel your registration and you may be eligible to receive a full refund of fees, less a non-refundable processing fee. A completed Withdrawal Form and a refund Application must be received by the Summer Sessions Office by June 2 for First Session or by June 23 for Second Session.

Complete Withdrawal, during the first two weeks of the Session. You may withdraw during the first two weeks without a record of enrollment and without the instructor's signature. Complete a Withdrawal Form and a Refund Application and submit these forms to the Summer Sessions Office by the end of the second week.

Complete withdrawal, third through fifth week of the Session. A grade of "W" for each course appears on the permanent transcript if the student withdraws after the second week of the Session and is doing passing work. To withdraw from all courses after the second week of instruction, complete a Withdrawal form, obtain the signatures of the instructor and school dean (or Dean of Extended Education, if you are not a regular student) on the Withdrawal form. Submit these completed forms to the Summer Sessions Office.

Withdrawal from classes during final exam week (last week of Session) is not permitted, except in such cases as accident or serious illness where circumstances causing the withdrawal are clearly beyond the student's control, and the assignment of a grade of Incomplete is not practical. Such requests require a Petition with the signature and approval of of the instructor and school dean (Dean of Extended Education for Summer-only or non-matriculated students). The form is available in the Summer Sessions Office and must be filed in the Summer Sessions Office with documentation by the last day of the Session in which the student was enrolled.

Refund of Tuition Fee

Refunds are not automatic. Even if the University cancels a scheduled course, you must make an application to have your tuition fees refunded. Refunds are subject to change without notice by the Trustees of California State University System. Amounts of refund are calculated according to the Formula for Refunds established in Title 5 of the California Administrative Code. Refund Applications are available from the Summer Sessions Office. This form must be filed in person with the Summer Sessions Office. Your Schedule Confirmation and the tear off receipt from the Change of Program form (if applicable) must accompany the written request. No transaction will be made without a receipt. Students must submit refund requests by the published deadlines (refer to Calender and Refund Schedule).

Refund Schedule

The formula used for calculating the amount of fees refunded for five week or longer sessions is as follows. If you apply for a refund prior to the first day of the Session, June 2 or June 23, you may receive total tuition minus \$10.00. If you apply for a refund on the first or second day of the Session, you may receive total tuition minus the fee for one unit. During the remainder of the first week of the Session, if you apply, you may receive total tuition minus one unit times 65 percent. During the second week of the Session, if you apply, you may receive total tuition minus one unit times 25 percent. After the second week, none of the fee may be refunded. The late registration fee is non-refundable. Please note that tuition refunds are based upon the start date of the Session and not upon the first day a particular course meets.

Cancelled Course Policy

If you are enrolled in a course that is cancelled for any reason, you must complete an Application for Refund or arrange for

another course by completing a Change of Program form. The University does not refund fees

General Studies

The general Studies program is the nucleus of the undergraduate curriculum at CSUDH, deliberately structured to provide the intellectual and effective foundation required of a well-educated person. the philosophy underlying General Studies offerings is that they are courses for nonspecialists, presenting subject matter related to wider context of knowledge and stimulating interest in lifelong learning. General Studies courses present breadth, deal with representative concepts, and provide some integration of concepts.

Several of the courses which compromise this curriculum are offered in Summer Sessions. These General Studies courses are designated by the "GS" symbol next to the Schedule number. For an overview of the General Studies program consult the University Catalog, pages 80 -

87 available in the University Bookstore.

SUMMER HIGHLIGHTS

Courses Offered During Summer Session '95

ONE YEAR OF ORGANIC CHEMISTRY IN A SINGLE SUMMER

Designed for premedical and pre-dental students, this ten- week

program corresponds to a full year of organic chemistry with lab. The two sequential courses offer 8 semester units the required chemistry for professional schools. The course is helpful in preparing for the DAT and MACT.

Students who enroll for the entire 10 week program will have priority registration.

Upper Division

CHE 300 Organic Chemistry I

(3) (Summer Only).

Prerequisite: CHE 112 or 1 year of general Chemistry

A detailed study of organic molecular

structure, reaction mechanisms sterochemistry, and synthesis with emphasis on a aliphatic and aromatic systems. Three hours of lecture per week.

CHE 301 Organic Chemistry Laboratory I

(1) (Summer Only).

Prerequisites: CHE 112 or I year of general chemistry; concurrent enrollment in CHE 300.

Basic experimental techniques of organic chemistry. Three hours of laboratory per week.

CHE 302 Organic Chemistry 11

(3) (Summer Only).
Prerequisites: CHE 300 and CHE
301. Concurrent enrollment in CHE

Continuation of CHE 300 with emphasis on the chemistry of organic compounds containing oxygen and nitrogen. Three hours of lecture per week.

CHE 303 Organic Laboratory II (1)(Summer Only).

Prerequisites: CHE 112 or 1 year of general chemistry; concurrent enrollment in CHE 302.

Preparation of organic compounds and qualitative organic analysis. Three hours of Laboratory per week.

HEALTH IN PUBLIC EDUCATION HEA 300-61 PAMELA KROCHALK

HUM 314-12 Key Issues: French Perspectives: Enlightenment (3)

Instructor: C. Caloia

The 18th century in general, but in France in particular, is commonly known as the Age of the Enlightenment. A new light was shed on the man's thinking about the arts & sciences, about his personal & social relations, about the purpose of his existence, and about the kind of social and political institutions required to realize it. The changes this thinking brought about were immense—and how they affect us today will be addressed in this course.

Participants attend seminars in acting and stage craft given by working professionals and CSUDH Theatre Department faculty while they work on productions at the Odyssey Theatre.

The Odyssey Theatre, with a 25-history in Los Angeles, is located at 2455
Sepulveda Blvd, near the 405 and Olympic Blvd. Three 99-seat theatres
are housed under the same roof, so at any given time there are three plays

The Odyssey Theatre emphasizes culture and intellectual diversity, and a
great many of the plays are originals,
presented to audiences for the first time.

Be a part of it. Earn university credit, gain valuable theatre experience this summer in the CSUDH/Odyssey Theatre Collaboration.
