CSUDH Open University is an easy way for anyone to participate in regular university classes at CSU Dominguez Hills. Registration is easy - formal admission at CSUDH is not required.

Each class you take through Open University at CSUDH may apply toward your future degree while you enhance your professional skills and explore your personal interests.

High School students who will have completed their junior year by June may register with the written support of their principal or counselor accompanying their registration form and fees.

Up to 24 units of Open University credit may apply toward an undergraduate degree at CSUDH. Up to 9 units of academic credit may be applied toward a graduate degree at CSUDH.

## Classes Begin August 29 Earn Degree Credit Through Open University

Open University courses are recorded as resident credit on CSUDH transcripts and can count toward undergraduate and graduate degrees at CSUDH.

## DO YOU WANT TO TAKE UNIVERSITY CLASSES **NOW?**

**Take CSUDH credit courses without being admitted to the university.** No transcripts, applications, or other documentation are required. Apply credits you earn to a degree later, if you wish.

**Test a degree program** to see if it suits your educational aspirations.

**Improve your grade point average** if your first attempt at college courses was less than successful. If you have been disqualified from the university or denied admission because of a grade point deficiency, you can enroll in Open University and get a second chance to show your true potential.

**Complete requirements for a degree** begun at another university.

# What *Open University* is and how it can benefit you...

Through CSUDH College of Continuing & Professional Education, adults capable of college-level work may enroll in regular CSUDH courses each semester on a space-available basis. There is no formal admission to the University and registration is made easy—you can usually confirm your space in class at the first meeting. Each department may regulate admission to specific classes, but many choices are available.

## Open University gives you the freedom to

- Sample a particular field before enrolling in a degree program
- Take courses for professional or personal development
- Improve your grade point average if you have been turned down for admission by the university or have been academically disqualified.
- Get a start on your degree if you missed the application deadline.

Through the Open University program, you can receive credit for your completed course work in any of the lower division, upper division, or graduate courses available to you. The credit you earn can be applied towards a degree within the limits described in the Academic Eligibility and Credit Information section (page 79).

### Use of the I.D. Card

The I.D. Card must be carried at all times and be validated each term. A current I.D. Card is necessary to perform certain transactions in Admissions, Records and Registration, the Library, the Business Office and other campus offices. I.D. cards for Open University students will be issued at the Extended Education Office.

### Disabled Student Services

Students with verified disabilities, which are permanent or temporary (e.g., broken bones, strained back, other sprains, etc.) are eligible for a variety of support services from the Disabled Student Services Office. Information regarding special facilities and services available to students with a disability may be obtained from the Director of Disabled Student Services Office, located in Welch Hall, Room B-250, (310) 243-3660 (voice) or 243-2028 (TDD).

The telephone number is (310) 243-3741, option 1.

### Library Services

### Section 504 of the Rehabilitation Act of 1973

California State University, Dominguez Hills is an equal opportunity/affirmative action institution. As a unit of the university, the College of Extended Education does not discriminate on the basis of race, color, religion, national origin, gender, sexual preference, age, disability or veteran status.

This policy is applicable to employment and student admission, and to all educational programs and activities.

### **Privacy Information**

The University complies with Federal and State laws concerning privacy rights of students. These rights are summarized in the University Catalog. Questions about privacy rights may be directed to the Dean of Extended Education at (310) 243-3737 or the Vice President for Student Affairs at (310) 243-3784.

### **Use of Social Security Number**

CSUDH provides all students with generic 9 digit student ID numbers. These ID numbers are used to identify student records, registration, and to conduct all University business. However, students are still required to provide the University with their correct social security numbers (individual taxpayer identification numbers) pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student and, if needed, to collect debts owed the University. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. Students who do not have a social security number at the time of enrollment will be required to obtain a social security number and submit it to the University within sixty days. Failure to furnish a correct social security number may result in the imposition of a penalty by the Internal Revenue Service.

### **Immigration Requirements for Licensure**

On August 27, 1996, Governor Pete Wilson issued Executive Order W-135-96 which requested that the CSU and other state agencies implement "as expeditiously as reasonably practicable" the provision of The Personal Responsibility and Work

Opportunity Reconciliation Act (PRAWORA) of 1996 Reconciliation Act (PRAWORA) of 1996 (P.L.104-193). The Act, also known as the Welfare Reform Act, included provisions to eliminate eligibility for federal and state public benefits for certain categories of lawful immigrants as well as benefits for all illegal immigrants.

Students who will require a professional or commercial license provided by a local, state, or federal government agency in order to engage in an occupation for which the CSU may be training them must meet the immigration requirements of the new Personal Responsibility and Work Opportunity Reconciliation Act to achieve licensure. Information concerning the regulation is available from the Vice President of Student Affairs, (310) 243-3784.

### **Important Tax Credit Information**

If you are enrolled in an eligible degree or certificate program or are taking courses to acquire or improve job skills, you may qualify for a Hope Scholarship or Lifetime Learning Tax Credit. The Hope Scholarship Tax Credit is available only to students in their first two years of postsecondary education who are enrolled at least half-time in an eligible program. The tax credits are based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. Hope credits apply to fees paid after December 31, 1997.

### **The Lifetime Learning Tax Credit**

The Lifetime Learning tax credit is available to students at all educational and enrollment levels who are enrolled at an eligible educational institution. As with the Hope Scholarship tax credit, this opportunity is based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. The Lifetime Learning credit applies to fees paid after June 30, 1998.

Consult IRS Publication 970 or your tax preparer for additional information on both programs.

### **Americans with Disabilities Act**

It is the policy of California State University Dominguez Hills to comply with the Section 504 Regulations [now, Americans with Disabilities Act] adopted by the Department

of Health, Education and Welfare. Accordingly, any student at California State University Dominguez Hills who believes that there has been a violation of the Regulations is encouraged to discuss the matter with the appropriate CSUDH college, the campus Handicapped Regulations Coordinator, and/or the Handicapped Services Coordinator, and such persons as may be identified by the Handicapped Regulations Coordinator in order to resolve the matter in a prompt and equitable manner.

### **Sexual Harassment Policy**

It is the policy of California State University, Dominguez Hills, that the campus maintain a working and learning environment free from sexual harassment of its students, employees, and those who apply for student or employee status. All should be aware that California State University, Dominguez Hills is concerned and will take action to eliminate sexual harassment. Sexual harassment includes such behavior as sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature directed towards an employee, student, or applicant when one or more of the following circumstances are present:

- Submission to or toleration of the conduct is an explicit or implicit term or condition of appointment, employment, admission or academic evaluation.
- Submission to rejection of such conduct is used as a basis for a personnel decision or an academic evaluation.
